MISCELLANEOUS SERVICE (cont'd)

NON-PUBLISHED NUMBERS

A telephone number is "non-published" when it is omitted from the directory and also from the information lists of the Telephone Company. Upon request, and at a rate of \$1.50 per month, a subscriber may have a "non-published" number. Unless the specific call number is given by the person calling, connection will not be established with a telephone having a "non-published" number.

A non-published number charge will apply if the customer requests a non-published number; however, only one non-published number charge will apply to the same customer at one premise regardless of the number of lines or type of service to which he or she may subscribe.

Customers requesting that their telephone number be excluded from the directory and information lists, or changed from a "non-published" basis to a regular listed basis, will incur a non-recurring Record Service Charge as specified in Section 5 of this Tariff.

When existing service for the same customer requires a number change in order to establish or continue "non-published" service, a Telephone Number Change charge applies as specified in Section 5 of this tariff.
