Re: *In the Matter of the Application of North American Power and Gas, LLC for Licensure by the Pennsylvania Public Utilities Commission to Supply Natural Gas in the Commonwealth of Pennsylvania.*
Docket No. A-2013-2353838

Dear Madam Secretary,

On February 21st, 2013, our firm filed the requisite application on behalf of North American Power and Gas ("NAPG" or "Applicant") for licensure as a Natural Gas Supplier ("NGS") by the Pennsylvania Public Utilities Commission ("PAPUC" or "Commission") in accordance with Title 66, Subpart D, Ch. 22, § 2208 *et seq.*

Recently, our office received correspondence from Brent Killian, Financial Analyst, Pennsylvania Public Utilities Commission, requesting the affidavits of publication from the newspapers as selected by the Commission. Although NAPG is requesting initial licensure in Equitable Gas' territory only, we have nonetheless provided affidavits from all designated newspapers, which are attached hereto.

Should Commission Staff require any additional information or clarification, please do not hesitate to contact this office at your convenience.

Respectfully Submitted,

Sean P. Morrissey
Regulatory Consultant
