Re: Letter of Notification of PPL Electric Utilities Corporation, Filed Pursuant to 52 Pa. Code Chapter 57 Subchapter G, With Respect to the Construction of the Eldred - Rausch Creek 138 kV Transmission Line in Eldred, Barry, Hegins and Frailey Townships, Schuylkill County, Pennsylvania - Docket No. A-2013-2358174

Dear Secretary Chiavetta:

Please be advised that PPL Electric Utilities Corporation ("PPL Electric") is withdrawing the above-referenced Letter of Notification. As explained in the Letter of Notification, which was filed on April 15, 2013, the purpose of the proposed transmission line was to connect the Rausch Creek Wind Farm to PPL Electric's transmission system to that electricity generated at that facility could be delivered to market.

Recently, however, the developer of the Rausch Creek Wind Farm Project, BP Wind Energy, has cancelled the Project. Without the Wind Farm, there is no need for the transmission line.

If you have any questions, please contact me at the telephone numbers or addresses provided above.

Respectfully submitted,

John H. Isom
