Dear Mr. Zimmerman:

We are pleased that Reflective Energy Solutions, LLC has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Reflective Energy Solutions, LLC could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Reflective Energy Solutions, LLC has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Reflective Energy Solutions, LLC does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Reflective Energy Solutions, LLC changes in the future, Columbia Gas might deem it appropriate to require Reflective Energy Solutions, LLC to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-6841 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Michele Caddell

Re: Security Requirement for Reflective Energy Solutions, LLC

Dear Mr. Zimmerman:

National Fuel Gas Distribution Corporation ("NFGDC") is aware that Reflective Energy Solutions, LLC ("RES") has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, RES must furnish acceptable security to each utility where RES will do business. As such, under its tariff, NFGDC could require RES to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that RES intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, RES will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, RES does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by RES change in the future, NFGDC reserves the right to require security from RES as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7599.

Yours truly,

Nathan E. Barnes

Re: Bonding Requirements

Dear Eric Zimmerman,

PECO is aware that Reflective Energy Solutions, LLC has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, Reflective Energy Solutions, LLC could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. Reflective Energy Solutions, LLC has indicated that it intends to provide only *brokering and consulting services to commercial and industrial customers*, will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that Reflective Energy Solutions, LLC does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided Reflective Energy Solutions, LLC or the creditworthiness requirement for PECO's exposure to Reflective Energy Solutions, LLC changes in the future, PECO reserves the right to require Reflective Energy Solutions, LLC to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.

Respectfully submitted,

RE: Reflective Energy Solutions application to serve as a broker/marketer

Dear Mr. Zimmerman,

UGI Utilities Inc. ("UGIU") has reviewed the license application of Reflective Energy Solutions, LLC. ("Reflective Energy Solutions"). Based on the application, UGIU has concluded that Reflective Energy Solutions will not need to post security with UGI-Central Penn Gas ("CPG"), UGI-Penn Natural Gas ("PNG") or UGI Utilities Gas Division ("UGI"). This is based on the declaration that Reflective Energy Solutions will not be taking title to purchased gas or directly serving end use customers. This also assumes that Reflective Energy Solutions will be acting on the behalf of a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGI service territories and who has posted the required financial security as specified in the respective UGI tariffs. If Reflective Energy Solutions wishes to directly serve Choice customers in the service territories of UGI, PNG and/or CPG in the future as a natural gas supplier, it will have to post security as specified in the respective UGI tariffs prior to the commencement of the service.

Please feel free to contact me with any additional questions that you may have.

Sincerely,

A handwritten signature in black ink, appearing to read "David E. Lahoff", is written over the word "Sincerely,".
