Subject: Benedict Othigo v. PPL Electric Utilities  
Request of Payment Arrangement

Your Ref. F-2013-2363178

I am in receipt of your letter referenced above but don't understand what the impending hearing scheduled via telephone is intended to help me with? over

whereas I made the appeal two months ago to PUC. I continued to receive several telephone calls and mails from PPL Electric Utilities demanding monthly payments.

I therefore negotiated with them about payment of \$178 as had been decided by PUC in an earlier letter addressed to me. I gave valid reasons why I had requested a reduction of monthly payment from \$178 downwards.

I eventually received a telephone call from the Office of PPL Senior Personnel who informed me that there was decision reached that I was to pay \$164 Dollars monthly and that is what I have paid since June 2013. Is it necessary now

for me to participate in the telephonic hearing? Does it have further benefit for me? Advice please. Thank You. B. OTHIGO
