COMMONWEALTH EDISON COMPANY : Informational notice of holding
: company merger.

**COMMONWEALTH EDISON COMPANY'S
NOTICE OF HOLDING COMPANY MERGER TRANSACTION**

Commonwealth Edison Company ("ComEd") hereby notifies the Illinois Commerce Commission (the "Commission" or the "ICC") of a proposed merger of its ultimate parent, Exelon Corporation ("Exelon"), with Public Service Enterprise Group Incorporated ("PSEG"), and the related reorganization or merger of certain of Exelon's and PSEG's subsidiaries, not including ComEd (collectively, the "Transaction"). The Transaction does not change the corporate form of ComEd or result in its merger with any other entity. Under the Agreement and Plan of Merger for the Transaction (the "Merger Agreement"), Exelon will be the surviving parent company and will remain the ultimate corporate parent of ComEd and all other current Exelon subsidiaries. Exelon will also become the ultimate corporate parent of all PSEG subsidiaries. Following the Transaction, Exelon will change its name to Exelon Electric & Gas Corporation. Exelon will continue to be a registered public utility holding company under the Public Utility Holding Company Act of 1935 ("PUHCA").

Given the nature of the Transaction, formal notice of or Commission approval for the Transaction and its consummation are not required. The Transaction is not a reorganization within the meaning of the Section 7-204 of the Illinois Public Utilities Act (220 ILCS

5/16-111(g)(1); 5/7-204)[†], nor is it “a merger of two or more public utilities, as defined in Section 3-105 or their holding companies” (220 ILCS 5/16-111(g); 5/3-105) because, among other things, neither PSEG nor any of its subsidiaries is an Illinois public utility under the Act.

Nevertheless, because of the Commission’s expressed interest and to fully inform the Commission of the Transaction and of the terms and provisions of the Merger Agreement, and without waiving any of its rights or arguments that such notice is not required, ComEd is hereby giving the Commission this Notice and providing the information that would be called for under Section 16-111(g) of the Act. This is an informational notice; no Commission action is required or requested.

I.

Description of the Proposed Transaction

A. **Parties Involved**

Exelon is a corporation organized and existing under the laws of the Commonwealth of Pennsylvania and is a registered holding company under PUHCA. Exelon is one of the nation’s largest electric utility holding companies with more than \$15 billion in annual revenues. Exelon, through its subsidiaries, operates in three business segments -- Energy Delivery, Generation, and Enterprises -- and through a service company structure, also provides business services to its operating companies including ComEd, PECO Energy Company (“PECO”), and Exelon Generation Company, LLC (“Exelon Generation”). Exelon is headquartered in Chicago, Illinois. The common stock of Exelon is publicly traded and is listed

[†] The Transaction is not a reorganization within the meaning of Section 7-204 of the Illinois Public Utilities Act (220 ILCS Act 5) (the “Act”) because, among other things, it will not change the ownership of a majority of the voting capital stock of an Illinois public utility or result in a change in the ownership or control of an entity that owns or controls a majority of voting capital stock of an Illinois public utility (220 ILCS 5/7-204), nor will it terminate the affiliated interest status of any entity specified in Section 7-204(a) (220 ILCS 5/7-204(a)).

on the New York Stock Exchange. Exelon is neither a public utility within the meaning of Section 3-105 of Act (220 ILCS 5/3-105) nor an electric utility within the meaning of Section 16-102 of the Act (220 ILCS 5/16-102).

ComEd is a corporation organized and existing under the laws of the State of Illinois and is engaged in the business of supplying, transmitting, and distributing electricity to approximately 3.5 million customers in the northern part of Illinois. ComEd's principal executive offices are in Chicago, Illinois. ComEd is a public utility within the meaning of Section 3-105 of Act and an electric utility within the meaning of Section 16-102 of the Act.

PECO is a corporation organized and existing under the laws of the Commonwealth of Pennsylvania and is engaged in the business of supplying, transmitting, and distributing electricity and natural gas. PECO serves approximately 1.5 million electric customers and more than 400,000 natural gas customers in the Philadelphia and Southeastern Pennsylvania area. PECO's principal executive offices are in Philadelphia, Pennsylvania. PECO is a "public utility," a "natural gas distribution company," and an "electric distribution company" as those terms are defined, respectively, in Sections 102, 2202, and 2803 of the Pennsylvania Public Utility Code. PECO is neither an Illinois "public utility" within the meaning of Section 3-105 of the Act, nor an "electric utility" within the meaning of Section 16-102 of the Act.

Exelon Generation is a limited liability company that directly, or through subsidiaries: (1) owns or has under contract approximately 33,350 megawatts of generating capacity; (2) operates a wholesale energy marketing business (Power Team); and (3) engages in the competitive retail electric business (Exelon Energy). The generation portfolio of Exelon Generation includes its ownership interests in 11 nuclear generating stations, consisting of 19

units with 16,943 MW of capacity, which is the largest fleet of nuclear units in the United States. All of the nuclear generating stations in which Exelon Generation has an ownership interest are operated by it except Salem Generating Station, which is operated by its co-owner, PSE&G Nuclear, LLC, a subsidiary of PSEG.

PSEG is a corporation organized and existing under the laws of New Jersey and is a major integrated energy and generation company with more than \$10 billion in annual revenues. PSEG is headquartered in Newark, New Jersey and its common stock trades on the New York Stock Exchange. PSEG and its subsidiaries operate generating stations with diverse fuel and dispatch characteristics, largely within the PJM Interconnection. An indirect non-utility subsidiary of PSEG holds a passive equity interest in the Joliet and Powerton generating stations, but does not operate or control these facilities and has no control over the disposition of any electricity that they produce.[†] PSEG has no ownership interest, passive or otherwise, in any Illinois public utility and does not, directly or indirectly, own or operate any public utility facilities in Illinois. PSEG is neither a public utility within the meaning of Section 3-105 of the Act, nor an electric utility within the meaning of Section 16-102 of the Act.

Public Service Electric and Gas Company ("PSE&G") is a corporation organized and existing under the laws of New Jersey with its principal executive offices in Newark, New Jersey. PSE&G is an operating public utility company engaged principally in the transmission,

[†] PSEG Resources ("Resources"), an indirect subsidiary of PSEG, participated as a passive equity investor in sale / leaseback financing transactions with respect to the purchase by Midwest Generation of Powerton Station and Joliet Station Units 7 and 8. Resources does not operate or control the leased generating facilities and has no say whatsoever over the disposition of the power they produce so long as the lease remains effective. As part of Midwest Generation's purchase of that station, Resources also acquired beneficial ownership of Collins Station subject to a long-term leaseback to Midwest Generation. In late April 2004, the Collins sale and leaseback transaction was terminated, for reasons completely unrelated to the proposed Transaction, and Resources no longer has any interest in the Collins Station. Resources is neither a public utility within the meaning of Section 3-105 of the Act, nor an electric utility within the meaning of Section 16-102 of the Act.

distribution, and sale of both electric energy service and gas service in New Jersey. It serves approximately 2 million electric and 1.6 million gas customers in New Jersey. PSE&G is neither an Illinois public utility within the meaning of Section 3-105 of the Act nor an electric utility within the meaning of Section 16-102 of the Act.

B. Overview of the Transaction

Pursuant to the terms of the Merger Agreement, attached as Appendix A, PSEG will merge into Exelon (the "Merger"), thereby ending the separate corporate existence of PSEG. Exelon, which will be renamed Exelon Electric & Gas Corporation, will be the surviving company. Each PSEG shareholder will be entitled to receive 1.225 shares of Exelon common stock for each PSEG share held and cash in lieu of any fraction of an Exelon share that a PSEG shareholder would have otherwise been entitled to receive. The Merger is expected to be tax-free to PSEG shareholders to the extent they receive common stock in Exelon and, in general, cash received is expected to be taxed as capital gains.

Exelon will remain the ultimate corporate parent of ComEd, Exelon Generation, PECO, and other current Exelon subsidiaries, and will become the ultimate corporate parent of PSE&G and the other PSEG subsidiaries. Diagrams of the existing Exelon holding company system and the new post-Transaction holding company system are attached hereto as Appendix B. Exelon will continue to be a registered public utility holding company under PUHCA, and ComEd, PECO, and PSE&G will continue to be operating franchised public utility companies. Following the merger, Exelon and ComEd will continue to have their corporate headquarters in Chicago, and the Exelon companies' combined energy trading operations and nuclear operations headquarters will be located in Pennsylvania. The headquarters of the combined subsidiary generation company will be located in Newark, as will the PSE&G

headquarters. This latter arrangement is similar to Exelon's continued significant presence in Philadelphia following the merger of Unicom Corporation (then parent company of ComEd) and PECO in 2000.

As a result of the Transaction, Exelon will increase the size of its board of directors from twelve to eighteen directors and will fill the six new positions by the appointment of former PSEG directors as designated by the former PSEG Chief Executive Officer. During a three-year transition period following the completion of the Merger, the Exelon board of directors will be required to nominate for election: (1) the legacy PSEG directors (or their successors) whose class is standing for election; and (2) the legacy Exelon directors (or their successors) whose class is standing for election. In addition, during the three-year transition period, the Exelon board of directors will take whatever action is necessary to ensure that: (1) any vacancy on the board representing a position previously held by a legacy PSEG director will be filled by a person nominated by the entire Exelon board of directors and approved by a majority of the legacy PSEG directors remaining on the board; and (2) any vacancy on the board representing a position previously held by a legacy Exelon director will be filled by a person nominated by the entire Exelon board and approved by a majority of the legacy Exelon directors remaining on the board.

Mr. John W. Rowe, the current Chairman, Chief Executive Officer, and President of Exelon, will continue to serve as Chief Executive Officer and President of Exelon following the Merger. Mr. E. James Ferland, the current Chairman, Chief Executive Officer, and President of PSEG, will become the non-executive Chairman of the Exelon board of directors and will serve in that capacity until the earlier of (1) March 31, 2007 or (2) the date on which he no longer serves as a member of the post-Merger Exelon board of directors. When Mr. Ferland

ceases to be the non-executive Chairman of the Exelon board of directors, Exelon's Chief Executive Officer will be appointed its Chairman.

As part of the Transaction, PSE&G will become a direct subsidiary of Exelon Energy Delivery Company LLC, along with the existing Exelon utilities, ComEd and PECO. The current subsidiaries of PSE&G will remain intact. In addition, as a result of the Transaction:

- PSEG Energy Holdings LLC ("Energy Holdings") will become a direct subsidiary of Exelon, as the successor to PSEG. The current subsidiaries of Energy Holdings will remain intact.
- PSEG Services Company will sell all of its assets to Exelon Business Services Company ("Exelon BSC"), change its name, and remain as a non-energy entity. Post merger, Exelon BSC will be the sole "service company" of Exelon.
- After obtaining any appropriate consents from the PSEG Power, LLC ("PSEG Power") debt holders and restructuring, PSEG Power and its direct subsidiaries PSEG Nuclear, LLC, PSEG Fossil, LLC, and PSEG Energy Resources & Trading, LLC will all cease to exist as separate entities and will become part of Exelon Generation. The business functions of these former PSEG entities will become a part of their respective Exelon Generation business unit. The subsidiaries owned by these PSEG entities will either be merged into Exelon Generation or retained as direct subsidiaries of Exelon Generation.

As a consequence of the Merger, all of PSEG's outstanding indebtedness will become the indebtedness of Exelon, as the surviving company. The indebtedness of subsidiaries of PSEG will not be assumed or guaranteed by ComEd or any subsidiary of ComEd; nor will the Transaction change the terms or the character of the existing debt of ComEd. The Transaction will not change the terms or the character of the outstanding common or preferred stock of ComEd, PECO, or any other Exelon subsidiary, because those shares will not be exchanged or redeemed as part of the Merger. The Transaction also will not change the terms or the character of PSE&G's preferred stock because those shares will not be exchanged or redeemed as part of the Merger. Rather, PSE&G's preferred stock will remain outstanding and will continue to

represent a preferred equity interest in PSE&G. Likewise, the common stock of Exelon will be unaffected by the Merger, with each issued and outstanding share thereof remaining outstanding following the Merger as a share in the surviving company.

C. **Benefits of the Merger**

The proposed Merger will result in an energy holding company with substantial resources and capabilities that will, through its operating utilities, serve over seven million electric customers and two million gas customers in three states. The Transaction will not prejudice ComEd's ability to provide tariffed services in a safe and reliable manner, and there is no likelihood that the Transaction will result in ComEd being entitled to request an increase in its base rates during the mandatory transition period pursuant to Section 16-111(d) of the Act (220 ILCS 5/16-111(d)), because the Transaction will neither increase ComEd's costs of service nor erode its revenues. Rather, by sharing resources and best practices, the Transaction will enhance operations Exelon-wide and strengthen Exelon's ability post-Merger to provide cost-effective, safe, and reliable service and will affirmatively promote the public interest in a number of ways.

1. **Increased Scale, Scope, and Diversification.** The combined company will have increased scale and scope in both energy delivery and generation. In addition, the combined company will have greater diversification and balance in its energy delivery business and generation portfolio. With respect to the energy delivery business, the combined company will have three urban utility based franchises with service areas encompassing more than 18 million people. The combined company will also have a large gas distribution portfolio to complement its electric distribution business.

2. Anticipated Financial Strength and Flexibility. The combined holding company will continue to be financially strong. Moreover, the diversification of the energy delivery and generation portfolios of Exelon post-Merger should result in a more stable cash flow, with approximately half of the combined company's earnings and cash flow coming from the three regulated utilities and approximately half coming from the unregulated generation business.

3. Generation. With respect to the generation business, the combined company will, before planned divestitures, have 52,000 megawatts of domestic capacity in multiple states, including approximately 20,000 megawatts of low-cost nuclear generation. This generation diversification is expected to create a more balanced portfolio in terms of geography, fuel mix, dispatch, and load-serving capacity.

4. Improved Nuclear Operations. Exelon has a proven track record of improving and sustaining safety and both operating and cost performance at its nuclear plants, which is grounded on a nuclear management model that Exelon has successfully implemented at the plants it operates. As a consequence, Exelon has achieved first quartile performance across the entire fleet of its nuclear plants. Exelon intends to apply this same nuclear management model to PSEG's Salem and Hope Creek Generating Stations and thereby improve the operating performance of those nuclear plants while assuring the highest levels of safety. Given Exelon's strong, successful performance in running the nation's largest nuclear fleet, Exelon expects to realize post-Merger improved stability, higher capacity utilization rates, and lower costs from combining nuclear operations under one management.

5. Sharing of Best Practices. The Transaction will combine companies with complementary areas of expertise; Exelon's expertise in generation operations and PSE&G's expertise in transmission and distribution operations. PSE&G has been recognized for its strong record in transmission and distribution operations. Improved customer service and service reliability are expected from both this sharing of best practices and from coordination among operating utilities.

6. Synergies. The Transaction will create the opportunity to achieve cost savings not only through the sharing of best practices, but also through the elimination of duplicative functions, improved operating efficiencies in nuclear and other generation operations, and supply chain benefits from improved sourcing.

7. Commitment to Competition. Exelon and PSEG have each been staunch advocates for competitive retail and wholesale markets in electricity and gas. This shared vision will allow the new company to be even more active in the promotion of competitive markets and the development of energy-related services. In addition, New Jersey, Pennsylvania, and Illinois all have passed legislation bringing retail competition to the electric industry, and are in varying phases of the transition to full competition. The regulatory knowledge and experience of each company will enhance the merged company's ability to manage the transition to competition for the benefit of both customers and shareholders.

8. Impact of the Merger on Customers, Employees, and Suppliers. The Merger is expected to benefit customers by enhancing operations, reducing costs, and strengthening reliability, to provide more opportunities for employees in a larger, more

competitive company, and to streamline and increase the efficiency of the procurement processes of the combined company.

9. Impact of the Merger on Communities. The Merger is expected to benefit the communities served by the combined company by creating a strong combined company with operating headquarters in Chicago, Illinois; Newark, New Jersey; and Philadelphia, Pennsylvania. In addition, the companies expect to maintain their substantial presence in the cities and communities they serve, including significant charitable contributions.

II.

Provision of Information Called for by Section 16-111(g) of the Act

As would be called for by Section 16-111(g), ComEd is providing the Commission the information described in Section 16-111(g)(i)-(iv) and is giving the Commission at least 30 days notice of the Transaction. Regardless of the applicability of Section 16-111 generally, Subsection 16-111(g)(v) does not apply to the Transaction because ComEd does not propose “to sell, assign, lease or otherwise transfer” any generating plant, and Subsection 16-111(g)(vi) does not apply to the Transaction because ComEd does not propose “to sell, assign, or lease” any generating plant or transmission facilities. In addition, Sections 16-128 and 16-111(k) (220 ILCS 5/16-111(k), 5/16-128) of the Act are not applicable because the Transaction does not involve “the sale, purchase, or any other transfer of ownership” of an Illinois division, business unit, or generating station of an Illinois electric utility, or the transfer of a business unit, division, or generating unit or station to a majority-owned subsidiary of an Illinois electric utility.

ComEd provides the following information and commitment described in Subsections 16-111(g)(i) – (g)(iv) of the Act:

- (i) A complete statement of the entries that the electric utility will make on its books and records of account to implement the proposed reorganization or transaction together with a certification from an independent certified public accountant that such entries are in accord with generally accepted principles and, if the Commission has previously approved guidelines for cost allocations between the utility and its affiliates, a certification from the chief accounting officer of the utility that such entries are in accord with those cost allocation guidelines.

Principally because the Transaction occurs at the holding company level and does not involve the sale, assignment, lease, or transfer of any asset owned by ComEd, ComEd does not anticipate that, consistent with accounting principles generally accepted in the United States, any entries will be made, or need to be made, on its books and records of account in order to implement the Transaction. Accordingly, no statement of entries is attached to this Notice.

Because ComEd will not make any entries on its books and records of account, there are no entries that an independent certified public accountant may certify are in accord with generally accepted accounting principles. Accordingly, no such certification is attached to this Notice. Likewise, because ComEd will not make any entries on its books and records of account, there is nothing for ComEd's chief accounting officer to certify as being consistent with the guidelines approved by the Commission for cost allocations between ComEd and its affiliates. Accordingly, no such certification is attached to this Notice.

- (ii) A description of how the electric utility will use proceeds of any sale, assignment, lease or transfer to retire debt or otherwise reduce or recover the costs of services provided by such electric utility.

The Transaction does not involve the sale, assignment, lease, or transfer of assets by ComEd. Hence, ComEd will accrue no sales proceeds. To the extent that ComEd's cost of service is reduced through savings produced by the merger, such reductions will be reflected in

the returns on equity reported to the Commission pursuant to Section 16-111 of the Act and reflected in its cost of providing regulated public utility services.

- (iii) A list of all federal approvals or approvals required from departments and agencies of the State, other than the Commission, that the electric utility has or will obtain before implementing the reorganization or transaction.

Exelon and PSEG will submit the Transaction for review by, or seek the approval of, the following federal and state regulatory agencies: the New Jersey Board of Public Utilities, the Pennsylvania Public Utility Commission, the Federal Energy Regulatory Commission (FERC), the Nuclear Regulatory Commission (NRC), the Securities and Exchange Commission (SEC), and the Department of Justice (DOJ). Notice of the Transaction must be given to the Connecticut Department of Public Utility Control. In addition, approvals of ancillary matters (e.g., individual license transfers) will be sought from agencies including the Federal Communications Commission (FCC) (transfer of radio licenses), the New York Public Service Commission (station license transfer with respect to a PSEG generating unit), and environmental regulators. After the Transaction, Exelon will continue to be registered as a holding company with the SEC under the PUHCA. Exelon and PSEG anticipate that all regulatory approvals can be obtained within 12-15 months from the date the Transaction was announced in December, 2004, and Exelon and PSEG intend to seek shareholder approval for the Transaction in the second quarter of 2005.

- (iv) An irrevocable commitment by the electric utility that it will not, as a result of the transaction, impose any stranded cost charges that it might otherwise be allowed to charge retail customers under federal law or increase the transition charges that it is otherwise entitled to collect under this Article XVI.

ComEd hereby irrevocably commits that it will not, as a result of the Transaction, either impose any stranded cost charges that it might otherwise be allowed to charge retail customers under federal law or increase the transition charges that it is otherwise entitled to collect under Article XVI of the Act.

AGREEMENT AND PLAN OF MERGER

AGREEMENT AND PLAN OF MERGER, dated as of December 20, 2004 between Exelon Corporation, a Pennsylvania corporation ("Parent"), and Public Service Enterprise Group Incorporated, a New Jersey corporation (the "Company") (Parent and the Company being hereinafter collectively referred to as the "Constituent Corporations"). Except as otherwise set forth herein, capitalized (and certain other) terms used herein shall have the meanings set forth in Section 1.1.

WITNESSETH:

WHEREAS, the respective Boards of Directors of Parent and the Company have each approved the merger of the Company with and into Parent (the "Merger"), upon the terms and subject to the conditions set forth in this Agreement, whereby the issued and outstanding shares of Common Stock, no par value per share, of the Company ("Company Common Stock," and the shares of Company Common Stock are hereinafter referred to as the "Shares"), other than Shares owned directly or indirectly by Parent or the Company, will be converted into shares of Common Stock, no par value per share, of Parent (the "Parent Shares");

WHEREAS, the Board of Directors of the Company has determined that this Agreement and the Merger are advisable and fair to, and in the best interests of, the Company and the Company's shareholders, has approved this Agreement and the Merger and has recommended that the Company's shareholders approve this Agreement;

WHEREAS, the Board of Directors of Parent has determined that this Agreement and the Merger are advisable and fair to, and in the best interests of, Parent and Parent's shareholders, has approved this Agreement and the Merger and has recommended that Parent's shareholders approve the issuance of Parent Shares in the Merger;

ARTICLE III EFFECT OF THE MERGER ON THE STOCK OF THE CONSTITUENT CORPORATIONS; EXCHANGE OF CERTIFICATES

Section 3.1 Effect on Stock. As of the Effective Time, by virtue of the Merger and without any action on the part of any of Parent, the Company or the holders of any securities of the Constituent Corporations, the capital stock of the Constituent Corporations shall be treated as set forth in this Article III and in accordance with the terms of this Agreement.

Section 3.2 Conversion. (a) Capital Stock of Parent. Each issued and outstanding Parent Share shall remain outstanding following the Effective Time as a share of the Surviving Corporation.

(b) Treasury Stock and Parent Owned Stock. Each Share that is owned by the Company or by any Subsidiary of the Company and each Share that is owned by Parent or any Subsidiary of Parent shall automatically be cancelled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor.

(c) Conversion of Shares. Each Share issued and outstanding (other than Shares to be cancelled in accordance with Section 3.2(b)) shall be converted into the right to receive 1.225 of duly authorized, validly issued, fully paid and non-assessable Parent Shares (the "Exchange Ratio"). As of the Effective Time, all such Shares, when so converted, shall no longer be outstanding and shall automatically be cancelled and retired, and each holder of a certificate representing any such Shares shall cease to have any rights with respect thereto, except the right to receive any dividends or distributions in accordance with Section 3.3(c), certificates representing the Parent Shares into which such Shares are converted and any cash, without interest, in lieu of fractional shares to be issued or paid in consideration therefor upon the surrender of such certificate in accordance with Section 3.3(d).

Section 3.3 Exchange of Certificates. (a) Promptly after the Effective Time, the Surviving Corporation shall deposit, or shall cause to be deposited, with a banking or other financial institution selected by Parent and reasonably satisfactory to the Company (the "Exchange Agent"), for the benefit of the holders of Shares, for exchange in accordance with this Article III, certificates representing the Parent Shares to be issued in connection with the Merger and, subject to Section 3.3(d), cash in lieu of fractional shares (such cash and certificates for Parent Shares, together with any dividends or distributions with respect thereto (relating to record dates for such dividends or distributions after the Effective Time), being hereinafter referred to as the "Exchange Fund") to be issued pursuant to Section 3.2 and paid pursuant to this Section 3.3 in exchange for outstanding Shares.

(b) Exchange Procedure. Promptly after the Effective Time, the Surviving Corporation shall cause the Exchange Agent to mail to each holder of record of a certificate or certificates that immediately prior to the Effective Time represented Shares, other than Shares referred to in Section 3.2(b) (the "Certificates"), (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Exchange Agent and shall be in a form and have such other provisions as Parent may specify) and (ii) instructions for use in effecting the surrender of the Certificates in exchange for the consideration contemplated by Section 3.2 and this Section 3.3, including cash in lieu of fractional shares, if applicable. Upon surrender of a Certificate for cancellation to the Exchange Agent, together with such letter of transmittal, duly executed, and such other documents as may reasonably be required by the Exchange Agent, the holder of such Certificate shall be entitled to receive in exchange therefor (x) a certificate representing that number of whole Parent Shares and (y) a check representing the amount of cash in lieu of fractional shares, if any, and unpaid dividends and distributions with respect to the Parent Shares as provided for in Section 3.3(c), if any, that such holder has the right to receive in respect of the Certificate surrendered pursuant to the provisions of this Article III, after giving effect to any required withholding Tax. No interest will be paid or accrued on the cash payable to holders of Shares. In the event of a transfer of ownership of Shares that is not registered in the transfer records of the Company, a certificate representing the proper number of Parent Shares, together with a check for the cash to be paid pursuant to this Section 3.3, if applicable, may be issued to such a transferee if such Certificate shall be properly endorsed or otherwise be in proper form for transfer and the transferee shall pay any transfer or other Taxes required by reason of the payment to a Person other than the registered holder of such Certificate or establish to the satisfaction of the Surviving Corporation that such Tax has been paid or is not applicable. The Surviving Corporation or the Exchange Agent shall be entitled to deduct and withhold from the

consideration otherwise payable pursuant to this Agreement such amounts as the Surviving Corporation or the Exchange Agent is required to deduct and withhold with respect to the making of such payment under the Code or under any provision of state, local or foreign Tax law. To the extent that amounts are so withheld by the Surviving Corporation or the Exchange Agent, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made.

(c) Dividends. Notwithstanding any other provisions of this Agreement, no dividends or other distributions declared with a record date on or after the Effective Time on Parent Shares shall be paid with respect to any Shares represented by a Certificate until such Certificate is surrendered for exchange as provided herein. Following surrender of any such Certificate, there shall be paid to the holder of the certificates representing whole Parent Shares issued in exchange therefor, without interest, (i) at the time of such surrender, the amount of dividends or other distributions with a record date after the Effective Time theretofore payable with respect to such whole Parent Shares and not paid, less the amount of any withholding Taxes which may be required thereon, and (ii) at the appropriate payment date or as promptly as practicable thereafter, the amount of dividends or other distributions with a record date after the Effective Time but prior to such surrender and a payment date subsequent to such surrender payable with respect to such whole Parent Shares, less the amount of any withholding Taxes which may be required thereon. The Surviving Corporation will provide or cause to be provided to the Exchange Agent the cash necessary to make the payments contemplated by this Section 3.3(c).

(d) No Fractional Securities. No fractional Parent Shares shall be issued pursuant hereto. In lieu of the issuance of any fraction of a Parent Share, cash adjustments will be paid to holders in respect of any fraction of a Parent Share that would otherwise be issuable, and the amount of such cash adjustment shall be equal to the product obtained by multiplying such shareholder's fraction of a Parent Share that would otherwise be issuable by the closing price per share of Parent Shares on the New York Stock Exchange Composite Transaction Tape on the Closing Date as reported by *The Wall Street Journal* (or, if not reported thereby, any other authoritative source).

(e) No Further Ownership Rights in Shares. All Parent Shares issued upon the surrender for exchange of Certificates in accordance with the terms of this Article III (including any cash paid pursuant to this Section 3.3) shall be deemed to have been issued in full satisfaction of all rights pertaining to the Shares theretofore represented by such Certificates. At the Effective Time, the stock transfer books of the Company shall be closed, and there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of the Shares that were outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates are presented to the Surviving Corporation or the Exchange Agent for any reason, they shall be cancelled and exchanged as provided in this Article III.

(f) Termination of Exchange Fund. Any portion of the Exchange Fund (including the proceeds of any investments thereof and any Parent Shares) which remains undistributed to the holders of Shares for 12 months after the Effective Time may be delivered to the Surviving Corporation, upon demand, and any holders of Shares who have not theretofore complied with this Article III and the instructions set forth in the letter of transmittal mailed to

such holders after the Effective Time shall thereafter look only to the Surviving Corporation or its agent (subject to abandoned property, escheat or other similar laws) for payment of their Parent Shares, cash and unpaid dividends and distributions on Parent Shares deliverable in respect of each Share such shareholder holds as determined pursuant to this Agreement, in each case, without any interest thereon.

(g) No Liability. None of Parent, the Surviving Corporation, the Company or the Exchange Agent shall be liable to any Person in respect of any amount properly delivered or deliverable to a public official pursuant to any applicable abandoned property, escheat or other similar law.

Section 3.4 Tax Consequences. It is intended by the parties hereto that the Merger shall constitute a "reorganization" within the meaning of Section 368(a) of the Code, and the parties hereto adopt this Agreement as a "plan of reorganization" for such purposes.

Section 3.5 Adjustment of Exchange Ratio. In the event that Parent changes or establishes a record date for changing the number of Parent Shares issued and outstanding as a result of a stock split, stock dividend, recapitalization, subdivision, reclassification, combination or similar transaction with respect to the outstanding Parent Shares and the record date therefor shall be prior to the Effective Time, the Exchange Ratio applicable to the Merger and any other calculations based on or relating to Parent Shares shall be appropriately, equitably and proportionately adjusted in light of such stock split, stock dividend, recapitalization, subdivision, reclassification, combination or similar transaction.

Section 3.6 Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent or the Exchange Agent, the posting by such Person of a bond, in such reasonable amount as Parent or the Exchange Agent may direct as indemnity against any claim that may be made against them with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the Parent Shares, any cash in lieu of fractional shares of Parent Shares to which the holders thereof are entitled pursuant to Section 3.3(d) and any dividends or other distributions to which the holders thereof are entitled pursuant to Section 3.3(c):

Section 3.7 Further Assurances. If at any time after the Effective Time the Surviving Corporation shall consider or be advised that any deeds, bills of sale, assignments or assurances or any other acts or things are necessary, desirable or proper (a) to vest, perfect or confirm, of record or otherwise, in the Surviving Corporation its right, title or interest in, to or under any of the rights, privileges, powers, franchises, properties, permits, licenses or assets of either of the Constituent Corporations, or (b) otherwise to carry out the purposes of this Agreement, the Surviving Corporation and its proper officers and directors or their designees shall be authorized to execute and deliver, in the name and on behalf of either of the Constituent Corporations, all such deeds, bills of sale, assignments and assurances and to do, in the name and on behalf of either Constituent Corporation, all such other acts and things as may be necessary, desirable or proper to vest, perfect or confirm the Surviving Corporation's right, title or interest in, to or under any of the rights, privileges, powers, franchises, properties or assets of such Constituent Corporation and otherwise to carry out the purposes of this Agreement.

Section 4.8 Information Supplied. None of the information supplied or to be supplied by the Company specifically for inclusion or incorporation by reference in Parent's registration statement on Form S-4 (together with any amendments or supplements thereto, the "Registration Statement"), pursuant to which Parent Shares issuable in the Merger will be registered, or the joint proxy statement/prospectus (together with any amendments or supplements thereto, the "Proxy Statement") relating to the Shareholders Meetings, will, in the case of the Registration Statement, at the time it becomes effective, and, in the case of the Proxy Statement, at the time it is first mailed to the shareholders of the Company or Parent and at the time of the Shareholders Meetings, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. The Proxy Statement will comply as to form in all material respects with the requirements of the Exchange Act, except that no representation or warranty is made by the Company with respect to statements made or incorporated by reference in the Proxy Statement based on information supplied by Parent or any of its representatives specifically for inclusion or incorporation by reference therein.

(a) The businesses of the Company and its Subsidiaries are not being and have not been conducted in violation of any law, ordinance or regulation of any Governmental Entity, except for violations that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company. The Company and each of its Subsidiaries is in possession of all franchises, grants, authorizations, licenses, permits, easements, variances, rights-of-way, exceptions, consents, certificates, approvals and orders of any Governmental Entity necessary for the Company and its Subsidiaries to own, lease and operate its properties or to carry on its business as it is now being conducted (the "Company Permits"), except where the failure to have any of the Company Permits would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company, and, as of the date of this Agreement, no suspension or cancellation of any of the Company Permits is pending or, to the Knowledge of the Company, threatened, except where the suspension or cancellation of any of the Company Permits would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company.

(b) The Company and each of its Subsidiaries is in compliance in all material respects with (i) the applicable provisions of the Sarbanes-Oxley Act of 2002 and the related rules and regulations promulgated thereunder or under the Exchange Act (the "Sarbanes-Oxley Act") and (ii) the applicable listing and corporate governance rules and regulations of the NYSE. Except as permitted by the Exchange Act, including Sections 13(k)(2) and (3), since the enactment of the Sarbanes-Oxley Act, neither the Company nor any of its Affiliates has made,

arranged or modified (in any material way) personal loans to any executive officer or director of the Company or any of its Subsidiaries.

(c) Each of the principal executive officer of the Company and of each Company Reporting Subsidiary and the principal financial officer of the Company and of each Company Reporting Subsidiary (or each former principal executive officer of the Company and of each Company Reporting Subsidiary and each former principal financial officer of the Company and of each Company Reporting Subsidiary, as applicable) has made all certifications required by Rule 13a-14 or 15d-14 under the Exchange Act or Sections 302 and 906 of the Sarbanes-Oxley Act and the rules and regulations of the SEC promulgated thereunder with respect to Company SEC Documents. For purposes of the preceding sentence, "principal executive officer" and "principal financial officer" shall have the meanings given to such terms in the Sarbanes-Oxley Act. (e) The Company has prepared a plan for the Company and each Company Reporting Subsidiary to comply with the requirements of Section 404 of the Sarbanes-Oxley Act on the date by which they must comply with such requirements. None of the Company or any Company Reporting Subsidiary is aware of any reason the Company or any Company Reporting Subsidiary will not comply with the requirements of Section 404 of the Sarbanes-Oxley Act on the applicable compliance date.

(f) Through the date hereof the Company has delivered to Parent copies of any written notifications it has received since December 31, 2001 of a (i) "reportable condition" or (ii) "material weakness" in the Company's internal controls. For purposes of this Agreement, the terms "reportable condition" and "material weakness" shall have the meanings assigned to them in the Statements of Auditing Standards No. 60, as in effect on the date hereof.

Section 4.10 Tax Matters. (a) (i) Each of the Company, each Subsidiary of the Company and each Company Group has timely filed all Tax Returns relating to Company Material Taxes required to be filed, except where the failure to timely file would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company, (ii) all such Tax Returns are complete and accurate and disclose all Company Material Taxes required to be paid by the Company, each Subsidiary of the Company and each Company Group for the periods covered thereby, except where the failure to be complete or accurate or to

disclose all Company Material Taxes would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company, (iii) none of the Company, any Subsidiary of the Company or any Company Group is currently the beneficiary of any extension of time within which to file any Tax Return relating to Company Material Taxes, (iv) all Company Material Taxes (whether or not shown on any Tax Return) owed by the Company, any Subsidiary of the Company or any Company Group have been timely paid, except where the failure to timely pay would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company, (v) neither the Company nor any Subsidiary of the Company has waived in writing or been requested in writing to waive any statute of limitations in respect of Company Material Taxes which waiver is currently in effect, (vi) the Tax Returns referred to in clause (i) (without regard to any Material Adverse Effect qualifier) have been examined by the appropriate taxing authority or the period for assessment of the Company Material Taxes in respect of which each such Tax Return was required to be filed (taking into account all applicable extensions and waivers) has expired, (vii) there is no action, suit, inquiry, investigation, audit, claim or assessment pending or, to the Knowledge of the Company, proposed in writing or threatened in writing with respect to Company Material Taxes or other material Taxes of the Company, any Subsidiary of the Company or any Company Group, (viii) all deficiencies asserted or assessments made as a result of any examination of any Tax Returns relating to Company Material Taxes required to be filed by the Company, any Subsidiary of the Company or any Company Group have been paid in full, (ix) there are no Liens for Company Material Taxes upon the assets of the Company or any Subsidiary of the Company except Liens relating to current Taxes not yet due or except to the extent such Liens would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company, (x) all Taxes which the Company or any Subsidiary of the Company are required by law to withhold or to collect for payment have been duly withheld and collected and have been either paid or accrued, reserved against and entered on the books of the Company, except where the failure to do any of the foregoing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company, (xi) to the Knowledge of the Company, neither the Company nor any Subsidiary of the Company has any material liability for Taxes of another Person under Treasury Regulation § 1.1502-6 (or any similar provision of state, local or foreign law), (xii) to the extent the Company, any Subsidiary of the Company or any Affiliate thereof has participated in a transaction that is described as a “reportable transaction” within the meaning of Treasury Regulation § 1.6011-4(b)(1), such participation has been adequately disclosed to the IRS on IRS Form 8886 (Reportable Transaction Disclosure Statement) (or predecessor Form) or on a written attachment to such Form or predecessor Form, (xiii) the accruals for Taxes reflected in the consolidated financial statements of the Company represent the Company’s best estimate of the amounts required to be so reflected as of the dates hereof and (xiv) during the last three years, none of the Company or any Subsidiary of the Company has been a party to any transaction (other than a transaction described in Section 355(e)(2)(C) of the Code) treated by the parties thereto as one to which Section 355 of the Code (or any similar provision of state, local or foreign law) applied. For purposes of the representations and warranties contained in this Section 4.10(a), references to the Company or any Subsidiary of the Company shall include, except where the context requires otherwise, any predecessor thereof.

(b) The Company has delivered to Parent a correct and complete summary (i) by year, of all items of income, gain, loss, deduction and credit of the Company (or any

predecessor) or any Subsidiary of the Company (or any predecessor) that has been or is expected to be generated by any Listed Transaction, (ii) of any material income or gain of the Company (or any predecessor) or any Subsidiary of the Company (or any predecessor) deferred pursuant to Treasury Regulation §§ 1.1502-13 or -14, or any similar or predecessor Treasury Regulation, whether proposed, temporary or final and (iii) of any excess loss account (as described in Treasury Regulation §§ 1.1502-19 and 1.1502-32) that exists with respect to the stock of any Subsidiary of the Company.

(c) No transaction contemplated by this Agreement is subject to withholding under Section 1445 of the Code and no stock transfer Taxes, sales Taxes, use Taxes, real estate transfer or gains Taxes, or other similar Taxes will be imposed on the transactions contemplated by this Agreement, except such Taxes so imposed that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company.

(d) Neither the Company nor any of its Affiliates has taken or agreed to take any action that, to the Knowledge of the Company, will (or will be reasonably likely to) prevent the Merger from qualifying as a "reorganization" within the meaning of Section 368(a) of the Code. To the Knowledge of the Company, the representations set forth in the Company Tax Certificate, if made on the date hereof (assuming the Merger were consummated on the date hereof and based on reasonable estimates in the case of certain information not available on the date hereof), would be true and correct in all material respects.

Section 4.11 Litigation. There is no suit, action, proceeding or investigation pending or, to the Knowledge of the Company threatened against the Company or any of its Affiliates that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company. Neither the Company nor any of its Affiliates is subject to any outstanding judgment, order, writ, injunction or decree that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company.

Section 4.12 Benefit Plans. (a) Item 4.12(a) of the Company Letter sets forth a true and complete list of each Benefit Plan (including each ERISA Benefit Plan) maintained by the Company and its Subsidiaries. Except as required by law, neither the Company nor any of its Subsidiaries has adopted or amended in any material respect any Benefit Plan since the date of the most recent audited financial statements included in the Company Filed SEC Documents. As of the date of this Agreement, none of the Company, its Subsidiaries or any trade or business which is treated as a single employer ("ERISA Affiliate") with the Company under Section 414(b), (c), (m) or (o) of the Code contributes to any ERISA Benefit Plan that is a "multiemployer plan" (as defined in Section 3(37) of ERISA) or maintains any ERISA Benefit Plan that is subject to Title IV of ERISA or Section 412 of the Code. As of the date of this Agreement there exists no material Contract, commitment, understanding, plan, policy or arrangement of any kind, whether written or oral, with or for the benefit of any current or former officer, director, employee or consultant, including each employment, compensation, deferred compensation, severance, supplemental pension, life insurance, termination or consulting Contract or arrangement and any Contracts or arrangements associated with a change in control between the Company or any of its Subsidiaries and any current or former employee, officer, director or consultant of the Company or any of its Subsidiaries ("Compensation Commitments"). As of the date of this Agreement, neither the Company nor any of its

Subsidiaries maintains or contributes to any Benefit Plans or employs any employees outside of the United States.

(b) With respect to each Benefit Plan listed on Item 4.12(a) of the Company Letter, correct and complete copies, where applicable, of the following documents have been made available to Parent: (i) all Benefit Plan documents and amendments, trust agreements and insurance and annuity contracts and policies, (ii) the most recent IRS determination letter or *opinion letter if the Benefit Plan is intended to satisfy the requirements for Tax favored treatment* pursuant to Sections 401-417 of the Code, (iii) the Annual Reports (Form 5500 Series) and accompanying schedules, as filed, for the three most recently completed plan years, (iv) any discrimination or coverage tests performed during the last two plan years and (v) the current summary plan description. True and complete copies of all written Compensation Commitments and of all related insurance and annuity policies and contracts and other documents with respect to each Compensation Commitment have been made available to Parent. Item 4.12(b) of the Company Letter contains a true and complete description of all material oral Compensation Commitments.

(c) Each Benefit Plan listed on Item 4.12(a) of the Company Letter which is intended to be a Qualified Plan has received a favorable determination letter from the IRS that such plan is so qualified under the Code (or an application for such letter has been or will be submitted to the IRS within the applicable remedial amendment period) or has been established pursuant to a prototype plan that has received a favorable opinion letter from the IRS, and no circumstance exists which, might cause such plan to cease being so qualified except for any circumstance that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company. Each Benefit Plan listed on Item 4.12(a) of the Company Letter complies and has been maintained in all respects with its terms and all requirements of law and regulations applicable thereto, and there has been no notice issued by any Governmental Entity questioning or challenging such compliance, except for any circumstance that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company. Neither the Company nor any of its Subsidiaries has taken any action within the 12-month period ending on the date hereof to take corrective action or make a filing under any voluntary correction program of the IRS, Department of Labor or any other Governmental Entity with respect to any Benefit Plan or Compensation Commitment, and neither the Company nor any of its Subsidiaries has any Knowledge of any plan defect which would qualify for correction under any such program, except for any action, filing or plan defect that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company. There is no dispute, arbitration, grievance, action, suit or claim (other than routine claims for benefits) pending or, to the Knowledge of the Company, threatened involving such Benefit Plans or the assets of such plans that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company. Neither the Company nor any of its Subsidiaries has any obligation under any welfare plans or otherwise to provide health or death benefits to or in respect of former employees of the Company or any of its Subsidiaries, except as specifically required by the continuation requirements of Part 6 of Title I of ERISA or applicable state law. No plan or arrangement disclosed on Item 4.12(c) of the Company Letter that provides health or death benefits to or in respect of former employees of the Company or any of its Subsidiaries contains provisions that by their terms prohibit the Company or its Subsidiaries from amending or terminating such plan or arrangement at any time

without the consent of any other Person and without incurring liability thereunder other than in respect of claims incurred prior to such amendment or termination. Neither the Company nor any of its Subsidiaries has, directly or indirectly, any liability (i) on account of any violation of the health care requirements of Part 6 of Title I of ERISA or Section 4980B of the Code, (ii) under Section 502(i) or Section 502(l) of ERISA or Section 4975 of the Code, (iii) under Section 302 of ERISA or Section 412 of the Code or (iv) under Title IV of ERISA that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company.

(d) The Company and its Subsidiaries have not, within the 12-month period ending on the date hereof, incurred and do not expect to incur any material withdrawal liability with respect to a "multiemployer plan" (within the meaning of Section 3(3) of ERISA) (a "Multiemployer Plan") (regardless of whether based on contributions of an ERISA Affiliate of the Company). No notice of a "reportable event," within the meaning of Section 4043 of ERISA for which the 30-day reporting requirement has not been waived or extended, other than pursuant to Pension Benefit Guaranty Corporation ("PBGC") Reg. Section 4043.66, has been required to be filed for any pension plan or by any ERISA Affiliate of the Company within the 12-month period ending on the date hereof or will be required to be filed in connection with the transactions contemplated by this Agreement.

(e) All contributions or premiums required to be paid under the terms of any Benefit Plan maintained by the Company or any of its Subsidiaries, collective bargaining agreement or by any applicable laws as of the date hereof have been timely made or have been reflected on the most recent consolidated balance sheet filed or incorporated by reference in the Company Filed SEC Documents. No Benefit Plan maintained by the Company or any of its Subsidiaries that is subject to Section 412 of the Code or Section 302 of ERISA has an "accumulated funding deficiency" (whether or not waived) within the meaning of Section 412 of the Code or Section 302 of ERISA and neither the Company nor any of its Subsidiaries has an outstanding funding waiver. Neither the Company nor any of its Subsidiaries has provided, or is required to provide, security to any Benefit Plan pursuant to Section 401(a)(29) of the Code.

(f) Under each Benefit Plan maintained by the Company or any of its Subsidiaries which is a single-employer plan (as defined in Section 4001(a)(15) of ERISA), as of the last day of the most recent plan year ended prior to the date hereof, the actuarially determined present value of all "benefit liabilities," within the meaning of Section 4001(a)(16) of ERISA (as determined on the basis of the actuarial assumptions contained in the Benefit Plan's most recent actuarial valuation), did not exceed the then current value of the assets of such Benefit Plan by more than \$400 million as of the date hereof, and there has been no material adverse change in the financial condition of such Benefit Plan since the last day of the most recent plan year.

(g) None of the execution and delivery of this Agreement, approval of this Agreement, or consummation of the transactions contemplated by this Agreement will: (i) entitle any employees of the Company or its Subsidiaries to severance pay or any increase in severance pay upon termination of employment, (ii) accelerate the time of payment or vesting or trigger any payment of compensation or benefits under, increase the amount payable or trigger any other material obligation pursuant to, any of the Benefit Plans or Compensation Commitments, (iii) result in any breach or violation of, or a default under, any of the Benefit Plans or Compensation

Commitments, (iv) limit or restrict the right of the Company or, after the consummation of the transactions contemplated hereby, Parent or any of its Subsidiaries to merge, amend or terminate any of the Benefit Plans maintained by the Company or any of its Subsidiaries or Compensation Commitments, (v) cause the Company or any of its Subsidiaries or, after the consummation of the transactions contemplated hereby, Parent or any of its Subsidiaries to record additional compensation expense on its income statement with respect to any outstanding stock option or other equity-based award or (vi) result in payments under any of the Benefit Plans or Compensation Commitments that are not deductible pursuant to Section 162(m) or Section 280G of the Code.

(h) All Benefit Plans and Compensation Commitments covering current or former employees employed by the Company and its Subsidiaries outside the United States, or their dependents or beneficiaries ("Company Non-US Compensation and Benefit Plans"), are and have been registered, qualified, invested and administered in all material respects in accordance with applicable local law and the terms of such Company Non-US Compensation and Benefit Plans. The Company and its Subsidiaries have complied with all material obligations under such Company Non-US Compensation and Benefit Plans and there is no proceeding, action, complaint, investigation or claim in respect of any Company Non-US Compensation and Benefit Plan initiated by any Governmental Entity or any other Person (other than routine inquiries and claims for benefits that would not, individually or in the aggregate reasonably be expected to have a Material Adverse Effect on the Company). Each Company Non-US Compensation and Benefit Plan which is a funded plan is fully funded as of the last actuarial valuation date on both a going concern and a solvency basis pursuant to the actuarial assumptions and methodology utilized in the most recent actuarial valuation therefor as filed with the applicable regulatory authorities, except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company. None of the Company Non-US Compensation and Benefit Plans (other than pension plans) provide benefits to retired employees or to the beneficiaries or dependents of retired employees, except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company.

(i) As a direct or indirect result of the transactions contemplated by this Agreement, no payment or other benefit, and no acceleration of the vesting of any options, payments or other benefits, will be (or under Section 280G of the Code and the Treasury Regulations thereunder will be presumed to be) a "parachute payment" to a "disqualified individual" as those terms are defined in Section 280G of the Code and the Treasury Regulations thereunder, without regard to whether such payment or acceleration is reasonable compensation for personal services performed or to be performed in the future.

Section 4.13 Labor Matters. (a) Each of the Company and its Subsidiaries has complied with all applicable requirements of law which relate to prices, wages, hours, discrimination in employment and collective bargaining and to the operation of its business and is not liable for any arrears of wages or any withholding Taxes or penalties for failure to comply with any of the foregoing, except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company. Neither the Company nor any of its Subsidiaries is a party to any collective bargaining agreement or labor Contract, and to the Knowledge of the Company, there are currently no union organizing activities related to the Company or any of its

Subsidiaries. Neither the Company nor any of its Subsidiaries has engaged in any unfair labor practice with respect to any Persons employed by or otherwise performing services primarily for the Company or any of its Subsidiaries (the "Company Business Personnel"), and neither the Company nor any of its Subsidiaries has received written notice of any unfair labor practice charge or complaint against the Company or any of its Subsidiaries by the National Labor Relations Board or any comparable state agency pending or threatened in writing with respect to Company Business Personnel, except, in each case, as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company.

(b) There is (i) no labor strike, dispute, slowdown or stoppage pending or, to the Knowledge of the Company, threatened against or affecting the Company or any of its Subsidiaries that could interfere with the respective business activities of the Company or any of its Subsidiaries, except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company and (ii) no pending or, to the Knowledge of the Company, threatened employee or governmental claim or investigation regarding employment matters, including any charges to the Equal Employment Opportunity Commission or state employment practice agency or investigations regarding Fair Labor Standards Act or similar state law or other wage and hour compliance, or audits by the Office of Federal Contractor Compliance Programs, except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company.

Section 4.14 Environmental Matters. Except for matters that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company: (i) the Company and its Subsidiaries have complied at all times with all applicable Environmental Laws and all Company Permits issued pursuant to Environmental Laws, (ii) to the Knowledge of the Company, no property currently owned or operated by the Company or any of its Subsidiaries (including soils, groundwater, surface water, buildings or other structures) contains or is contaminated with any Hazardous Substance of a type or quantity which would reasonably be expected to require remediation pursuant to any Environmental Law, (iii) to the Knowledge of the Company, no property formerly owned or operated by the Company or any of its Subsidiaries contained or was contaminated with any Hazardous Substance during or prior to such period of ownership or operation of a type or quantity which would reasonably be expected to require remediation pursuant to any Environmental Law, (iv) none of the Company or any of its Subsidiaries is liable for any Hazardous Substance release, disposal or contamination on any third party property, (v) neither the Company nor any of its Subsidiaries has received any notice, demand, letter, claim or request for information alleging that the Company or any of its Subsidiaries is or may be in violation of or subject to liability under any Environmental Law (including claims of exposure, personal injury or property damage), (vi) neither the Company nor any of its Subsidiaries is party to any proceeding, or subject to any order, decree, injunction, indemnity or other agreement with any Governmental Entity or any third party resolving or relating to violations of or liability under any Environmental Law or liability with respect to Hazardous Substances and (vii) there are no other circumstances or conditions involving the Company or any of its Subsidiaries, or their respective properties or operations, including, to the Knowledge of the Company, any pending Environmental Law, that would reasonably be expected to result in any claim, liability, investigation, increased costs to comply or restriction on the operation, ownership, use, or transfer of any property or operation pursuant to any Environmental Law.

Section 4.15 Regulation as a Utility. Public Service Electric and Gas Company is regulated as a public utility by the State of New Jersey and by no other state. Except as set forth above, neither the Company nor any “subsidiary company” or “affiliate” of the Company is subject to regulation as a public utility or public service company (or similar designation) by any other state in the United States or any foreign country. The Company is a public utility holding company as defined by PUHCA, but currently claims exemption from registration under PUHCA pursuant to Rule 2 of the SEC issued under PUHCA.

(a) The operations of the nuclear generation stations currently owned, in whole or part, by the Company or any of its Affiliates (collectively, the “Company Nuclear Facilities”) are and have been conducted in compliance with all applicable laws and the Company Permits, except for such failures to comply that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company. Each of the Company Nuclear Facilities maintains, and is in compliance with, (i) emergency plans designed to respond to an unplanned release of a Hazardous Substance therefrom of radioactive materials and (ii) plans for the storage and disposal of spent nuclear fuel, and each such plan enumerated in clauses (i) and (ii) conforms with the requirements of applicable law.

(b) The Company has funded to the extent required consistent with NRC regulations the decommissioning costs of each Company Nuclear Facility.

(d) The Company makes no representation under Section 4.16(a) or (c) with respect to any Company Nuclear Facility for any periods during which such Company Nuclear Facility was operated by Parent or a Subsidiary of Parent (including any periods during which Parent or any of its Subsidiaries operated such Company Nuclear Facility under the OSC).

Section 4.17 Regulatory Proceedings. Other than fuel adjustment or purchase gas adjustment or similar adjusting rate mechanisms, none of the Company nor any of its Subsidiaries all or part of whose rates or services are regulated by a Governmental Entity (a) is a party to any rate proceeding before a Governmental Entity with respect to rates charged by the Company or any of its Subsidiaries other than in the ordinary course consistent with past practice, (b) has rates in any amounts that have been or are being collected subject to refund, pending final resolution of any rate proceeding pending before a Governmental Entity or on appeal to a court or (c) is a party to any Contract with any Governmental Entity entered into other than in the ordinary course consistent with past practice imposing conditions on rates or services in effect as of the date hereof or which, to the Knowledge of the Company, are as of the date hereof scheduled to go into effect at a later time, except in case of clauses (a) through (c) that would not, individually or in the aggregate, reasonably be expected to have a Material

Adverse Effect on the Company. No representation or warranty with respect to the Company Permits is made by this Section 4.17.

Section 4.18 Trading. The Company has established risk parameters, limits and guidelines in compliance with the risk management policy approved by the Company's Board of Directors (the "Company Trading Guidelines") to restrict the level of risk that the Company and its Subsidiaries are authorized to take with respect to, among other things, the net position resulting from all Company Trading (the "Net Company Position") and monitors compliance by the Company and its Subsidiaries with such Company Trading Guidelines. The Company has provided a copy of the Company Trading Guidelines to Parent prior to the date of this Agreement. As of the date of this Agreement, (i) the Net Company Position is within the risk parameters that are set forth in the Company Trading Guidelines and (ii) the exposure of the Company and its Subsidiaries with respect to the Net Company Position resulting from all such transactions is not material to the Company and its Subsidiaries taken as a whole. From December 31, 2003 to the date of this Agreement, the Company and its Subsidiaries have not, in accordance with generally recognized mark to market accounting policies, experienced an aggregate net loss in its Company Trading and related operations that would be material to the Company and its Subsidiaries taken as a whole.

Neither the Company nor any of its Subsidiaries has infringed, misappropriated or violated in any material respect any Intellectual Property Rights of any third party except where such infringement, misappropriation or violation would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company. No third party infringes, misappropriates or violates any Intellectual Property Rights owned or exclusively licensed by or to the Company or any of its Subsidiaries, except where such infringement, misappropriation or violation would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company.

The affirmative vote of the holders of a majority of the shares of Company Common Stock voting at the Company Shareholders Meeting (provided that at least a majority of the shares of Company Common Stock are represented in person or by proxy at such meeting) approving this Agreement is the only vote of the holders of any class or series of the Company's or any of its Subsidiaries' Capital Stock necessary to approve this Agreement and the transactions contemplated by this Agreement.

Section 4.21 State Takeover Statutes. Assuming Parent does not beneficially own 10% or more of the Shares on the date hereof, the action of the Board of Directors of the Company in approving the Merger, this Agreement and the transactions contemplated by this Agreement is sufficient to render inapplicable to Parent, the Merger and this Agreement the provisions of Section 14A:10-A4 and Section 14A:10-A5 of the NJBCA, the Corporation Takeover Bid Disclosure Law and Article 9 of the Certificate of Incorporation of the Company. Assuming

Parent does not beneficially own 10% or more of the Shares on the date hereof, no New Jersey "fair price," "moratorium," "control share acquisition" or other similar anti-takeover statute or regulation or any anti-takeover provision in the Company's Certificate of Incorporation or By-laws is, or at the Effective Time will be, applicable to the Company, Company Common Stock, Parent, the Merger or the other transactions contemplated by this Agreement.

Section 4.24 Title to Properties. The Company or its applicable Subsidiary has good and sufficient title in and to each material parcel of real property owned by the Company or any of its Subsidiaries, subject to no Liens that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company or materially impair the Company's or its Subsidiary's rights to or ability to use any such property.

Section 4.25 Material Contracts. Item 5.13(b) of the Parent Letter contains a true and complete description of all material oral Parent Compensation Commitments.

(c) Each Benefit Plan listed on Item 5.13(a) of the Parent Letter which is intended to be a Qualified Plan has received a favorable determination letter from the IRS that such plan is so qualified under the Code (or an application for such letter has been or will be submitted to the IRS within the applicable remedial amendment period) or has been established pursuant to a prototype plan that has received a favorable opinion letter from the IRS, and no circumstance exists which might cause such plan to cease being so qualified except for any circumstance that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Parent. Each Benefit Plan listed on Item 5.13(a) of the Parent Letter complies and has been maintained in all respects with its terms and all requirements of law and regulations applicable thereto, and there has been no notice issued by any Governmental Entity questioning or challenging such compliance, except for any circumstance that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Parent. Neither Parent nor any of its Subsidiaries has taken any action within the 12-month period ending on the date hereof to take corrective action or make a filing under any voluntary correction program of the IRS, Department of Labor or any other Governmental Entity with respect to any Benefit Plan or Parent Compensation Commitment, and neither Parent nor any of its Subsidiaries has any Knowledge of any plan defect which would qualify for correction under any such program, except for any action, filing or plan defect that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Parent. There is no dispute, arbitration, grievance, action, suit or claim (other than routine claims for benefits) pending or, to the Knowledge of Parent, threatened involving such Benefit Plans or the assets of such plans that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Parent. plans or otherwise to provide health or death benefits to or in respect of former employees of Parent or any of its Subsidiaries, except as specifically required by the continuation requirements of Part 6 of Title I of ERISA or applicable state law. No plan or arrangement disclosed on Item 5.13(c) of the Parent Letter that provides health or death benefits to or in respect of former employees of Parent or any of its Subsidiaries contains provisions that by their terms prohibit Parent or its Subsidiaries from amending or terminating such plan or arrangement at any time without the consent of any other Person and without incurring liability thereunder other than in respect of claims incurred prior to such amendment or termination. Neither Parent nor any of its Subsidiaries has, directly or indirectly, any liability (i) on account of any violation of the health care requirements of Part 6 of Title I of ERISA or Section 4980B of the Code, (ii) under Section 502(i) or Section 502(l) of ERISA or Section 4975 of the Code, (iii) under Section 302 of ERISA or Section 412 of the Code or (iv) under Title IV of ERISA that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Parent.

(d) Parent and its Subsidiaries have not, within the 12-month period ending on the date hereof, incurred and do not expect to incur any material withdrawal liability with respect to a Multiemployer Plan (regardless of whether based on contributions of an ERISA Affiliate of Parent). Section 4043.66, has been required to be filed for any pension plan or by any ERISA Affiliate of Parent within the 12-month period ending on the date hereof or will be required to be filed in connection with the transactions contemplated by this Agreement.

Neither Parent nor any of its Subsidiaries has provided, or is required to provide, security to any Benefit Plan pursuant to Section 401(a)(29) of the Code.

(f) Under each Benefit Plan maintained by Parent or any of its Subsidiaries which is a single-employer plan (as defined in Section 4001(a)(15) of ERISA), as of the last day of the most recent plan year ended prior to the date hereof, the actuarially determined present value of all "benefit liabilities," within the meaning of Section 4001(a)(16) of ERISA (as determined on the basis of the actuarial assumptions contained in the Benefit Plan's most recent actuarial valuation), did not exceed the then current value of the assets of such Benefit Plan by more than \$2,400,000,000 as of the date hereof, and there has been no material adverse change in the financial condition of such Benefit Plan since the last day of the most recent plan year.

payment of compensation or benefits under, increase the amount payable or trigger any other material obligation pursuant to, any of the Benefit Plans or Parent Compensation Commitments, (iii) result in any breach or violation of, or a default under, any of the Benefit Plans or Parent Compensation Commitments, (iv) limit or restrict the right of Parent or any of its Subsidiaries to merge, amend or terminate any of the Benefit Plans maintained by Parent or any of its Subsidiaries or Parent Compensation Commitments, (v) cause Parent or any of its Subsidiaries to record additional compensation expense on its income statement with respect to any outstanding stock option or other equity-based award or (vi) result in payments under any of the Benefit Plans or Parent Compensation Commitments that are not deductible pursuant to Section 162(m) or Section 280G of the Code.

(h) All Benefit Plans and Parent Compensation Commitments covering current or former employees employed by Parent and its Subsidiaries outside the United States, or their dependents or beneficiaries ("Parent Non-US Compensation and Benefit Plans"), are and have been registered, qualified, invested and administered in all material respects in accordance with applicable local law and the terms of such Parent Non-US Compensation and Benefit Plans. Parent and its Subsidiaries have complied with all material obligations under such Parent Non-US Compensation and Benefit Plans and there is no proceeding, action, complaint, investigation or claim in respect of any Parent Non-US Compensation and Benefit Plan initiated by any Governmental Entity or any other Person (other than routine inquiries and claims for benefits that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Parent). Each Parent Non-US Compensation and Benefit Plan which is a funded plan is fully funded as of the last actuarial valuation date on both a going concern and a solvency basis pursuant to the actuarial assumptions and methodology utilized in the most recent actuarial valuation therefor as filed with the applicable regulatory authorities. None of the Parent Non-US Compensation and Benefit Plans (other than pension plans) provide benefits to retired employees or to the beneficiaries or dependents of retired employees.

(i) As a direct or indirect result of the transactions contemplated by this Agreement, no payment or other benefit, and no acceleration of the vesting of any options, payments or other benefits, will be (or under Section 280G of the Code and the Treasury Regulations thereunder will be presumed to be) a "parachute payment" to a "disqualified individual" as those terms are defined in Section 280G of the Code and the Treasury Regulations thereunder, without regard to whether such payment or acceleration is reasonable compensation for personal services performed or to be performed in the future.

(b) None of ENEH or any of its Subsidiaries is a party to any Contract whereunder a failure to satisfy a condition thereunder, a failure to meet a requirement thereof, a breach thereof or a default thereunder would, individually or in the aggregate, reasonably be expected to (i) result in a breach or default under any Parent Indebtedness or any Parent Material Contract (in each case, other than Parent Indebtedness under which ENEH or any of its Subsidiaries is the sole obligor or guarantor or any Parent Material Contract to which ENEH or any of its Subsidiaries is a party and none of Parent or any of its other Subsidiaries is a party or guarantor), (ii) require Parent or any of its Subsidiaries (other than ENEH and its Subsidiaries) to pay cash or provide materials or services or make any capital contributions to ENEH, any of its Subsidiaries or any third Person or (iii) otherwise be recourse to Parent or any of its Subsidiaries (other than ENEH and its Subsidiaries).

(c) None of ENEH or any of its Subsidiaries is subject to any law, rule, regulation or order whereunder a failure to satisfy a condition thereunder, a failure to meet a requirement thereof, or a violation thereof would, individually or in the aggregate, reasonably be expected to (i) result in a breach or default under any Parent Indebtedness or any Parent Material Contract (in each case, other than Parent Indebtedness under which ENEH or any of its Subsidiaries is the sole obligor or guarantor or any Parent Material Contract to which ENEH or any of its Subsidiaries is a party and none of Parent or any of its other Subsidiaries is a party or guarantor), (ii) require Parent or any of its Subsidiaries (other than ENEH and its Subsidiaries) to pay cash or provide materials or services or make any capital contributions to ENEH, any of its

Subsidiaries or any third Person or (iii) grant ENEH, any of its Subsidiaries or any third Person recourse to Parent or any of its Subsidiaries (other than ENEH and its Subsidiaries).

Section 6.2 No Solicitation. (a) From the date hereof until the earlier of the Effective Time or the date on which this Agreement is terminated in accordance with the terms hereof, the Company shall not, nor shall it permit any of its Subsidiaries to, nor shall it or its Subsidiaries authorize or permit any of their respective officers, directors, employees, representatives or agents to, directly or indirectly, (i) solicit, initiate or knowingly encourage or facilitate (including by way of furnishing non-public information) any inquiries regarding, or the making of any proposal which constitutes or that may reasonably be expected to lead to, any Takeover Proposal, (ii) enter into any letter of intent or agreement related to any Takeover Proposal (each, an "Acquisition Agreement") or (iii) participate in any discussions or negotiations regarding, or take any other action to facilitate any inquiries or the making of any proposal that constitutes, or that may reasonably be expected to lead to, any Takeover Proposal; provided, however, that if, at any time after the date hereof and prior to the Company Shareholders Meeting the Company receives an unsolicited *bona fide* written Takeover Proposal from any third Person that in the reasonable good faith judgment of the Company's Board of Directors constitutes a Superior Proposal and the Board of Directors of the Company determines in its reasonable good faith judgment, after consultation with outside counsel, that it would be required to do so by its fiduciary duties under applicable law, the Company may, in response to such Superior Proposal, (x) furnish information with respect to the Company to any such Person pursuant to a confidentiality agreement no more favorable to such Person than the Confidentiality Agreement is to Parent and (y) participate in negotiations with such Person regarding such Superior Proposal if (A) prior to furnishing such non-public information to, or entering into discussions or negotiations with, such third Person the Company or any of its Subsidiaries provides at least three business days advance written notice to Parent of the identity of the third Person making, and the proposed terms and conditions of, such Superior Proposal and a copy of all written materials delivered by such third Person to the Company or any of its Subsidiaries, (B) the Company shall have provided to Parent a copy of all written materials delivered to the third Person making the Superior Proposal in connection with such Superior Proposal and made available to Parent all materials and information made available to the third Person making the Superior Proposal in connection with such Superior Proposal and (C) the Company shall have fully complied with this Section 6.2. For purposes of this Agreement, "Takeover Proposal" means any inquiry, proposal or offer from any Person (other than Parent and its Affiliates) relating to any direct or indirect acquisition or purchase of 20% or more of the assets of the Company and its Significant Subsidiaries or 20% or more of the voting power of the Capital Stock of the Company or the Capital Stock of any of its Significant

Subsidiaries then outstanding, any tender offer or exchange offer that if consummated would result in any Person beneficially owning 20% or more of the voting power of the capital stock of the Company or the Capital Stock of such Subsidiaries then outstanding, or any merger, consolidation, business combination, recapitalization, liquidation, dissolution or similar transaction involving the Company or any of its Significant Subsidiaries, other than the transactions with Parent contemplated by this Agreement. For purposes of this Agreement, a "Superior Proposal" means any unsolicited *bona fide* written offer made by any Person (other than Parent and its Affiliates) to acquire, directly or indirectly, for consideration consisting of cash and/or securities, more than 50% of the voting power of the capital stock of the Company then outstanding or all or substantially all the assets of the Company and otherwise on terms which the Board of Directors of the Company determines in its reasonable good faith judgment (after consultation with its financial advisors) to be more favorable, from a financial point of view, to the Company's shareholders than the Merger (and any revised proposal made by Parent), which is not conditioned on any financing and which is reasonably likely to receive all required governmental approvals in the form of Final Orders prior to the End Date and is otherwise reasonably capable of being completed on the terms proposed (taking into account the ability to deliver any consideration to be paid in connection with such transaction).

(b) Except as set forth in Section 9.1(e), neither the Board of Directors of the Company nor any committee thereof shall (i) withdraw, qualify or modify, or propose to withdraw, qualify or modify, in a manner adverse to Parent, the approval by such Board of Directors of the Merger and this Agreement or the recommendation by such Board of Directors of this Agreement or such Board of Directors declaration that this Agreement and the Merger are advisable and fair to, and in the best interests of, the Company and its shareholders, or take any other action or make any other statement in connection with the Company Shareholders Meeting inconsistent with such recommendation, approval or declaration, (ii) approve or recommend, or propose to approve or recommend, any Takeover Proposal or (iii) authorize or permit the Company or any of its Subsidiaries to enter into any Acquisition Agreement.

(c) Nothing contained in this Section 6.2 shall prohibit the Company from complying with Rules 14d-9 or 14e-2 promulgated under the Exchange Act with respect to a Takeover Proposal; provided, however, that compliance with such rules shall not in any way limit or modify the effect that any action taken pursuant to such rules has under any other provision of this Agreement, including Section 9.1(d).

(d) The Company agrees that it and its Subsidiaries shall, and the Company shall direct and cause its and its Subsidiaries' respective officers, directors, employees, representatives and agents to, immediately cease and cause to be terminated any activities, discussions or negotiations with any Persons with respect to any Takeover Proposal. The Company agrees that it will notify Parent in writing as promptly as practicable (and in any event within 18 hours) after any Takeover Proposal is received by, any information is requested from, or any discussions or negotiations relating to a Takeover Proposal are sought to be initiated or continued with, the Company, its Subsidiaries, or their officers, directors, employees, representatives or agents. The notice shall indicate the name of the Person making such Takeover Proposal or taking such action, the material terms and conditions of any proposals or offers and a copy of all written materials delivered by such Person making the Takeover Proposal to the Company or any of its Subsidiaries, and thereafter the Company shall keep Parent informed, on a current basis, of the

status and materials terms of any such proposals or offers and the status of any such discussions or negotiations and provide Parent with copies of all written materials delivered by such Person making the Takeover Proposal to the Company or any of its Subsidiaries. The Company also agrees that it will promptly request each Person that has heretofore executed a confidentiality agreement in connection with any Takeover Proposal to return or destroy all confidential information heretofore furnished to such Person by or on behalf of it or any of its Subsidiaries.

Section 6.3 Third Party Standstill Agreements. During the period from the date of this Agreement through the Effective Time, the Company shall enforce and shall not terminate, amend, modify or waive any standstill or employee non-solicitation provision of any confidentiality, standstill, employee non-solicitation or similar agreement between the Company and any other Persons which relates to any transaction that could constitute a Takeover Proposal or that has as a counterparty any Person other than Parent. During such period, the Company agrees to enforce, to the fullest extent permitted under applicable law, the provisions of any such agreements, including using its reasonable best efforts to obtain injunctions to prevent any threatened or actual breach of such agreements and to enforce specifically the terms and any provision thereof in any court of the United States or any state thereof having jurisdiction.

Section 6.4 Disclosure of Certain Matters; Delivery of Certain Filings. (a) The Company shall promptly advise Parent orally and in writing if, to the Knowledge of the Company, there exists a material breach of a representation or warranty made by the Company contained herein or if there occurs, to the Knowledge of the Company, any change or event which results in the executive officers of the Company having a good faith belief that such change or event has resulted in, or is reasonably likely to result in, a material breach of a representation or warranty made by the Company contained herein. Parent shall promptly advise the Company orally and in writing, to the Knowledge of Parent, if there exists a material breach of a representation or warranty made by Parent contained herein or if there occurs, to the Knowledge of Parent, any change or event which results in the executive officers of Parent having a good faith belief that such change or event has resulted in, or is reasonably likely to result in, a material breach of a representation or warranty made by Parent contained herein. The Company shall provide to Parent, and Parent shall provide to the Company, copies of all filings made by the Company or Parent, as the case may be, with any Governmental Entity in connection with this Agreement and the transactions contemplated hereby.

(b) To the extent permitted by applicable law, the Company shall, and shall cause its Subsidiaries to, promptly notify Parent in writing of (i) any written communications with or notice from any taxing authority relating to any Listed Transaction (excluding information document or similar requests from any taxing authority) or (ii) any material change in the appraised value of any property leased pursuant to a Leveraged Lease. To the extent permitted by applicable law, the Company shall not, and shall not permit its Subsidiaries or any of their respective officers, employees or other representatives or agents to participate in any formal discussions or negotiations with any taxing authority related to the foregoing, unless, in each case, it consults with Parent in advance of such discussions or negotiations.

(c) To the extent permitted by applicable law, Parent and the Company shall, and shall cause their respective Subsidiaries to, promptly notify the Company or Parent, as the case may be, of any written communication with or notice from any taxing authority relating to any

material Tax audit or examination relating to any Parent Material Taxes or Company Material Taxes, as the case may be (excluding information document or similar requests from any taxing authority), any extension of any statute of limitations relating to Parent Material Taxes or Company Material Taxes, as the case may be or any change in method of accounting relating to Parent Material Taxes or Company Material Taxes, as the case may be.

(d) To the extent permitted by applicable law, each of the parties shall, and shall cause its Subsidiaries to, consult with the other party with respect to negotiations relating to the renewal of any collective bargaining agreement. No consultation in accordance with this Section 6.4(d) shall be deemed to be a consent by either party to any action proposed by the other party with respect to renewal of a collective bargaining agreement.

Section 6.5 Reorganization. During the period from the date of this Agreement through the Effective Time, unless the other party shall otherwise agree in writing, none of Parent, the Company or any of their respective Subsidiaries shall take or fail to take any action which action or failure would, to its Knowledge, jeopardize the qualification of the Merger as a "reorganization" within the meaning of Section 368(a) of the Code.

Section 6.6 Rate Matters. To the extent permitted by applicable law, the Company and Parent shall, and shall cause each of its Subsidiaries to, deliver to Parent or the Company, as the case may be, a copy of each principal filing or agreement related to its generally applicable rates, charges, standards of service, accounting or regulatory policy which could lead to a material change in any of those areas as soon as practicable and in any event no later than five business days prior to the filing or execution thereof so that Parent or the Company, as the case may be, may comment thereon. Except as set forth on Item 6.6 of the Company Letter or Item 6.6 of the Parent Letter, as the case may be, the Company and Parent shall, and shall cause its Subsidiaries to, make all such filings only in the ordinary course of business consistent with past practice or as required by a Governmental Entity or regulatory agency with appropriate jurisdiction or under existing settlement agreements to which the Company or Parent, as the case may be, is a party.

ARTICLE VII ADDITIONAL AGREEMENTS

Section 7.1 Employee Benefits; Workforce Matters. (a) From and after the Effective Time, Parent shall, or shall cause one of its Subsidiaries to, honor and perform in accordance with their respective terms (as in effect on the date of this Agreement or as amended in accordance with or as permitted by this Agreement), all the collective bargaining agreements to which the Company or one of its Subsidiaries is a party and is set forth on Item 4.13(a) of the Company Letter. Nothing in this Section 7.1(a) shall be interpreted to prevent Parent or any of its Subsidiaries from enforcing such agreements in accordance with their respective terms, including enforcement of any reserved right to amend, modify, suspend, revoke or terminate any such agreement.

(b) Subject to applicable law and obligations under each applicable collective bargaining agreement, Compensation Commitments and Benefit Plan, and except as provided in Section 7.2, Parent shall, or shall cause one of its Subsidiaries to, assume, maintain in effect, honor and perform in accordance with their respective terms (as in effect on the date of this

Agreement or as amended or established in accordance with or as permitted by this Agreement) each Benefit Plan and Compensation Commitment listed on Item 4.12(a) of the Company Letter and in effect on the date of this Agreement (or established as permitted by this Agreement), with respect to the current and former employees, officers or directors of the Company and its Subsidiaries who are covered by such plans or commitments immediately prior to the Effective Time. Nothing in this Section 7.1(b) shall be interpreted to limit any reserved right contained in any such Benefit Plan or Compensation Commitment to amend, modify, suspend, revoke or terminate any such plan or commitment in accordance with its terms.

(c) Following the Effective Time, Parent shall continue to provide to individuals who are employed by the Company and its Subsidiaries as of the Effective Time who remain employed with Parent or any of its Subsidiaries after the Effective Time ("Affected Employees"), for so long as such Affected Employees remain employed by Parent or any of its Subsidiaries, employee benefits (i) pursuant to the Benefit Plans maintained by the Company immediately prior to the Effective Time (which are maintained by Parent or one of its Subsidiaries after the Effective Time in accordance with Section 7.1(b)) or (ii) pursuant to Benefit Plans maintained by Parent or any of its Subsidiaries providing coverage and benefits which, in the aggregate, are no less favorable than those provided to employees of Parent in positions comparable to positions held by Affected Employees with Parent or its Subsidiaries from time to time after the Effective Time.

(d) Each Affected Employee who becomes eligible to participate in a Benefit Plan maintained by Parent or any of its Subsidiaries shall receive credit for purposes of eligibility to participate, vesting and eligibility to receive benefits (but specifically excluding for benefit accrual purposes or where such crediting would result in a duplication of benefits) under such Benefit Plan for service credited for the corresponding purpose under any Benefit Plan listed on Item 4.12(a) of the Company Letter; provided, however, that such crediting of service shall not operate to cause any such plan to fail to comply with the applicable provisions of the Code or ERISA.

(e) Each Benefit Plan maintained by Parent or any of its Subsidiaries which is a welfare benefit plan, and in which Affected Employees become eligible to participate, shall take into account for purposes of determining an Affected Employee's deductibles and out-of-pocket limits thereunder expenses previously incurred by the Affected Employee during the same year while participating in any other such Benefit Plan listed on Item 4.12(a) of the Company Letter and shall waive any waiting periods and restrictions and limitations for pre-existing conditions (or evidence of insurability requirements, in the case of life insurance plans) provided therein for any Affected Employee to the extent not applicable to the participant in any other such Benefit Plan listed on Item 4.12(a) in which the Affected Employee participated immediately prior to participating in the Benefit Plan maintained by Parent or any of its Subsidiaries.

(f) Each Benefit Plan maintained by Parent or any of its Subsidiaries which is a cafeteria plan under Section 125 of the Code, and in which any Affected Employee becomes eligible to participate, shall cause credits and debits for a plan year in respect of any such Affected Employee participating in a Benefit Plan listed on Item 4.12(a) of the Company Letter which is a cafeteria plan under Section 125 of the Code to be transferred to and maintained in such Benefit Plan maintained by Parent or any of its Subsidiaries in which such Affected

Employee may subsequently participate during the same year. Nothing contained in this Section 7.1(f) shall be deemed to constitute an employment Contract between Parent or any Subsidiary of Parent and any individual, or a waiver of Parent's or any its Subsidiaries' right to discharge any employee at any time, with or without cause.

(g) Following the Effective Time, subject to the terms of this Agreement, applicable law and applicable collective bargaining agreements: (i) the Surviving Corporation will, in good faith and consistent with business needs, consider reductions in work force in a fair and equitable manner and in light of the circumstances and the objectives to be achieved, giving consideration to previous work history, job experience and qualifications and (ii) all employees of the Surviving Corporation shall be entitled to fair and equitable consideration in connection with any job opportunities with the Surviving Corporation and its Subsidiaries, in each case without regard to whether employment prior to the Effective Time was with the Company and its Subsidiaries or Parent and its Subsidiaries.

(h) Nothing contained in this Section 7.1 shall be deemed to constitute an employment Contract between Parent or any Subsidiary of Parent and any individual, or a waiver of Parent's or any of its Subsidiaries' right to discharge any employee at any time, with or without cause. Nothing in this Section 7.1 or elsewhere in this Agreement (other than Section 7.9) is intended to confer upon any Person other than the parties hereto any rights or remedies hereunder. Other than as provided in Section 7.9, nothing herein expressed or implied shall confer upon any employee of the Company or its Subsidiaries or Parent or its Subsidiaries, or upon any legal representative of such employee, or upon any collective bargaining agent, any rights or remedies, including any right to employment or continued employment of any specified period, of any nature or kind whatsoever under or by reason of this Agreement. Nothing in this Agreement shall be deemed to confer upon any Person (nor any beneficiary thereof) any rights under or with respect to any plan, program, or arrangement described in or contemplated by this Agreement, and each Person (and any beneficiary thereof) shall be entitled to look only to the express terms of any such plan, program or arrangement for his or her rights thereunder.

Section 7.2 Options. (a) At the Effective Time, each Company Stock Option which is outstanding immediately prior to the Effective Time pursuant to Company Stock Option Plans shall become and represent an option to purchase the number of Parent Shares (a "Substitute Option") (decreased to the nearest full share) determined by multiplying (i) the number of shares of Company Common Stock subject to such Company Stock Option immediately prior to the Effective Time by (ii) the Exchange Ratio, at an exercise price per Parent Share (rounded up to the nearest cent) equal to the exercise price per share of Company Common Stock under such Company Stock Option immediately prior to the Effective Time divided by the Exchange Ratio. After the Effective Time, except as provided in this Section 7.2, each Substitute Option shall be exercisable upon the same terms and conditions as were applicable under the related Company Stock Option immediately prior to or at the Effective Time. The Company shall take all necessary action to implement and make effective the provisions of this Section 7.2.

(b) Subject to Section 7.2(a), as of the Effective Time, all Company Stock-Based Awards, whether vested or unvested, shall cease to represent a right or award with respect to shares of Company Common Stock and shall be converted into a right or award with respect to Parent Shares (an "Assumed Stock-Based Award") on the same terms and conditions as were

applicable under the Company-Stock Based Awards, including all repurchase and forfeiture rights held by the Company. The number of Parent Shares subject to each Assumed Stock-Based Award shall be equal to the number of shares of Company Common Stock subject to such Company Stock-Based Award immediately prior to the Effective Time multiplied by the Exchange Ratio (decreased to the nearest full share). All dividend equivalents and Company Cash Awards credited to the account of each holder of a Company Stock-Based Award as of the Effective Time shall remain credited to such holder's account immediately following the Effective Time, subject to adjustment in accordance with the foregoing. All Unvested Restrictions, including all repurchase and forfeiture rights held by the Company, with respect to each Company Stock-Based Award and each Company Cash Award shall be and hereby are assigned as of the Effective Time to Parent, and the Assumed Stock-Based Awards and Company Cash Awards shall continue to be subject to the same Unvested Restrictions which applied to such Company Stock-Based Award or Company Cash Award immediately prior to the Effective Time, after giving effect to any acceleration, lapse or other vesting occurring by operation of the Merger. The Company shall take all actions necessary to ensure that, from and after the Effective Time, the Surviving Corporation (or its assignee) shall be entitled to exercise the rights held by the Company immediately prior to the Effective Time with respect to all Unvested Restrictions. For purposes of this Agreement, (i) "Company Cash Award" means any award granted under the Company Stock Plans or otherwise other than Company-Stock Based Awards and (ii) "Unvested Restrictions" means all repurchase, cancellation, forfeiture, vesting and other conditions or restrictions applicable to a Company Stock-Based Award or a Company Cash Award.

(c) After the Effective Time, the Surviving Corporation shall file a registration statement on Form S-8 under the Securities Act covering the Parent Shares issuable upon the exercise of Substitute Options, and will maintain the effectiveness of such registration, and the current status of the prospectus contained therein, until the exercise or expiration of such Substitute Options.

(d) Prior to the Effective Time the Company shall cause the Company ESPP and all rights thereunder to be suspended immediately following the close of the Investment Period (as such term is defined in the Company ESPP) ending immediately prior to the Effective Time, with the effect of such suspension being that no offering period and no Investment Period shall commence or continue under such plan during the period of such suspension. Prior to the Effective Time, the Company shall cause the Company DRIP and all rights thereunder to be suspended immediately following the close of the Investment Period (as defined in the Company DRIP) ending immediately prior to the Effective Time, with the effect of such suspension being that no offering period and no Investment Period shall commence or continue under such plan during the period of such suspension. Prior to the Effective Time, the Company shall cause the Company Thrift Plan and Company Employee Savings Plan to be amended to suspend investments in the Company Common Stock Fund and Non-ESOP Company Common Stock Fund (as defined therein, respectively) effective as of the last business day prior to the Effective Time.

Section 7.3 Shareholder Approval; Preparation of Proxy Statement; Other Actions.

(a) As soon as practicable following the date of this Agreement, each of the Company and Parent will duly call, give notice of, convene and hold meetings of their respective shareholders

(including any adjournments or postponements thereof, the "Company Shareholders Meeting" and the "Parent Shareholders Meeting," respectively, and collectively, the "Shareholders Meetings") for the purpose, in the case of the Company, of the holders of Company Common Stock duly approving this Agreement ("Company Shareholder Approval") and, in the case of Parent, of the holders of Parent Shares duly approving the issuance of Parent Shares in the Merger ("Parent Shareholder Approval"). Parent and the Company will use their reasonable best efforts to hold the Parent Shareholders Meeting and the Company Shareholders Meeting on the same date. The Company shall, through its Board of Directors (but subject to the right of the Company's Board of Directors to terminate this Agreement as set forth in Section 9.1(e)) recommend to its shareholders that the Company Shareholder Approval be given. Subject to the remainder of this Section 7.3(a), Parent shall, through its Board of Directors, recommend to its shareholders that the Parent Shareholder Approval be given. Parent shall not withdraw, qualify or modify, or propose to withdraw, qualify or modify, in a manner adverse to the Company, the approval by such Board of Directors of the Parent Share Issuance, the Merger and this Agreement or the recommendation by such Board of Directors of the Parent Share Issuance or such Board of Directors' declaration that this Agreement and the Merger are advisable and fair to and in the best interest of, Parent and its shareholders except to the extent the Board of Directors of Parent determines in its reasonable good faith judgment that the making of, or the failure to withdraw, qualify or modify such recommendation would violate the fiduciary duties of such Board of Directors of Parent under applicable law. Parent shall not take any of the actions set forth in the preceding sentence at any time after the Parent Shareholders Meeting.

(b) The Company and Parent shall promptly prepare and file with the SEC the Proxy Statement and Parent shall prepare and file with the SEC the Registration Statement which will include the Proxy Statement as a prospectus. Each of the Company and Parent shall use its reasonable best efforts to have the Registration Statement declared effective under the Securities Act as promptly as practicable after such filing. As promptly as practicable after the Registration Statement shall have become effective, each of Parent and the Company shall distribute the Proxy Statement to its respective shareholders.

(c) No filing of, or amendment or supplement to, the Registration Statement or the Proxy Statement (other than filings of Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K) will be made by Parent or the Company without providing the other party the opportunity to review and comment thereon. Parent will advise the Company, promptly after it receives notice thereof, of the time when the Registration Statement has become effective or any supplement or amendment has been filed, the issuance of any stop order, the suspension of the qualification of the Parent Shares issuable in connection with the Merger for offering or sale in any jurisdiction, or any request by the SEC for amendment of the Registration Statement or comments thereon and responses thereto or requests by the SEC for additional information. If at any time prior to the Effective Time any information relating to Parent or the Company, or any of their respective Affiliates or officers or directors, should be discovered by Parent with respect to Parent or any of its Subsidiaries or any of its Affiliates, officers or directors or the Company with respect to the Company or any of its Subsidiaries or any of its Affiliates, officers or directors which should be set forth in an amendment or supplement to any of the Registration Statement or the Proxy Statement, so that any of such documents would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they

were made, not misleading, the party which discovers such information shall promptly notify the other parties hereto and an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required by law, disseminated to the shareholders of Parent and the Company.

(d) Each of the Company and Parent shall use reasonable best efforts to cause to be delivered a letter of its independent auditors, dated the date two business days prior to the date on which the Registration Statement shall become effective.

Section 7.4 Access to Information; Transition. (a) Upon reasonable notice and subject to the terms of the Confidentiality Agreement, dated as of August 12, 2004, between the Company and Parent, as the same may be amended, supplemented or modified (the "Confidentiality Agreement") and applicable laws relating to the exchange of information, each of the Company and Parent shall, and shall cause each of its respective Subsidiaries to, afford to the other party, and its respective officers, employees, accountants, counsel and other representatives all reasonable access, during normal business hours during the period prior to the Effective Time, to all their respective properties, books, contracts, commitments and records and, during such period, each of the Company and Parent shall (and shall cause each of its respective Subsidiaries to) make available to the other party or its designated advisors (i) a copy of each report, schedule, registration statement and other document filed or received by it during such period pursuant to the requirements of the federal or state securities laws or the federal Tax laws and (ii) all other information concerning its business, properties and personnel as the other party may reasonably request. After the date hereof, each of the Company or Parent, as the case may be, shall promptly deliver to Parent or the Company, as the case may be, copies of any written notifications it has received after the date hereof of a (i) "reportable condition" or (ii) "material weakness" in the Company's or Parent's, as the case may be, internal controls.

(b) Promptly after the date hereof, Parent and the Company will establish a transition team (the "Transition Team"), the chair of which will be Parent's Executive Vice President and General Counsel (the "Transition Chairperson") or such other person designated by Parent's Chief Executive Officer and the other members of which (the "Transition Coordinators") shall consist of 10 other representatives of Parent and 10 representatives of the Company, or such number as the Chief Executive Officers of Parent and the Company agree, designated by the Transition Chairperson and approved by the Chief Executive Officer (or his designee) of each of Parent and the Company. The Transition Chairperson will assign areas of responsibility to the Transition Coordinators. The parties shall instruct the Transition Coordinators, subject to the terms of the Confidentiality Agreement and applicable laws relating to the exchange of information, to facilitate the collection and exchange of information concerning the business, operations, capital spending and budgets and financial results of Parent and the Company to the extent necessary to identify ways in which the operations of Parent and the Company can be consolidated, coordinated and/or otherwise enhanced following the Effective Time. Prior to the Effective Time, the Transition Team will also coordinate any discussions with lenders or rating agencies in connection with the transactions contemplated by this Agreement or relating to the operations of Parent and the Company following the Effective Time. The Transition Coordinators will provide the Transition Chairperson with periodic reports, subject to applicable laws relating to the exchange of information, on the findings of the Transition Team and will meet periodically in person with the Transition Chairperson to brief the

Transition Chairperson on the activities and recommendations of the Transition Team, business developments and pending material business plans and decisions at each of Parent and the Company. If, at any time, after consultation with the Chairperson of the Transition Team, the taking of any action or failure to take an action is not agreed to by at least a majority of the representatives designated by each of Parent and the Company, the Transition Chairperson, together with at least one dissenting Transition Team member, shall consult with the Chief Executive Officer of each of Parent and the Company with respect thereto.

(c) No investigation or exchange of information or other action pursuant to this Section 7.4 shall be deemed to modify any representation or warranty made by any party to this Agreement. In the event of a termination of this Agreement for any reason permitted hereby, each party shall promptly return or destroy, or cause to be returned or destroyed, all nonpublic information obtained from the other party or any of its Subsidiaries.

(d) In the event of a Parent Acquisition Transaction or the entrance into a definitive agreement providing for a Parent Acquisition Transaction during the period in which the Company is permitted to terminate this Agreement pursuant to Section 9.1(j) Parent shall promptly provide such information to the Company with respect to such Parent Acquisition Transaction or agreement as the Company shall reasonably request in order to evaluate the Parent Acquisition Transaction; provided, however, that the right of the Company to receive such information shall be subject to any confidentiality agreement applicable to the information.

Section 7.5 Fees and Expenses. Except as provided in this Section 7.5 and Section 9.2, all fees and expenses incurred in connection with the Merger, this Agreement and the transactions contemplated hereby shall be paid by the party incurring such fees or expenses, whether or not the Merger is consummated; provided, however, that Parent and the Company shall share equally all fees and expenses of Booz Allen Hamilton Inc. and (other than attorneys' and accounting fees and expenses) incurred in relation to the printing and filing of the Proxy Statement (including any related preliminary materials) and the Registration Statement (including financial statements and exhibits) and any amendments or supplements thereto.

Section 7.6 Public Announcements; Employee Communications. Parent and the Company will consult with each other before issuing any press release or otherwise making any public statements with respect to the transactions contemplated by this Agreement and shall not issue any such press release or make any such public statement prior to such consultation, except as may be required by applicable law, fiduciary duties or by obligations pursuant to any listing agreement with any national securities exchange.

Section 7.7 Transfer Taxes. The Company and Parent shall cooperate in the preparation, execution and filing of all returns, questionnaires, applications or other documents regarding any real property transfer or gains, sales, use, transfer, value added, stock transfer and stamp Taxes, any transfer, recording, registration and other fees and any similar Taxes which are the liability of the Company or Parent under applicable law in connection with the transactions contemplated by this Agreement (together with any related interest, penalties or additions to Tax, "Transfer Taxes").

Section 7.8 State Takeover Laws. If any "fair price" or "control share acquisition" statute or other similar statute or regulation shall become applicable to the transactions contemplated hereby, Parent and the Company and their respective Boards of Directors shall use their reasonable best efforts to grant such approvals and take such actions as are necessary so that the transactions contemplated hereby may be consummated as promptly as practicable on the terms contemplated hereby and otherwise act to minimize the effects of any such statute or regulation on the transactions contemplated hereby.

Section 7.9 Indemnification; Directors and Officers Insurance. (a) The Surviving Corporation agrees that all rights to indemnification and exculpation from liabilities for acts or omissions occurring at or prior to the Effective Time now existing in favor of the current or former directors, officers, employees, agents or fiduciaries under benefit plans currently indemnified by the Company and its Subsidiaries (each an "Indemnified Person"), as provided in their respective certificates of incorporation, by-laws (or comparable organizational documents) or other agreements providing indemnification, shall survive the Merger and shall continue in full force and effect in accordance with their terms. In addition, from and after the Effective Time, Indemnified Persons who become directors, officers, employees or fiduciaries under benefit plans of the Surviving Corporation will be entitled to the indemnity rights and protections afforded to directors, officers, employees and fiduciaries under benefit plans of the Surviving Corporation. Without limiting the generality of the preceding sentence, in the event that any Indemnified Person becomes involved in any actual or threatened action, suit, claim, proceeding or investigation covered by this Section 7.9 after the Effective Time, the Surviving Corporation shall promptly advance to such Indemnified Person his or her legal and other expenses (including the cost of any investigation and preparation incurred in connection therewith), subject to the providing by such Indemnified Person of an undertaking to reimburse all amounts so advanced in the event of a non-appealable determination of a court of competent jurisdiction that such Indemnified Person is not entitled thereto.

(b) The Surviving Corporation shall purchase officers' and directors' liability insurance with an insurer substantially comparable to the insurer under the Company's current policy of at least the same coverage and amounts, containing terms and conditions no less favorable to the insured ("D&O Insurance") for a period of no less than six years after the Effective Time so long as the annual premium therefor is not in excess of 200% of the last annual premium paid prior to the date hereof under the Company's current policy (the "Current Premium"); provided, however, that if the D&O Insurance is at an annual premium in excess of 200% of the Current Premium, then, unless the Board of Directors of the Surviving Corporation approves a higher amount, the Surviving Corporation will obtain as much D&O Insurance as can be obtained for the remainder of such period for a premium of 200% (on an annualized basis) of the Current Premium. Item 7.9 of the Company Letter sets forth the Current Premium.

(c) The provisions of this Section 7.9 are intended to be for the benefit of, and shall be enforceable by, each Indemnified Person, his or her heirs and his or her personal representatives and shall be binding on all successors and assigns of the Surviving Corporation and the Company.

Section 7.10 Appropriate Actions; Consents; Filings. (a) The Company and Parent shall cooperate with each other and use (and shall cause their respective Subsidiaries to use)

reasonable best efforts to take or cause to be taken all actions, and do or cause to be done all things, necessary, proper or advisable on its part under this Agreement and applicable laws to consummate and make effective the Merger and the other transactions contemplated by this Agreement as soon as practicable, including preparing and filing as promptly as practicable all documentation to effect all necessary notices, reports and other filings and to obtain as promptly as practicable all consents, registrations, approvals, permits and authorizations necessary or advisable to be obtained from any third party and/or any Governmental Entity in order to consummate the Merger or any of the other transactions contemplated by this Agreement, including obtaining the Parent Required Statutory Approvals and the Company Required Statutory Approvals in such a form that none of them would constitute a Burdensome Order.

(b) Notwithstanding anything to the contrary in Section 7.10(a), (i) except in compliance with Section 7.10(d), neither the Company nor Parent shall nor shall either permit any of its Subsidiaries to, without the prior written consent of the other party, divest or hold separate or otherwise take or commit to take any action that limits its freedom or the freedom of the other party, or after the Merger, the freedom of action of Parent or any of its Affiliates with respect to its Subsidiaries or the Subsidiaries or any of the businesses, product lines or assets of Parent, the Company or any of their respective Subsidiaries or Affiliates and (ii) neither Parent or any of its Affiliates, nor the Company or any of its Affiliates shall be required to divest or hold separate or otherwise take or commit to take any action that limits its freedom of action with respect to its Subsidiaries, or the Subsidiaries or any of the businesses, product lines or assets of Parent, the Company or any of their respective Subsidiaries or Affiliates, unless such action or actions would not constitute a Burdensome Action.

(c) Subject to applicable laws relating to the exchange of information, Parent and the Company shall have the right to review in advance, and to the extent practicable each will consult the other on, all the material information relating to Parent or the Company, as the case may be, and any of their respective Subsidiaries, that appear in any filing made with, or material written materials submitted to, any third party and/or any Governmental Entity in connection with the Merger and the other transactions contemplated by this Agreement. In exercising the foregoing right, each of the Company and Parent shall act reasonably and as promptly as practicable.

(d) (i) Promptly after the date hereof, Parent and the Company will establish a regulatory approval team (the "Regulatory Approval Team"), the chair of which will be Parent's Executive Vice President, Government & Environmental Affairs and Public Policy or such other person as may be designated by Parent's Chief Executive Officer (the "Regulatory Approval Team Chairperson"), the vice-chair of which will be the Company's Senior Vice President and General Counsel or such other person as may be designated by the Company's Chief Executive Officer (the "Regulatory Approval Team Vice-Chair") and the other members of which (the "Regulatory Approval Coordinators") shall consist of representatives designated by the Chief Executive Officer of the Company (or his designee) (the "Company Regulatory Approval Coordinators") and representatives designated by the Chief Executive Officer of Parent (or his designee) (the "Parent Regulatory Approval Coordinators"), provided that there shall be one more Parent Regulatory Approval Coordinator than Company Regulatory Approval Coordinator. Subject to Section 7.10(d)(ii), the Regulatory Approval Team Chairperson and the Regulatory Approval Team Vice-Chair will assign areas of responsibility to the Regulatory Approval

Coordinators. Subject to the terms and conditions of this Agreement, the Regulatory Approval Team will formulate the approach to be taken with respect to obtaining the Parent Required Statutory Approvals and the Company Required Statutory Approvals and coordinate filings for such approvals as set forth below. The primary responsibility for formulating the approach to be taken with respect to obtaining the Parent Required Statutory Approvals and the Company Required Statutory Approvals and all other approvals to be obtained from federal and foreign Governmental Entities shall reside with the entire Regulatory Approval Team and not a committee thereof.

(ii) The Regulatory Approval Team shall have an Illinois committee, a Pennsylvania committee and a New Jersey committee (collectively, the "State Committees"). The members of each State Committee shall be appointed by the Regulatory Approval Team, with the Illinois and Pennsylvania State Committees and the New Jersey State Committee (i) being chaired by a Parent Regulatory Approval Coordinator and a Company Regulatory Approval Coordinator, respectively, and (ii) consisting of at least a majority of members who are Parent Regulatory Approval Coordinators or Company Regulatory Approval Coordinators, respectively. The Illinois State Committee shall have primary responsibility for formulating the approach to be taken with respect to obtaining the Parent Required Statutory Approvals and the Company Required Statutory Approvals from Illinois Governmental Entities. The Pennsylvania State Committee shall have primary responsibility for formulating the approach to be taken with respect to obtaining the Parent Required Statutory Approvals and the Company Required Statutory Approvals from Pennsylvania Governmental Entities. The New Jersey State Committee shall have primary responsibility for formulating the approach to be taken with respect to obtaining the Parent Required Statutory Approvals and the Company Required Statutory Approvals from New Jersey Governmental Entities. Each Regulatory Approval Team Committee shall report to, and shall consult on a regular basis, with the full Regulatory Approval Team.

(iii) Neither the Company nor Parent, nor any of their respective Subsidiaries nor any committee of the Regulatory Approval Team or any member thereof or of the Regulatory Approval Team shall make or commit to make any concessions, agreements or other undertakings with or to any Governmental Entity or other Person in connection with obtaining the Parent Required Statutory Approvals and the Company Required Statutory Approvals or otherwise consummating the Merger and the other transactions related to the Merger unless such concession, agreement or undertaking has been approved by the Regulatory Approval Team. If, at any time, the taking of any action or failure to take an action is not agreed to by the Regulatory Approval Team Chairperson and the Regulatory Approval Team Vice-Chair, they shall consult with the Chief Executive Officer of each of Parent and the Company with respect thereto. If the Chief Executive Officers do not agree with respect to any such action, the Regulatory Approval Team, with respect to approvals to be obtained from federal and foreign Governmental Entities or approvals not otherwise the responsibility of a State Committee, and the applicable State Committee, with respect to approvals

that are the responsibility of such State Committee, shall determine which of the actions presented to the Chief Executive Officers shall be taken, in any event in compliance with and subject to the terms of this Agreement.

(e) The Company and Parent each shall, through the Regulatory Approval Team, keep the other apprised of the status of matters relating to completion of the transactions contemplated hereby, including promptly furnishing the other with copies of notice or other material communications received by Parent or the Company, as the case may be, or any of its Subsidiaries, from any third party and/or any Governmental Entity with respect to the Merger and the other transactions contemplated by this Agreement. The Company and Parent each shall give prompt notice to the other of any proposed change that is reasonably likely to result in a Material Adverse Effect on the Company or Parent, respectively.

(f) Subject to applicable laws relating to the exchange of information, the Company and Parent each shall, upon request by the other, furnish the other with all information concerning itself, its Subsidiaries, directors, officers and shareholders and such other matters as may be reasonably necessary or advisable in connection with the Proxy Statement, the Registration Statement or any other material statement, filing, notice or application made by or on behalf of Parent, the Company or any of their respective Subsidiaries to any third party and/or any Governmental Entity in connection with the Merger and the transactions contemplated by this Agreement.

(g) No investigation or exchange of information or other action pursuant to this Section 7.10 shall be deemed to modify any representation or warranty made by any party to this Agreement. In the event of a termination of this Agreement for any reason, each party shall promptly return or destroy, or cause to be returned or destroyed, all nonpublic information obtained from the other party or any of its Subsidiaries.

Section 7.11 Section 16 Matters. Assuming that the Company delivers to Parent the Section 16 Information reasonably in advance of the Effective Time, the Board of Directors of Parent, shall prior to the Effective Time adopt a resolution providing that the receipt by the Company Insiders of Parent Shares in exchange for shares of Company Common Stock (including Company Restricted Shares), and of options to purchase Parent Shares upon conversion of Company Stock Options or to receive Parent Shares upon conversion of Company Performance Units, Company Performance Shares or Company RSUs, in each case, pursuant to the transactions contemplated hereby and to the extent such securities are listed in the Section 16 Information provided by the Company to Parent prior to the Effective Time, are intended to be exempt from liability pursuant to Section 16(b) under the Exchange Act such that any such receipt shall be so exempt. For purposes of this Agreement, (a) "Section 16 Information" shall mean information accurate in all material respects regarding the Company Insiders, the number of shares of Company Common Stock held by each such Company Insider and the number and description of Company Stock Options, Company Restricted Shares, Company Performance Units, Company Performance Shares and Company RSUs held by each such Company Insider and (b) "Company Insiders" shall mean those officers and directors of the Company who are subject to the reporting requirements of Section 16(a) of the Exchange Act and who are listed in the Section 16 Information.

Section 7.12 Affiliate Letters. As promptly as practicable, the Company shall deliver to Parent a letter identifying all Persons who are, at the time this Agreement is submitted for adoption by the shareholders of the Company, "affiliates" of the Company for purposes of Rule 145 under the Securities Act. The Company shall use its reasonable best efforts to deliver or cause to be delivered to Parent, prior to the Effective Time, an Affiliate Letter in the form attached hereto as Exhibit B from each such Person.

Section 7.13 Dividends. (a) After the date of this Agreement, notwithstanding anything to the contrary in this Agreement, each of Parent and the Company, respectively, shall have the right to take any action deemed necessary by such party to ensure that holders of Parent Shares and Shares, respectively, shall not receive two dividends, or fail to receive one dividend, for any single calendar quarter with respect to their Parent Shares and/or Shares or any Parent Shares that any such holder receives in exchange for such Shares in the Merger, and each of Parent and the Company shall cooperate with the other in respect of the payment of dividends with respect to the Parent Shares and the Shares and the record dates and payment dates relating thereto in order to achieve the foregoing.

(b) To the extent permitted by applicable law and consistent with the fiduciary duties of the Board of Directors of Parent, Parent shall take all actions necessary so that the first quarterly dividend paid per Parent Share by the Surviving Corporation after the Effective Time multiplied by the Exchange Ratio and rounded to the nearest cent is at least equal to the amount per Share of the most recent quarterly dividend paid by the Company prior to the Effective Time, up to a maximum of \$0.47 per Parent Share (the lesser of \$0.47 dividend per Parent Share and the last quarterly per Share dividend paid by the Company prior to the Effective Time divided by the Exchange Ratio rounded to the nearest cent being referred to as the "Dividend Threshold"). As close to 30 days prior to the anticipated Effective Time as reasonably practicable, Parent shall notify the Company in writing of what Parent believes will be the amount of the first quarterly dividend per Parent Share paid by the Surviving Corporation after the Effective Time. If such amount per Parent Share is less than the Dividend Threshold (the amount of such shortage is referred to as the "Dividend Shortfall"), then the Company shall be permitted to make prior to the Effective Time a one time special cash dividend to the holders of Company Common Stock in an amount per Share equal to the amount, rounded to the nearest cent, obtained by multiplying (i) the Exchange Ratio by (ii) the Dividend Shortfall.

Section 7.14 Governance. (a) At or prior to the Effective Time, Parent shall take all actions necessary to appoint six directors who immediately prior to the Effective Time served as directors of the Company and were designated by the Chief Executive Officer of the Company to the Board of Directors of Parent so that the total number of members of the Board of Directors of the Surviving Corporation is 18. The directors appointed pursuant to this Section 7.14(a) shall be evenly allocated among Class I, Class II and Class III of the Board of Directors of the Surviving Corporation as designated by the Chief Executive Officer of the Company. All appointments made pursuant to this Section 7.14(a) shall be effective as of the Effective Time and shall comply with the applicable listing and corporate governance rules of the NYSE, the applicable provisions of the Exchange Act and all other applicable laws and regulations, in each case, as in effect at the Effective Time.

(b) The headquarters of the Surviving Corporation and certain divisions and Subsidiaries thereof will be as set forth in the Amended and Restated By-laws of the Surviving Corporation.

(c) The tradename and logo of the Surviving Corporation shall be as set forth on Item 7.14(c) of the Parent Letter.

(d) Parent shall cause the Amended and Restated By-laws of Parent to be amended as provided in Exhibit A hereto effective immediately following the Effective Time.

(e) During the four-year period immediately following the Effective Time, the Surviving Corporation shall provide, directly or indirectly, charitable contributions and traditional local community support within the service areas of the Company and each of its Subsidiaries that are utilities at levels substantially comparable to and no less than the levels of charitable contributions and community support provided by the Company and such Subsidiaries within their service areas within the two-year period immediately prior to the Effective Time.

ARTICLE VIII CONDITIONS PRECEDENT

Section 8.1 Conditions to Each Party's Obligation to Effect the Merger. The respective obligations of each party to effect the Merger shall be subject to the fulfillment at or prior to the Effective Time of the following conditions:

(a) Shareholder Approval. Each of the Parent Shareholder Approval and the Company Shareholder Approval shall have been obtained.

(b) No Prohibition. No Governmental Entity of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any statute, law, ordinance, rule, regulation, judgment, decree, injunction or other order (whether temporary, preliminary or permanent) that is in effect and restrains, enjoins or otherwise prohibits consummation of the Merger or the other transactions contemplated by this Agreement (collectively, an "Order"), and no federal or state Governmental Entity shall have instituted any proceeding that is pending seeking any such Order.

(c) Stock Exchange Listing. The Parent Shares issuable in the Merger shall have been authorized for listing on the NYSE, subject to official notice of issuance.

(d) Registration Statement; Securities Approval. The Registration Statement shall have become effective in accordance with the provisions of the Securities Act and all applicable state blue sky securities filings, permits or approvals shall have been made or received in accordance with applicable law. No stop order suspending the effectiveness of the Registration Statement shall have been issued by the SEC or any state securities administrator and no proceedings for that purpose shall be pending, or to the Knowledge of Parent or the Company, threatened by the SEC or any state securities administrator.

(e) Regulatory Consents.

(i) The waiting period (and any extension thereof) applicable to the consummation of the Merger under the HSR Act shall have expired or been terminated.

(ii) The Parent Required Statutory Approvals and the Company Required Statutory Approvals shall have been obtained and shall have become Final Orders.

(iii) Other than the filings provided for in Section 2.3, all other notices, reports and other filings required to be made prior to the Effective Time by the Company or Parent or any of their respective Subsidiaries with, and all other consents, registrations, approvals, permits and authorizations required to be obtained prior to the Effective Time by the Company or Parent or any of their respective Subsidiaries from, any Governmental Entity in connection with the execution and delivery of this Agreement and the consummation of the Merger and the other transactions contemplated hereby by the Company and Parent shall have been made or obtained, as the case may be, except for those the failure to be made or obtained would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Parent or the Company or, after giving effect to the Merger, on Parent.

(f) No Burdensome Orders. No Governmental Entity of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any statute, law, ordinance, rule, regulation, judgment, decree, injunction or other order (whether temporary, preliminary or permanent) in connection with a Company Required Statutory Approval or a Parent Required Statutory Approval that (i) requires Parent or the Company or any of their respective Affiliates to take or commit to take any Burdensome Action or (ii) would otherwise constitute a Burdensome Action (a "Burdensome Order") and is in effect at the time all other conditions in this Article VIII to each party's obligation to effect the Merger have been fulfilled.

Section 8.2 Conditions to the Obligations of the Company to Effect the Merger. The obligation of the Company to effect the Merger shall be subject to the fulfillment at or prior to the Effective Time of the following additional conditions:

(a) Accuracy of Representations and Warranties. The representations and warranties of Parent set forth in Sections 5.3 (Capital Structure), 5.4 (Authority), 5.8 (Information Supplied), 5.21 (Required Vote of Parent Shareholders), 5.22 (State Takeover Statutes), 5.23 (Brokers) and 5.26(b) through (c) (Material Contracts) shall be true and correct with respect to those matters that are qualified by Material Adverse Effect or materiality and shall be true and correct in all material respects with respect to those matters that are not so qualified, in each case as of the date of this Agreement and as of the Effective Time as though made on and as of the Effective Time (except to the extent any such representation and warranty expressly speaks as of a specified date which shall be true and correct in all material respects as of such specified date). The representations and warranties of Parent set forth in this Agreement, other than those listed in the preceding sentence, shall be true and correct as of the date of this

Agreement and as of the Effective Time as though made on and as of the Effective Time (except to the extent any such representation and warranty expressly speaks as of a specified date which shall be true and correct in all respects as of such specified date) unless the inaccuracies (without giving effect to any materiality or Material Adverse Effect qualifications or exceptions contained therein) in respect of such representations and warranties, taking all the inaccuracies in respect of all such representations and warranties together in their entirety, do not result in a Material Adverse Effect on Parent or, after giving effect to the Merger, on Parent. The Company shall have received a certificate signed on behalf of Parent by a duly authorized officer of Parent to such effect.

(b) Performance of Obligations. Parent shall have performed in all material respects all obligations and complied in all material respects with all agreements and covenants of Parent to be performed and complied with by it under this Agreement.

(c) Tax Opinion. The Company shall have received an opinion dated the Closing Date, in form and substance reasonably satisfactory to the Company, of Pillsbury Winthrop LLP, special counsel to the Company, or other law firm of national standing, to the effect that the Merger will be treated for federal income Tax purposes as a reorganization within the meaning of Section 368(a) of the Code, and that each of Parent and the Company will be a party to that reorganization within the meaning of Section 368(b) of the Code. In rendering such opinion, Pillsbury Winthrop LLP (or other law firm of national standing) may rely upon representations contained herein and representations from Parent substantially to the effect of the representations in the Parent Tax Certificate attached to the Parent Letter and representations from the Company substantially to the effect of the representations in the Company Tax Certificate attached to the Company Letter.

(d) Material Adverse Effect. Since the date hereof, there shall not have been any event, effect, change or development that, individually or in the aggregate with other such events, effects, changes or developments, has had, or would reasonably be expected to have, a Material Adverse Effect on Parent.

(e) Consents Under Agreements. Parent shall have obtained the consent or approval of each Person whose consent or approval shall be required under any Contract to which Parent or any of its Subsidiaries is a party, except those for which the failure to obtain such consent or approval would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Parent, provided that Parent and the Company agree that the failure to obtain any one of the consents or approvals set forth on Item 8.2(e) of the Parent Letter shall not in and of itself be expected to have a Material Adverse Effect on Parent.

Section 8.3 Conditions to the Obligations of Parent to Effect the Merger. The obligation of Parent to effect the Merger shall be subject to the fulfillment at or prior to the Effective Time of the following additional conditions:

(a) Accuracy of Representations and Warranties. The representations and warranties of the Company set forth in Sections 4.3 (Capital Structure), 4.4 (Authority), 4.8 (Information Supplied), 4.20 (Required Vote of the Company Shareholders), 4.21 (State Takeover Statutes), 4.22 (Brokers) and 4.26 (Holdings) shall be true and correct with respect to

those matters that are qualified by Material Adverse Effect or materiality and shall be true and correct in all material respects with respect to those matters that are not so qualified, in each case as of the date of this Agreement and as of the Effective Time as though made on and as of the Effective Time (except to the extent any such representation and warranty expressly speaks as of a specified date which shall be true and correct in all material respects as of such specified date). The representations and warranties of the Company set forth in this Agreement, other than those listed in the preceding sentence, shall be true and correct as of the date of this Agreement and as of the Effective Time as though made on and as of the Effective Time (except to the extent any such representation and warranty expressly speaks as of a specified date which shall be true and correct in all respects as of such specified date) unless the inaccuracies (without giving effect to any materiality or Material Adverse Effect qualifications or exceptions contained therein) in respect of such representations and warranties, taking all the inaccuracies in respect of all such representations and warranties together in their entirety, do not result in a Material Adverse Effect on the Company or, after giving effect to the Merger, on Parent. Parent shall have received a certificate signed on behalf of the Company by a duly authorized officer of the Company to such effect.

(b) Performance of Obligations. The Company shall have performed in all material respects all obligations and complied in all material respects with all agreements and covenants of the Company to be performed and complied with by it under this Agreement.

(c) Consents Under Agreements. The Company shall have obtained the consent or approval of each Person whose consent or approval shall be required under any Contract to which the Company or any of its Subsidiaries is a party, except those for which the failure to obtain such consent or approval would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company or, after giving effect to the Merger, on Parent, provided that Parent and the Company agree that the failure to obtain any one of the consents or approvals set forth on Item 8.3(c) of the Company Letter shall not in and of itself be expected to have a Material Adverse Effect on the Company or, after giving effect to the Merger, on Parent.

(d) Tax Opinion. Parent shall have received an opinion or opinions dated the Closing Date, in form and substance reasonably satisfactory to Parent, of Sidley Austin Brown & Wood LLP, special counsel to Parent, or other law firm of national standing, to the effect that the Merger will be treated for federal income Tax purposes as a reorganization within the meaning of Section 368(a) of the Code, and that each of Parent and the Company will be a party to that reorganization within the meaning of Section 368(b) of the Code. In rendering the opinion referred to in the preceding sentence, Sidley Austin Brown & Wood LLP (or other law firm of national standing) may rely upon representations contained herein and representations from Parent substantially to the effect of the representations in the Parent Tax Certificate attached to the Parent Letter and representations from the Company substantially to the effect of the representations in the Company Tax Certificate attached to the Company Letter.

(e) Material Adverse Effect. Since the date hereof, there shall not have been any event, effect, change or development that, individually or in the aggregate with other such events, effects, changes or developments, has had, or would reasonably be expected to have, a Material Adverse Effect on the Company.

**ARTICLE IX
TERMINATION AND AMENDMENT**

Section 9.1 Termination. This Agreement may be terminated at any time prior to the Effective Time, whether before or after the Company Shareholder Approval or the Parent Shareholder Approval:

(a) by mutual written consent of Parent and the Company;

(b) by either Parent or the Company if (i) any Governmental Entity shall have issued an order, decree or ruling or taken any other action permanently enjoining, restraining or otherwise prohibiting the transactions contemplated by this Agreement and such order, decree or ruling or other action shall have become final and nonappealable or (ii) any Governmental Entity of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any statute, law, ordinance, rule, regulation, judgment, decree, injunction or other order that is a Burdensome Order which is a Final Order and which is not subject to further appeal;

(c) by Parent if there has been a breach of any representation, warranty, covenant or other agreement made by the Company in this Agreement, or any such representation and warranty shall have become untrue after the date of this Agreement, in each case such that Section 8.3(a) or Section 8.3(b) would not be satisfied and such breach or condition is not curable or, if curable, is not cured within 30 days after written notice thereof is given by Parent to the Company;

(d) by Parent if (i) the Board of Directors of the Company shall not have recommended, or the Board of Directors of the Company (or any committee thereof) shall have withdrawn or shall have qualified or modified in any manner adverse to Parent its recommendation of, this Agreement or its approval of or declaration that this Agreement and the Merger are advisable and fair to, and in the best interests of, the Company and its shareholders or shall have taken any other action or made any other statement in connection with the Company Shareholders Meeting inconsistent with such recommendation, approval or declaration, (ii) the Board of Directors of the Company (or any committee thereof) shall have approved or recommended any Takeover Proposal, (iii) the Board of Directors of the Company (or any committee thereof) shall have proposed or resolved to do any of the foregoing in clauses (i) and (ii), (iv) the Company shall have breached Section 6.2 in any material respect or (v) a tender offer or exchange offer for 20% or more of the outstanding shares of capital stock of the Company is commenced, and the Board of Directors of the Company fails to recommend against acceptance of such tender offer or exchange offer by its shareholders within 10 days after such commencement (including by taking no position with respect to the acceptance of such tender offer or exchange offer by its shareholders);

(e) by the Company prior to the Company Shareholders Meeting if (A) the Board of Directors of the Company authorizes the Company, subject to complying with the terms of this Agreement, to enter into a definitive agreement concerning a transaction that constitutes a Superior Proposal and the Company notifies Parent in writing that it intends to enter into such an agreement, attaching the most current version of such agreement to such notice, (B) Parent does not make, within five business days of receipt of the Company's written notification of its

intention to enter into a definitive agreement for a Superior Proposal, an offer that the Board of Directors of the Company determines, in its reasonable good faith judgment after consultation with its financial advisors, is at least as favorable, from a financial point of view, to the shareholders of the Company as the Superior Proposal and (C) the Company prior to or concurrently with such termination pays to Parent in immediately available funds the amount required by Section 9.2(b). The Company agrees (x) that it will not enter into a definitive agreement referred to in clause (A) above until at least the sixth business day after it has provided the notice to Parent required thereby and (y) to notify Parent promptly in writing if its intention to enter into a definitive agreement referred to in its notification shall change at any time after giving such notification;

(f) by the Company if there has been a breach of any representation, warranty, covenant or other agreement made by Parent in this Agreement, or any such representation and warranty shall have become untrue after the date of this Agreement, in each case such that Section 8.2(a) or Section 8.2(b) would not be satisfied and such breach or condition is not curable or, if curable, is not cured within 30 days after written notice thereof is given by the Company to Parent;

(g) by the Company if (i) the Board of Directors of Parent shall not have recommended, or the Board of Directors of Parent (or any committee thereof) shall have withdrawn or shall have qualified or modified in any manner adverse to the Company its recommendation of, the issuance of Parent Shares in connection with the Merger or its approval of or declaration that this Agreement and the Merger are advisable and fair to, and in the best interests of, Parent and its shareholders or shall have taken any other action or made any other statement in connection with the Parent Shareholders Meeting inconsistent with such recommendation, approval or declaration or (ii) the Board of Directors of Parent or any committee thereof shall have proposed or resolved to do any of the foregoing;

(h) by either the Company or Parent if (i) at the Company Shareholders Meeting (including any adjournment or postponement thereof), the Company Shareholder Approval shall not have been obtained, or (ii) at the Parent Shareholders Meeting (including any adjournment or postponement thereof), the Parent Shareholder Approval shall not have been obtained;

(i) by either Parent or the Company, if the Merger shall not have been consummated by June 20, 2006 (the "End Date"); provided, however, that if all other conditions set forth in Article VIII (other than conditions that by their nature are to be satisfied on the Closing Date) are satisfied other than the condition of obtaining approval of the Merger by FERC under §203 of the Power Act (or any successor thereto) or approval of the Merger by the SEC under PUHCA (or any successor thereto) (collectively, the "Federal Required Statutory Approvals") or, with respect to one or more of the Parent Required Statutory Approvals listed as Items 5, 8, 9 and 12 on Item 5.5(b) of the Parent Letter and one or more of the Company Required Statutory Approvals listed as Items 5, 6 and 10 on Item 4.5(b) of the Company Letter, each of Parent and the Company are reasonably satisfied that the applicable Governmental Entity will not issue such Parent Required Statutory Approval or Company Required Statutory Approval until one or both of the Federal Required Statutory Approvals which have not been obtained are obtained, either Parent or the Company, by written notice delivered prior to the End Date, may extend such period by six months after the End Date; provided, further, that the right

to terminate this Agreement under this Section 9.1(i) shall not be available to any party whose failure to fulfill any obligation under this Agreement has been the cause of or resulted in the failure of the Merger to occur on or before the End Date; or

(j) by either the Company or Parent if a Parent Acquisition Transaction occurs or Parent or any of its Subsidiaries shall enter into a definitive agreement with respect to a Parent Acquisition Transaction; provided, however, that the Company or Parent, as the case may be, shall only be entitled to terminate this Agreement pursuant to this Section 9.1(j) for a period of ten days from the earlier to occur of such a Parent Acquisition Transaction and the public announcement of the entry into such definitive agreement with respect to such Parent Acquisition Transaction; provided, further, that neither the Company nor Parent shall be entitled to terminate this Agreement pursuant to this Section 9.1(j) after the Company Shareholders Meeting or the Parent Shareholders Meeting, respectively; for purposes of this Section 9.1(j), "Parent Acquisition Transaction" means the acquisition, directly or indirectly, for consideration consisting of cash and/or securities, of more than 50% of the voting power of the capital stock of Parent then outstanding or all or substantially all the assets of Parent.

Section 9.2 Effect of Termination. (a) In the event of a termination of this Agreement by either the Company or Parent as provided in Section 9.1, this Agreement shall forthwith become void and there shall be no liability or obligation on the part of Parent or the Company or their respective officers or directors, except with respect to Section 4.22, Section 5.23, Section 7.5, this Section 9.2 and Article X and Section 7.4(c); provided, however, that nothing herein shall relieve any party for liability for any willful or knowing breach hereof.

(b) In the event that this Agreement is terminated (i) by Parent pursuant to Section 9.1(d) or (ii) by the Company pursuant to Section 9.1(e), then the Company shall, on the date of such termination, pay to Parent, by wire transfer of immediately available funds, the amount of \$400 million and all of the fees and out-of-pocket expenses (including financial advisor and attorney fees and expenses) incurred by Parent in connection with this Agreement and the transactions contemplated by this Agreement up to a maximum of \$40 million.

(c) In the event that between the date hereof and the termination of this Agreement a Takeover Proposal existed or any Person shall have directly or indirectly disclosed to the Company and/or publicly disclosed or made known to the Company's shareholders generally that if the Merger is not consummated such Person or one of its Affiliates will make a Takeover Proposal and thereafter, in each case, this Agreement is terminated by Parent or the Company pursuant to Section 9.1(h)(i) or Section 9.1(i), and if concurrently with such termination or within twelve months of such termination the Company or any of its Subsidiaries enters into a definitive agreement with respect to a Takeover Proposal or consummates a Takeover Proposal, then the Company shall, upon the earlier of entry into a definitive agreement with respect to a Takeover Proposal or consummating a Takeover Proposal, pay to Parent, by wire transfer of immediately available funds, the amount of \$400 million and all of the fees and out-of-pocket expenses (including financial advisor and attorney fees and expenses) incurred by Parent in connection with this Agreement and the transactions contemplated by this Agreement up to a maximum of \$40 million.

(d) In the event that this Agreement is terminated by the Company pursuant to Section 9.1(g), then Parent shall, on the date of such termination, pay to the Company by wire transfer of immediately available funds, all of the fees and out-of-pocket expenses (including financial advisor and attorney fees and expenses) incurred by the Company in connection with this Agreement and the transactions contemplated by this Agreement up to a maximum of \$40 million.

(e) In the event that this Agreement is terminated by the Company or Parent pursuant to Section 9.1(j), then Parent shall, on the date of such termination, pay to the Company by wire transfer of immediately available funds the amount of \$400 million and all of the fees and out-of-pocket expenses (including financial advisor and attorney fees and expenses) incurred by the Company in connection with this Agreement and the transactions contemplated by this Agreement up to a maximum of \$40 million.

(f) The Company and Parent acknowledge that the agreements contained in Sections 9.2(b) through (e) are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, Parent or the Company, as applicable, would not enter into this Agreement; accordingly, if the Company or Parent, as applicable, fails to promptly pay the amount due pursuant to Section 9.2(b), (c), (d) or (e), as the case may be, and, in order to obtain such payment, Parent or the Company, as applicable, commences a suit which results in a judgment against the Company or Parent, as applicable, for any of the amounts set forth in Section 9.2(b), (c), (d) or (e), as the case may be, the Company or Parent, as applicable, shall pay to Parent or the Company, as applicable, its costs and expenses (including attorneys' fees) in connection with such suit. Interest shall accrue on any amounts due under Section 9.2(b), (c), (d) or (e) from and after 30 days of the date such amount is due at the prime rate of J.P. Morgan Chase, N.A. in effect on the date such payment was required to be made.

Section 9.3 Amendment. This Agreement may be amended by the parties hereto at any time before or after obtaining the Company Shareholder Approval or the Parent Shareholder Approval, but if (i) the Company Shareholder Approval shall have been obtained, thereafter no amendment shall be made which by law requires further approval by the Company's shareholders without obtaining such further approval or (ii) the Parent Shareholder Approval shall have been obtained, thereafter no amendment shall be made which by law requires further approval by Parent's shareholders without obtaining such further approval. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto.

Section 9.4 Extension; Waiver. At any time prior to the Effective Time, the parties hereto, by action taken or authorized by their respective Board of Directors, may, to the extent legally allowed, (i) extend the time for the performance of any of the obligations or other acts of the other parties hereto, (ii) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto or (iii) waive compliance with any of the agreements or conditions contained herein; provided, however, that such extension or waiver shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such party. The failure of any party to this Agreement to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights.

**ARTICLE X

None of the representations and warranties in this Agreement or in any instrument delivered pursuant to this Agreement shall survive the Effective Time. Section 10.3 Counterparts. This Agreement may be executed in counterparts, all of which shall be considered one and the same agreement, and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties, it being understood that all parties need not sign the same counterpart.

Section 10.4 Entire Agreement; No Third-Party Beneficiaries. Except for the Confidentiality Agreement, this Agreement constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof. This Agreement, except for the provisions of Section 7.9, is not intended to confer upon any Person other than the parties hereto any rights or remedies hereunder.

Section 10.5 Governing Law and Venue; Waiver of Jury Trial. (a) **THIS AGREEMENT SHALL BE DEEMED TO BE MADE IN AND IN ALL RESPECTS SHALL BE INTERPRETED, CONSTRUED AND GOVERNED BY AND IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK (EXCEPT TO THE EXTENT THE LAWS OF PENNSYLVANIA OR NEW JERSEY ARE MANDATORILY APPLICABLE TO THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT) WITHOUT REGARD TO THE CONFLICT OF LAW PRINCIPLES THEREOF.** Each of the parties irrevocably submits to the exclusive jurisdiction of the United States District Court for the Southern District of New York located in the borough of Manhattan in the City of New York, or if such court does not have jurisdiction, the Supreme Court of the State of New York, New York County, for the purposes of any suit, action or other proceeding arising out of this Agreement or any transaction contemplated hereby. Each of the parties hereto irrevocably and fully waives the defense of an inconvenient forum to the maintenance of such suit, action or proceeding. Each of the parties further agrees that service of any process, summons, notice or document to such party's respective address listed above in one of the manners set forth in Section 10.2 shall be deemed in every respect effective service of process in any such suit, action or proceeding. Nothing herein shall affect the right of any Person to serve process in any other manner permitted by law. Each of the parties hereto irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of this Agreement or the transactions contemplated hereby in (a) the United States District Court for the Southern District of New York or (b) the Supreme Court of the State of New York, New York County, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) EACH PARTY

UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH PARTY MAKES THIS WAIVER VOLUNTARILY AND (iv) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.5.

Section 10.6 Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto (whether by operation of law or otherwise) without the prior written consent of the other parties. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns.

Section 10.7 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic and legal substance of the transactions contemplated hereby are not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated by this Agreement may be consummated as originally contemplated to the fullest extent possible.

Section 10.8 Enforcement of this Agreement. In addition to any remedy to which any party hereto is specifically entitled by the terms hereof, each party shall be entitled to pursue any other remedy available to it at law or in equity (including damages, specific performance or other injunctive relief) in the event that any of the provisions of this Agreement were not performed in accordance with their terms or were otherwise breached; provided that, notwithstanding the foregoing, if a termination fee or any expenses in connection with the transactions contemplated by this Agreement are payable pursuant to Section 9.2, then, subject to Section 9.2(a), such termination fee or expenses shall be the sole remedy with respect to the failure or failures to perform or other breach or breaches giving rise to such obligation to pay such termination fee or expenses.

Section 10.9 Obligations of Subsidiaries. Whenever this Agreement requires any Subsidiary of Parent or of the Company to take any action, such requirement shall be deemed to include an undertaking on the part of Parent or the Company, as the case may be, to cause such Subsidiary to take such action.

Section 2.02 Notice of Meetings of the Board of Directors.

Notice of a regular meeting of the board of directors need not be given. Notice of every special meeting of the board of directors shall be given to each director by telephone or in writing at least 24 hours (in the case of notice by telephone, facsimile or other electronic transmission) or 48 hours (in the case of notice by telegraph, courier service or express mail) or five days (in the case of notice by first class mail) before the time at which the meeting is to be held. Every such notice shall state the time and place of the meeting. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the board need be specified in a notice of the meeting.

Section 2.03 Notice of Meetings of Shareholders.

(a) General Rule. Written notice of every meeting of the shareholders shall be given by, or at the direction of, the secretary or other authorized person to each shareholder of record entitled to vote at the meeting not less than five nor more than 90 calendar days prior to the date of the meeting. If the secretary neglects or refuses to give notice of a meeting, the person or persons calling the meeting may do so. In the case of a special meeting of shareholders, the notice shall specify the general nature of the business to be transacted.

(b) Notice of Action by Shareholders on Bylaws. In the case of a meeting of shareholders that has as one of its purposes adoption, amendment or repeal of these bylaws, written notice shall be given to each shareholder that the purpose, or one of the purposes, of the meeting is to consider the adoption, amendment or repeal of the bylaws. There shall be included in, or enclosed with, the notice a copy of the proposed amendment or a summary of the changes to be effected thereby.

Section 2.04 Waiver of Notice.

(a) Written Waiver. Whenever any written notice is required to be given under the provisions of the Business Corporation Law, the articles or these bylaws, a waiver thereof in writing, signed by the person or persons entitled to the notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of the notice. Neither the business to be transacted at, nor the purpose of, a meeting need be specified in the waiver of notice of the meeting.

(b) Waiver by Attendance. Attendance of a person at any meeting shall constitute a waiver of notice of the meeting except where a person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting was not lawfully called or convened.

Section 2.05 Modification of Proposal Contained in Notice. Whenever the language of a proposed resolution is included in a written notice of a meeting required to be given under the provisions of the Business Corporation Law or the articles or these bylaws, the meeting considering the resolution may without further notice adopt it with such clarifying or other amendments as do not enlarge its original purpose.

Section 2.06 Exception to Requirement of Notice.

(a) General Rule. Whenever any notice or communication is required to be given to any person under the provisions of the Business Corporation Law or by the articles or these bylaws or by the terms of any agreement or other instrument or as a condition precedent to taking any corporate action and communication with that person is then unlawful, the giving of the notice or communication to that person shall not be required.

(b) Shareholders Without Forwarding Addresses. Notice or other communications need not be sent to any shareholder with whom the corporation has been unable to communicate for more than 24 consecutive months because communications to the shareholder are returned unclaimed or the shareholder has otherwise failed to provide the corporation with a current address. Whenever the shareholder provides the corporation with a current address, the corporation shall recommence sending notices and other communications to the shareholder in the manner provided by these bylaws.

Section 2.07 Use of Conference Telephone and Similar Equipment. Any director may participate in any meeting of the board of directors or a committee thereof, and the board of directors may provide by resolution with respect to a specific meeting of shareholders or with respect to a class of meetings of shareholders that one or more persons may participate in a meeting of the shareholders of the corporation, by means of conference telephone, video conference or similar communications equipment by means of which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to this Section shall constitute presence in person at the meeting.

ARTICLE III
Shareholders

Section 3.01 Place of Meeting. Meetings of the shareholders of the corporation may be held at such place within or without the Commonwealth of Pennsylvania as may be designated by the Board of Directors, or in the absence of a designation by the Board of Directors, by the chief executive officer and stated in the notice of a meeting.

Section 3.02 Annual Meeting. The annual meeting of the shareholders for the election of directors and the transaction of other business, if any, shall be held on such date and time as may be fixed by the board and stated in the notice of the meetings. If the board does not fix the date or time for the annual meeting, the secretary may fix the date or time for the annual meeting (or, if the board and the secretary fail to designate a date or time, at 10:30 a.m., Eastern Daylight Time on the fourth Wednesday in April of each year or, if such Wednesday is a legal holiday in the Commonwealth of Pennsylvania or in such other jurisdiction where such meeting may be held, the next succeeding business day). Failure to hold such meeting at the designated time or on the designated date or to elect some or all of the members of the board at such meeting or any adjournment thereof shall not affect otherwise valid corporate acts or work a forfeiture or dissolution of the corporation. If the annual meeting shall not have been called and held within six months after the designated time, any shareholder may call the meeting at any time thereafter.

Section 3.03 Special Meetings. Special meetings of the shareholders may be called at any time by resolution of the board of directors, which may fix the date, time and place of the meeting, and shall be called as provided in the terms of the Preferred Stock. If the board does not fix the date, time or place of the meeting, it shall be the duty of the secretary to do so. A date fixed by the secretary shall not be more than 60 calendar days after the date of the action calling the special meeting.

Section 3.04 Quorum and Adjournment.

(a) General Rule. A meeting of the shareholders of the corporation duly called shall not be organized for the transaction of business unless a quorum is present. Except as otherwise provided in the terms of the Preferred Stock, the presence of shareholders entitled to cast at least a majority of the votes that all shareholders are entitled to cast on a particular matter to be acted upon at the meeting shall constitute a quorum for the purposes of consideration and action on the matter. Shares of the corporation owned, directly or indirectly, by it shall not be counted in determining the total number of outstanding shares for quorum purposes at any given time.

(b) Withdrawal of a Quorum. The shareholders present at a duly organized meeting can continue to do business until adjournment notwithstanding the withdrawal of enough shareholders to leave less than a quorum.

(c) Adjournments Generally. Any regular or special meeting of the shareholders, including one at which directors are to be elected and one which cannot be organized because a quorum has not attended, may be adjourned, except as otherwise provided by the Business Corporation Law, for such period and to such place as the shareholders present and entitled to vote shall direct.

(d) Electing Directors at Adjourned Meeting. Those shareholders entitled to vote who attend a meeting called for the election of directors that has been previously adjourned for lack of a quorum, although less than a quorum as fixed in this Section of

these bylaws, shall nevertheless constitute a quorum for the purpose of electing directors.

(e) Other Action in Absence of Quorum. Those shareholders entitled to vote who attend a meeting of shareholders that has been previously adjourned for one or more periods aggregating at least 15 calendar days because of an absence of a quorum, although less than a quorum as fixed in this Section of these bylaws, shall nevertheless constitute a quorum for the purpose of acting upon any matter set forth in the notice of the meeting if the notice states that those shareholders who attend the adjourned meeting shall nevertheless constitute a quorum for the purpose of acting upon the matter.

Section 3.05 Action by Shareholders.

(a) General Rule. Except as otherwise provided in the Business Corporation Law or the articles or these bylaws, whenever any corporate action is to be taken by vote of the shareholders of the corporation, it shall be authorized upon receiving the affirmative vote of a majority of the votes cast by all shareholders entitled to vote thereon and, if any shareholders are entitled to vote thereon as a class, upon receiving the affirmative vote of a majority of the votes cast by the shareholders entitled to vote as a class, in each case at a duly organized meeting of shareholders. Except as otherwise provided in the terms of the Preferred Stock or when acting by unanimous consent to remove a director or directors, the shareholders of the corporation may act only at a duly organized meeting.

(b) Conduct of Business. Only such business will be conducted at an annual or special meeting of shareholders as shall have been properly brought before the meeting by or at the direction of the board of directors, or with respect to an annual meeting, by any shareholder who complies with the procedures set forth in this Section.

(1) For business to be properly brought before an annual meeting by a shareholder, the shareholder must have given to the secretary of the corporation timely written notice of the shareholder's intention to make a proposal, in the manner and form prescribed herein.

(i) To be timely, a shareholder's notice with respect to an annual meeting of shareholders must be addressed to the secretary of the corporation at the principal executive offices of the corporation and received by the secretary not less than 120 calendar days in advance of the first anniversary of the date on which the corporation first mailed its proxy materials to shareholders for the prior year's annual meeting of shareholders, and this notice requirement shall not be affected by any adjournment of said meeting; provided, however, that in the event public announcement of the date of the annual meeting is not made at least 75 calendar days prior to the date of the annual meeting, notice by the shareholder to be timely must be so received not later than the close of

business on the 10th calendar day following the day on which public announcement is first made of the date of the annual meeting.

(ii) A shareholder's notice to the secretary must set forth as to each matter the shareholder proposes to bring before the annual meeting (A) a description in reasonable detail of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (B) the name and address, as they appear on the corporation's books, of the shareholder proposing such business and of the beneficial owner, if any, on whose behalf the proposal is made, (C) the class and number of shares of the corporation that are owned beneficially and of record by the shareholder proposing such business and by the beneficial owner, if any, on whose behalf the proposal is made, and (D) any material interest of such shareholder proposing such business and the beneficial owner, if any, on whose behalf the proposal is made in such business.

(iii) Notwithstanding the foregoing provisions of these bylaws, a shareholder must also comply with all applicable requirements of the Securities Exchange Act of 1934 (the "Exchange Act") and the rules and regulations thereunder with respect to the matters set forth in this Section. For purposes of this Section, "public announcement" means disclosure in a press release reported by the Dow Jones News Service, Bloomberg Business News, or Reuters Economic Services or in a document publicly filed by the corporation with the Securities and Exchange Commission pursuant to Section 13, 14, or 15(d) of the Exchange Act, or publicly filed by the corporation with any national securities exchange or quotation service through which the corporation's stock is listed or traded, or furnished by the corporation to its shareholders. Notwithstanding the foregoing, no notice of the date of the annual meeting is required for the advance notice provision of this Section 3.05 (b) to be effective if the annual meeting is held on such date as specified in Section 3.02 of these bylaws. Nothing in this Section will be deemed to affect any rights of shareholders to request inclusion of proposals in the corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act.

(2) At a special meeting of shareholders, only such business may be conducted or considered as is properly brought before the meeting. To be properly brought before a special meeting, business must be (i) specified in the notice of the meeting (or any supplement thereto) given in accordance with Section 2.03 of these bylaws or (ii) otherwise brought before the meeting by the presiding officer or by or at the direction of a majority of the total number of directors that the corporation would have if there were no vacancies on the board of directors (the "Whole Board").

(3) The determination of whether any business sought to be brought before any annual or special meeting of the shareholders is properly

brought before such meeting in accordance with this Section of these bylaws will be made by the presiding officer of such meeting. If the presiding officer determines that any business is not properly brought before such meeting, he or she will so declare to the meeting and any such business will not be conducted or considered.

Section 3.06 Organization.

(a) Presiding Officer and Secretary of Meeting. At every meeting of the shareholders, the chief executive officer, or such other officer of the corporation designated by a majority of the Whole Board, will call meetings of shareholders to order or, in the case of vacancy in office and absence of action of the Whole Board, one of the following officers present in the order stated: The president, if there be one, the vice presidents in their order of rank and seniority shall act as "presiding officer" of the meeting. The term "presiding officer" means an officer who presides over a meeting of shareholders. The secretary or, in the absence of the secretary, an assistant secretary, or, in the absence of both the secretary and assistant secretaries, a person appointed by the presiding officer of the meeting, shall act as secretary of the meeting.

(b) Rules of Conduct. Unless otherwise determined by the board of directors prior to the meeting, the presiding officer of the meeting of shareholders will determine the order of business and have the authority to make such rules or regulations for the conduct of meetings of shareholders as such presiding officer deems necessary, appropriate or convenient for the proper conduct of the meeting, including, without limitation, establishing an agenda or order of business for the meeting, rules and procedures for maintaining order at the meeting and the safety of those present, limitations on participation in such meeting to shareholders of record of the corporation and their duly authorized and constituted proxies, and such other persons as the board of directors or the presiding officer shall permit, restrictions on entry to the meeting after the time fixed for the commencement thereof, limitations on the time allotted to questions or comment by participants and regulation of the opening and closing of the polls for balloting on matters which are to be voted on by ballot. Unless, and to the extent determined by the board of directors or the presiding officer of the meeting, meetings of shareholders need not be conducted in accordance with rules of parliamentary procedure.

Section 3.07 Voting Rights of Shareholders. Unless otherwise provided in the articles, every shareholder of the corporation shall be entitled to one vote for every share standing in the name of the shareholder on the books of the corporation.

Section 3.08 Voting and other Action by Proxy.

(a) General Rule.

(1) Every shareholder entitled to vote at a meeting of shareholders may authorize another person to act for the shareholder by proxy.

(2) The presence of, or vote or other action at a meeting of shareholders by a proxy of a shareholder shall constitute the presence of, or vote or action by, the shareholder.

(3) Where two or more proxies of a shareholder are present, the corporation shall, unless otherwise expressly provided in the proxy, accept as the vote of all shares represented thereby the vote cast by a majority of them and, if a majority of the proxies cannot agree whether the shares represented shall be voted, or upon the manner of voting the shares, the voting of the shares shall be divided equally among those persons.

(b) Form of Proxy. Every proxy shall be in a form approved by the secretary of the corporation or as otherwise provided by the Business Corporation Law.

(c) Revocation. A proxy, unless coupled with an interest, shall be revocable at will, notwithstanding any other agreement or any provision in the proxy to the contrary, but the revocation of a proxy shall not be effective until written notice thereof has been given to the secretary of the corporation. An unrevoked proxy shall not be valid after three years from the date of its execution unless a longer time is expressly provided therein. A proxy shall not be revoked by the death or incapacity of the maker unless, before the vote is counted or the authority is exercised, written notice of the death or incapacity is given to the secretary of the corporation.

(d) Expenses. The corporation shall pay the reasonable expenses of solicitation of votes or proxies of shareholders by or on behalf of the board of directors or its nominees for election to the board, including solicitation by professional proxy solicitors and otherwise.

Section 3.09 Voting by Fiduciaries and Pledges. Shares of the corporation standing in the name of a trustee or other fiduciary and shares held by an assignee for the benefit of creditors or by a receiver may be voted by the trustee, fiduciary, assignee or receiver. A shareholder whose shares are pledged shall be entitled to vote the shares until the shares have been transferred into the name of the pledgee, or a nominee of the pledgee, but nothing in this Section shall affect the validity of a proxy given to a pledgee or nominee.

Section 3.10 Voting by Joint Holders of Shares.

(a) General Rule. Where shares of the corporation are held jointly or as tenants in common by two or more persons, as fiduciaries or otherwise:

(1) if only one or more of such persons is present in person or by proxy, all of the shares standing in the names of such persons shall be deemed to be represented for the purpose of determining a quorum and the corporation shall accept as the vote of all the shares the vote cast by a joint owner or a majority of them; and

(2) if the persons are equally divided upon whether the shares held by them shall be voted or upon the manner of voting the shares, the voting of the shares shall be divided equally among the persons without prejudice to the rights of the joint owners or the beneficial owners thereof among themselves.

(b) Exception. If there has been filed with the secretary of the corporation a copy, certified by an attorney-at-law to be correct, of the relevant portions of the agreement under which the shares are held or the instrument by which the trust or estate was created or the order of court appointing them or of an order of court directing the voting of the shares, the persons specified as having such voting power in the latest document so filed, and only those persons, shall be entitled to vote the shares but only in accordance therewith.

Section 3.11 Voting by Corporations.

(a) Voting by Corporate Shareholders. Any domestic or foreign corporation for profit or not-for-profit that is a shareholder of this corporation may vote at meetings of shareholders of this corporation by any of its officers or agents, or by proxy appointed by any officer or agent, unless some other person, by resolution of the board of directors of the other corporation or a provision of its articles or bylaws, a copy of which resolution or provision certified to be correct by one of its officers has been filed with the secretary of this corporation, is appointed its general or special proxy in which case that person shall be entitled to vote the shares.

(b) Controlled Shares. Shares of this corporation owned, directly or indirectly, by it and controlled, directly or indirectly, by the board of directors of this corporation, as such, shall not be voted at any meeting and shall not be counted in determining the total number of outstanding shares for voting purposes at any given time.

Section 3.12 Determination of Shareholders of Record.

(a) Fixing Record Date. The board of directors may fix a time prior to the date of any meeting of shareholders as a record date for the determination of the shareholders entitled to notice of, or to vote at, the meeting, which time, except as otherwise provided in the articles or in the case of an adjourned meeting, shall be not more than 90 calendar days prior to the date of the meeting of shareholders. Only shareholders of record on the date fixed shall be so entitled notwithstanding any transfer of shares on the books of the corporation after any record date fixed as provided in this Subsection. The board of directors may similarly fix a record date for the determination of shareholders of record for any other purpose, except that the record date fixed to determine the holders of Preferred Stock entitled to receive dividends thereon shall not precede the respective dividend payment date by more than 40 calendar days. When a determination of shareholders of record has been made as provided in this Section for purposes of a meeting, the determination shall apply to any adjournment thereof unless the board fixes a new record date for the adjourned meeting.

(b) Determination When Record Date Is Not Fixed. If a record date is not fixed;

(1) The record date for determining shareholders entitled to notice of or to vote at a meeting of shareholders shall be at the close of business on the day next preceding the day on which notice is given.

(2) The record date for determining shareholders for any other purpose shall be at the close of business on the day on which the board of directors adopts the resolution relating thereto.

(c) Certification by Nominee. The board of directors may adopt a procedure whereby a shareholder of the corporation may certify in writing to the corporation that all or a portion of the shares registered in the name of the shareholder are held for the account of a specified person or persons. Upon receipt by the corporation of a certification complying with the procedure, the persons specified in the certification shall be deemed, for the purposes set forth in the certification, to be the holders of record of the number of shares specified in place of the shareholder making the certification.

Section 3.13 Voting Lists.

(a) General Rule. The officer or agent having charge of the transfer books for shares of the corporation shall make a complete list of the shareholders entitled to vote at any meeting of shareholders, arranged in alphabetical order, with the address of and the number of shares held by each. The list shall be produced and kept open at the time and place of the meeting and shall be subject to the inspection of any shareholder during the whole time of the meeting for the purposes thereof except that, if the corporation has 5,000 or more shareholders, in lieu of the making of the list the corporation may make the information therein available at the meeting by any other means.

(b) Effect of List. Failure to comply with the requirements of this Section shall not affect the validity of any action taken at a meeting prior to a demand at the meeting by any shareholder entitled to vote thereat to examine the list. The original share register or transfer book, or a duplicate thereof kept in the Commonwealth of Pennsylvania, shall be prima facie evidence as to who are the shareholders entitled to examine the list or share register or transfer book or to vote at any meeting of shareholders.

Section 3.14 Judges of Election.

(a) Appointment. In advance of any meeting of shareholders of the corporation, the board of directors may appoint judges of election, who need not be shareholders, to act at the meeting or any adjournment thereof. If judges of election are not so appointed, the presiding officer of the meeting may appoint judges of election at the meeting. The number of judges shall be one or three. A person who is a candidate for an office to be filled at the meeting shall not act as a judge.

(b) Vacancies. In case any person appointed as a judge fails to appear or fails or refuses to act, the vacancy may be filled by appointment made by the board of directors in advance of the convening of the meeting or at the meeting by the presiding officer thereof.

(c) Duties. The judges of election shall determine the number of shares outstanding and the voting power of each, the shares represented at the meeting, the existence of a quorum, and the authenticity, validity and effect of proxies, receive votes or ballots, hear and determine all challenges and questions in any way arising in connection with the right to vote, count and tabulate all votes, determine the result and do such acts as may be proper to conduct the election or vote. The judges of election shall perform their duties impartially, in good faith, to the best of their ability and as expeditiously as is practical. If there are three judges of election, the decision, act or certificate of a majority shall be effective in all respects as the decision, act or certificate of all.

(d) Report. On request of the presiding officer of the meeting or of any shareholder, the judges shall make a report in writing of any challenge or question or matter determined by them, and execute a certificate of any fact found by them. Any report or certificate made by them shall be prima facie evidence of the facts stated therein.

Section 3.15 Minors as Security Holders. The corporation may treat a minor who holds shares or obligations of the corporation as having capacity to receive and to empower others to receive dividends, interest, principal and other payments or distributions, to vote or express consent or dissent and to make elections and exercise rights relating to such shares or obligations unless, in the case of payments or distributions on shares, the corporate officer responsible for maintaining the list of shareholders or the transfer agent of the corporation or, in the case of payments or distributions on obligations, the treasurer or paying officer or agent has received written notice that the holder is a minor.

ARTICLE IV Board of Directors

Section 4.01 Powers.

(a) General Rule. Unless otherwise provided by statute, all powers vested by law in the corporation shall be exercised by or under the authority of, and the business and affairs of the corporation shall be managed under the direction of, the board of directors.

(b) Personal Liability of Directors.

(1) A director shall not be personally liable, as such, for monetary damages (including, without limitation, any judgment, amount paid in settlement, penalty, punitive damages or expenses of any nature, including, without

limitation, attorneys' fees and disbursements) for any action taken, or any failure to take any action before, on or after the date of these bylaws, unless:

(i) the director has breached or failed to perform the duties of his or her office under Subchapter B of Chapter 17 of the Business Corporation Law; and

(ii) the breach or failure to perform constitutes self-dealing, willful misconduct or recklessness.

(2) The provisions of paragraph (1) shall not apply to the responsibility or liability of a director pursuant to any criminal statute, or the liability of a director for the payment of taxes pursuant to local, State or Federal law.

(3) No amendment or repeal of this Section 4.01 shall have any effect on the liability or alleged liability of any director of the corporation for or with respect to any such act on the part of such director occurring prior to the effective date of such amendment or repeal.

(c) Directors. A director shall stand in a fiduciary relation to the corporation and shall perform his duties as a director, including his duties as a member of any committee of the board upon which he may serve, in good faith, in a manner he reasonably believes to be in the best interests of the corporation and with such care, including reasonable inquiry, skill and diligence, as a person of ordinary prudence would use under similar circumstances. In performing his duties, a director shall be entitled to rely in good faith on information, opinions, reports or statements, including financial statements and other financial data, in each case prepared or presented by any of the following:

(1) One or more officers or employees of the corporation whom the director reasonably believes to be reliable and competent in the matters presented.

(2) Counsel, public accountants or other persons as to matters which the director reasonably believes to be within the professional or expert competence of such person.

(3) A committee of the board upon which he does not serve, duly designated in accordance with law, as to matters within its designated authority, which committee the director reasonably believes to merit confidence.

Section 4.02 Qualifications and Selection of Directors.

(a) Qualifications. Each director of the corporation shall be a natural person of full age who need not be a resident of the Commonwealth of Pennsylvania or a shareholder of the corporation, except as may be required under corporate governance

principles approved by the board of directors. For purposes of Section 4.06, a director's failure to hold the number of shares as and when required under corporate governance principles approved by the board of directors shall constitute cause for such director's removal.

(b) Notice of Certain Nominations Required. Nominations for election of directors may be made by any shareholder entitled to vote for the election of directors if timely written notice in proper form (the "Notice") of the shareholder's intent to nominate a director at the meeting is given by the shareholder and received by the secretary of the corporation. To be timely, a shareholder's Notice must be delivered to or mailed and received at the principal executive offices of the corporation not less than 120 calendar days before the first anniversary of the date on which the corporation first mailed its proxy materials for the prior year's annual meeting of shareholders; provided, however, that in the event that public announcement of the date of the annual meeting is not made at least 75 calendar days prior to the date of the annual meeting, Notice by the shareholder to be timely must be so received not later than the close of business on the 10th calendar day following the day on which public announcement is first made of the date of the annual meeting. The requirements of this Subsection shall not apply to a nomination for directors made to the shareholders by the board of directors or a committee thereof.

(c) Contents of Notice. To be in proper written form, the Notice shall be in writing and shall contain or be accompanied by:

(1) the name and residence address of the nominating shareholder and of the beneficial owner, if any, on whose behalf the nomination is made;

(2) a representation that the shareholder giving the Notice is a holder of record of voting stock of the corporation entitled to vote at such annual meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the Notice;

(3) the class and number of shares of voting stock of the corporation owned beneficially and of record by the shareholder giving the Notice and by the beneficial owner, if any, on whose behalf the nomination is made;

(4) such information regarding each nominee as would have been required to be included in a proxy statement filed pursuant to Regulation 14A of the rules and regulations established by the Securities and Exchange Commission under the Exchange Act (or pursuant to any successor act or regulation) had proxies been solicited with respect to such nominee by the management or board of directors of the corporation;

(5) a description of all arrangements or understandings between or among any of (A) the shareholder giving the Notice, (B) the beneficial owner on whose behalf the Notice is given, (C) each nominee, and (D) any other person or

persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder giving the Notice;

(6) a description of all arrangements or understandings among the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder;

(7) a representation that each nominee meets the objective criteria for "independence" under applicable New York Stock Exchange listing standards and any additional objective criteria for "independence" under corporate governance principles approved by the board of directors; and

(8) the signed consent of each nominee to serve as a director of the corporation if so elected.

(d) Determination of Compliance. The presiding officer of the meeting may, if the facts warrant, determine and declare to the meeting that any nomination made at the meeting was not made in accordance with the procedures of this Section and, in such event, the presiding officer will so declare to the meeting, and the defective nomination shall be disregarded. Any such decision by the presiding officer shall be conclusive and binding upon all shareholders of the corporation for any purpose. Notwithstanding the foregoing provisions of this Section, a shareholder must also comply with all applicable requirements of the Exchange Act, and the rules and regulations thereunder, with respect to the matters set forth in this Section or otherwise relating to the nomination of directors by shareholders.

(e) Election of Directors. Except as otherwise provided in these bylaws, directors of the corporation shall be elected by the shareholders only at an annual meeting of shareholders, unless such election of directors is required by the terms of any series of Preferred Stock. In elections for directors, voting need not be by ballot, unless required by vote of the shareholders before the voting for election of directors begins. The candidates receiving the highest number of votes from each class or group of classes, if any, entitled to elect directors separately up to the number of directors to be elected by the class or group of classes shall be elected. If at any meeting of shareholders, directors of more than one class are to be elected, each class of directors shall be elected in a separate election.

Section 4.03 Number and Term of Office.

(a) Number. The board of directors shall consist of such number of directors as may be determined from time to time by resolution of a majority of the Whole Board. Notwithstanding the preceding, during the period beginning at the Effective Time, as defined in the Agreement and Plan of Merger dated as of December 20, 2004 between the corporation and Public Service Enterprise Group Incorporated (the "Merger Agreement") and ending on the date that is three (3) years thereafter (the "Transition Period"), the board of directors shall consist of eighteen (18) directors or such other

number as shall be unanimously approved by the board of directors. At the Effective Time, twelve (12) directors shall be persons who are directors of the corporation immediately prior to the Effective Time (the "Continuing Exelon Directors") and six (6) directors shall be directors of the corporation appointed pursuant to Section 7.14(a) of the Merger Agreement and in accordance with the fiduciary duties of the directors in the case of approval of any individual and the rules of the New York Stock Exchange, the Exchange Act and the rules and regulations thereunder and any other applicable laws (the "Initial PSEG Directors"). The number of Initial PSEG Directors in each class shall be equal and the number of Continuing Exelon Directors in each class shall be equal.

(b) Term of Office. Each director shall hold office until the expiration of the term for which he or she was selected and until a successor has been selected and qualified or until his or her earlier death, resignation or removal. A decrease in the number of directors shall not have the effect of shortening the term of any incumbent director. With respect to the first and second elections of directors by shareholders during the Transition Period, the board of directors or the applicable committee thereof shall nominate for election (subject to the fiduciary duties of the directors in the case of approval of any individual and the rules of the New York Stock Exchange and the Exchange Act and the rules and regulations thereunder) (a) the Initial Sue Directors (or any Sue Director having replaced either such Initial Sue Director pursuant to Section 4.05(b) of these by-laws) currently serving in the class standing for election and (b) the Continuing Gin Directors (or any Gin Director having replaced any such Continuing Gin Director pursuant to Section 4.05(b) of these by-laws) currently serving in the class standing for election. If any such Sue Director or Gin Director declines or is unable to stand for re-election, the board of directors or the applicable committee thereof shall nominate for election (subject to the fiduciary duties of the directors in the case of approval of any individual and the rules of the New York Stock Exchange and the Exchange Act and the rules and regulations thereunder) a person nominated by the board of directors or the applicable committee thereof, and approved by a majority of the remaining Sue Directors or Gin Directors remaining on the board of directors, as applicable.

(c) Resignation. Any director may resign at any time upon written notice to the corporation. The resignation shall be effective upon receipt thereof by the corporation or at such subsequent time as shall be specified in the notice of resignation.

(d) Classified Board of Directors. The directors shall be classified with respect to the time for which they shall severally hold office as follows:

(1) The term of office of at least one class shall expire in each year.

(2) Except as otherwise provided in the terms of the Preferred Stock or in the articles, the members of each class shall be elected for a period of three years provided that the term of any director elected or appointed to fill a vacancy in any class shall expire at the end of the three-year term applicable to that class.

(b) Removal by the Board. The board of directors may declare vacant the office of a director who has been judicially declared of unsound mind or who has been convicted of an offense punishable by imprisonment for a term of more than one year or if, within 60 days after notice of his or her selection, the director does not accept the office either in writing or by attending a meeting of the board of directors.

(c) Notation of Dissent. A director who is present at a meeting of the board of directors, or of a committee of the board, at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless his or her dissent is entered in the minutes of the meeting or unless the director files a written dissent to the action with the secretary of the meeting before the adjournment thereof or transmits the dissent in writing to the secretary of the corporation immediately after the adjournment of the meeting. The right to dissent shall not apply to a director who voted in favor of the action. Nothing in this Section shall bar a director from asserting that minutes of the meeting incorrectly omitted his or her dissent if, promptly upon receipt of a copy of such minutes, the director notifies the secretary, in writing, of the asserted omission or inaccuracy.

Section 4.12 Committees of the Board.

ARTICLE VII

Indemnification of Directors, Officers and Other Authorized Representatives

Section 7.01 Right to Indemnification. Each person who was or is made a party or is threatened to be made a party to or is otherwise involved in any claim, action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "proceeding"), by reason of the fact that he or she is or was a director or an officer of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan (hereinafter an "indemnitee"), whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent or in any other capacity while serving as a director, officer, employee or agent, shall be indemnified and held harmless by the corporation to the fullest extent permitted or required by the Business Corporation Law, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the corporation to provide broader indemnification rights than such law permitted the corporation to provide prior to such amendment), against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid in settlement) reasonably incurred or suffered by such indemnitee in connection therewith; provided, however, that, except as provided in Section 7.03 of this Article VII with respect to proceedings to enforce rights to indemnification, the corporation shall indemnify any such indemnitee in connection with a proceeding (or part thereof) initiated by such indemnitee only if such proceeding (or part thereof) was authorized by the board of directors of the corporation.

Section 7.02 Right to Advancement of Expenses. The right to indemnification conferred in Section 7.01 of this Article VII shall include the right to be paid by the corporation the expenses (including, without limitation, attorneys' fees and expenses) incurred in defending any such proceeding in advance of its final disposition (hereinafter an "advancement of expenses"); provided, however, that, if the Business Corporation Law so requires, an advancement of expenses incurred by an indemnitee in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such indemnitee, including, without limitation, service to an employee benefit plan) shall be made only upon delivery to the corporation of an undertaking (hereinafter an "undertaking"), by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal (hereinafter a "final adjudication") that such indemnitee is not entitled to be indemnified for such expenses under this Section 7.02 or otherwise. The rights to indemnification and to the advancement of expenses conferred in Sections 7.01 and 7.02 of this Article VII shall be contract rights and such rights shall continue as to an indemnitee who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the indemnitee's heirs, executors and administrators. Any repeal, amendment or modification hereof shall be prospective only and shall not affect any rights or obligations then existing. Each person who shall act as an indemnitee of the corporation shall be deemed to be doing so in reliance upon the rights provided by this Article.

Section 7.03 Right of Indemnitee to Bring Suit. If a claim under Section 7.01 or 7.02 of this Article VII is not paid in full by the corporation within 60 calendar days after a written claim has been received by the corporation, except in the case of a claim for an advancement of expenses, in which case the applicable period shall be 20 calendar days, the indemnitee may at any time thereafter bring suit against the corporation to recover the unpaid amount of the claim. If successful in whole or in part in any such suit, or in a suit brought by the corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the indemnitee shall be entitled to be paid also the expense of prosecuting or defending such suit. In (i) any suit brought by the indemnitee to enforce a right to indemnification hereunder (but not in a suit brought by the indemnitee to enforce a right to an advancement of expenses) it shall be a defense that, and (ii) any suit brought by the corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the corporation shall be entitled to recover such expenses upon a final adjudication that, the indemnitee has not met any applicable standard for indemnification set forth in the Business Corporation Law. Neither the failure of the corporation (including its board of directors, independent legal counsel or shareholders) to have made a determination prior to the commencement of such suit that indemnification of the indemnitee is proper in the circumstances because the indemnitee has met the applicable standard of conduct set forth in the Business Corporation Law, nor an actual determination by the corporation (including its board of directors, independent legal counsel or shareholders) that the indemnitee has not met such applicable standard of conduct, shall create a presumption that the indemnitee has not met the applicable standard of conduct or, in the case of such a suit brought by the indemnitee, be a defense to such suit. In any suit brought by the indemnitee to enforce a right to indemnification or to an advancement of expenses hereunder, or brought by

the corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the burden of proving that the indemnitee is not entitled to be indemnified, or to such advancement of expenses, under this Article VII or otherwise shall be on the corporation.

Section 7.04 Non-Exclusivity of Rights. The rights to indemnification and to the advancement of expenses conferred in this Article VII shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, the articles, these bylaws, agreement, vote of shareholders or disinterested directors or otherwise.

Section 7.05 Insurance. The corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the corporation or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the corporation would have the power to indemnify such person against such expense, liability or loss under the Business Corporation Law.

Section 7.06 Indemnification of Employees and Agents of the Corporation. The corporation may, to the extent authorized from time to time by the board of directors, grant rights to indemnification and to the advancement of expenses to any employee or agent of the corporation to the fullest extent of the provisions of this Article VII with respect to the indemnification and advancement of expenses of directors and officers of the corporation.

Section 7.07 Interpretation. The provisions of this Article are intended to constitute bylaws authorized by Section 1746 of the Business Corporation Law.

ARTICLE VIII Emergency Bylaws

To the extent not in conflict with this Article, these bylaws shall remain in effect during the emergency.

Section 8.02 Special Meetings of the Board. A special meeting of the board of directors may be called by any director by means feasible at the time.

Section 8.03 Emergency Committee of the Board.

(a) Composition. The emergency committee of the board shall consist of nine persons standing highest on the following list who are available and able to act:

Each member of the emergency committee thus constituted shall continue to act until replaced by an individual standing higher on the list. The emergency committee shall continue to act until a quorum of the board of directors is available and able to act. If the corporation has no directors, the emergency committee shall cause a special meeting of shareholders for the election of directors to be called and held as soon as practicable. Powers. The emergency committee shall have and may exercise all of the powers and authority of the board of directors, including the power to fill a vacancy in any office of the corporation or to designate a temporary replacement for any officer of the corporation who is unavailable, but shall not have the power to fill vacancies in the board of directors.

(b) Quorum. A majority of the members of the emergency committee in office shall constitute a quorum.

(c) Status. Each member of the emergency committee who is not a director shall during his or her service as such be entitled to the rights and immunities conferred by law, the articles and these bylaws upon directors of the corporation and upon persons acting in good faith as a representative of the corporation during an emergency.

(1) the material facts as to the relationship or interest and as to the contract or transaction are disclosed or are known to the board of directors and the board authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors even though the disinterested directors are less than a quorum;

The demand shall be directed to the corporation at its registered office in the Commonwealth of Pennsylvania or at its principal place of business wherever situated.

Ladies and Gentlemen:

I have been advised that, as of the date hereof, I may be deemed to be an "affiliate" of Public Service Enterprise Group Incorporated, a New Jersey corporation (the "Company"), as such term is defined for purposes of paragraphs (c) and (d) of Rule 145 of the Rules and Regulations (the "Rules and Regulations") of the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act").

Pursuant to the terms of the Agreement and Plan of Merger, dated as of December 20, 2004 (as it may be amended, supplemented or modified from time to time, the "Merger Agreement"), between the Company and Exelon Corporation, a Pennsylvania corporation ("Parent"), the Company will be merged with and into Parent (the "Merger"). Capitalized terms used herein but not defined herein shall have the meanings ascribed to such terms in the Merger Agreement.

I have been advised that the issuance of Parent Shares pursuant to the Merger will be registered with the Commission under the Securities Act on a Registration Statement on Form S-4. I have also been advised, however, that since I may be deemed to be an affiliate of the Company at the time the Merger Agreement is submitted to a vote of the shareholders of the Company, my ability to sell, assign or transfer any Parent Shares that I receive in exchange for any shares of Common Stock, no par value per share, of the Company ("Company Common Stock") pursuant to the Merger may be restricted unless such sale, assignment or transfer is registered under the Securities Act or an exemption from such registration is available. I understand that such exemptions are limited and I have obtained advice of counsel as to the nature and conditions of such exemptions, including information with respect to the applicability to the sale of such Parent Shares of Rules 144 and 145(d) promulgated under the Securities Act.

I hereby represent and warrant to and covenant with Parent that I will not sell, assign or transfer any Parent Shares except (i) pursuant to an effective registration statement under the Securities Act, (ii) by a sale made in conformity with the volume and other limitations of Rule 145 (and otherwise in accordance with Rule 144 under the Securities Act, if I am an affiliate of Parent and if so required at the time) or (iii) in a transaction which, in the opinion of independent counsel reasonably satisfactory to Parent or as described in a "no-action" or interpretive letter from the Staff of the Commission reasonably satisfactory to Parent, is not required to be registered under the Securities Act. In the event of a sale of Parent Shares pursuant to Rule 145, I will supply Parent with evidence of compliance with such Rule, in the form of customary seller's and broker's Rule 145 representation letters or as Parent may otherwise reasonably request.

I understand that Parent is under no obligation to register the sale, assignment, transfer or other disposition of Parent Shares by me or on my behalf under the Securities Act or to take any other action necessary in order to make compliance with an exemption from such registration available solely as a result of the Merger.

I acknowledge and agree that appropriate legends will be placed on certificates representing Parent Shares delivered to me or held by a transferee thereof, which legends will be removed (i) by delivery of substitute certificates upon receipt of a letter from the Staff of the Commission, or an opinion of counsel in form and substance reasonably satisfactory to Parent, to the effect that such legends are no longer required for the purposes of the Securities Act and the rules and regulations thereunder or (ii) in the event of a sale of Parent Shares which has been registered under the Securities Act or made in conformity with the provisions of Rule 145.

I further understand and agree that Parent may instruct the registrar for the Parent Shares not to register the transfer of any Parent Shares held by me unless any such transfer is made in accordance with this letter agreement.

Execution of this letter should not be considered an admission on my part that I am an "affiliate" of the Company as described in the first paragraph of this letter, or as a waiver of any rights I may have to object to any claim that I am such an affiliate on or after the date of this letter.

This letter agreement constitutes the complete understanding between Parent and me concerning the subject matter hereof. This letter agreement shall be governed by and construed and interpreted in accordance with the laws of the Commonwealth of Pennsylvania applicable to contracts to be performed wholly in the Commonwealth of Pennsylvania.

If you are in agreement with the foregoing, please so indicate by signing below and returning a copy of this letter to the undersigned, at which time this letter shall become a binding agreement between us.

Very truly yours,
