Dear Mr. Walker:

We understand that URA, Inc. has applied with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania including our company's service area.

Because URA, Inc. intends to only provide natural gas aggregating, brokering and consulting services at this time, we have determined that URA, Inc. will not be required to post a bond or other form of financial security instrument to provide these services in our service area. However, if the services provided or failure to meet our requirements for credit worthiness changes in the future, we reserve the right to require security from URA, Inc. as deemed appropriate.

If you have any questions, please contact Mrs. Marjorie Johnston at 570-888-9664.

Sincerely,

Dear Mr. Walker:

This letter serves as notification that Peoples TWP LLC does not require URA Inc. to provide a security or credit enhancement at this time. Our decision is based on the fact that your company is not currently operating, and has no immediate plans to operate, a Non-Priority One Pool or a Priority One Pool on the Peoples TWP system. However, if in the future your company desires to establish a Non-Priority One Pool or a Priority One Pool on the Peoples TWP system, it may be required to establish a security or credit enhancement based on the terms set forth under Paragraphs 19 and 20 of the Rules and Regulations of the Peoples TWP Tariff.

If you have any questions feel free to contact me at 724-431-4935 or by email at [Andrew.Wachter@peoplestwp.com](mailto:Andrew.Wachter@peoplestwp.com).

Re: Security Requirement for Utility Rates Analysts

Dear Mr. Walker:

National Fuel Gas Distribution Corporation ("NFGDC") is aware that Utility Rates Analysts, Inc. ("URA") has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, URA must furnish acceptable security to each utility where URA will do business. As such, under its tariff, NFGDC could require URA to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that URA intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, URA will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, URA does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by URA change in the future, NFGDC reserves the right to require security from URA as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7599.

Yours truly,
