Organizational Chart of Infinity Power Partners, LLC

Peter Selber
Managing Partner

Peter Selber has four and a half years of experience working in deregulated electricity and natural gas markets. Prior to forming Infinity Power Partners, Peter was an energy consultant at Choice Energy Services Retail where he started as an intern and worked his way up to consulting for large/mid commercial and industrial customers across Texas. In this role, Peter was also responsible for managing a team of four sales professionals where he assisted with the facilitation of structuring and negotiating retail electricity contracts, and successfully growing the group's sales year-over-year. By his final year of employment at Choice Energy Services, and through his sales efforts during the three year period, Peter grew his portfolio of cliental to an annual load exceeding 100,000 mWh's of electricity, and over 300,000 MMBtu of natural gas.

Since forming Infinity Power Partners twelve months ago, Peter has been instrumental in helping to build on their Texas portfolio with an annual consumption exceeding 200,000 mWh's of electricity and 300,000 MMBtu of natural gas. Through Peter's commitment and dedication, Infinity Power Partners has been successful in building a team capable of offering industry expertise, while providing their clients with an honest and transparent first class approach to energy procurement.

Nick Altman
Managing Partner

Nick Altman has three and a half years of experience working in deregulated electricity and natural gas markets. Immediately prior to forming Infinity Power Partners, Nick was an energy consultant at Choice Energy Services Retail where he focused his efforts on large/mid commercial real estate portfolios within ERCOT. In this role, Nick was responsible for managing a team of three sales professionals, and overseeing the facilitation and execution of retail electricity contracts. During his two years of employment at Choice Energy Services, Nick successfully grew his portfolio to where he was managing an annual load of 150,000 mWh's of electricity for his clients.

Nick and has been an integral part of the early success Infinity Power Partners has realized. As *co-managing partner and head of sales*, Nick recently finalized an eight year electricity contract for a publicly traded institution totaling over 150,000 mWh's over the term of the contract. Nick continues to devote his time and effort to growing Infinity Power Partners the right way, ensuring that the business conducted is that of shared common goals and values between himself, their team, and the portfolio of existing client.

Ron Fort
Director of Risk Management

As *Director of Risk Management*, Ron is responsible for expanding and maintaining Infinity Power Partners ever-growing presence in ERCOT, and the other U.S. markets we intend to enter in the future. Infinity Power Partners prides itself on the wealth of knowledge Ron is able to offer with his thirty-five years of industry experience, appreciation and respect for client's needs, and unique ability to provide an honest and transparent view of the market place. Before joining Infinity Power Partners, Ron was instrumental in developing advanced energy pricing structures innovative ideas for the purchasing, hedging and monitoring the energy market, ensuring his clients capture the most value possible for their business.

His experience includes managing forward NYMEX and Heat Rate curves, analyzing those curves against client specific appetite and risk, while making sure the client's goals are always met. Throughout his thirty-five years of experience, Ron continues to successfully do such things as assembling and facilitating power price management tools, on-going risk management and analysis for the Infinity Power Partners portfolio, and structuring client specific products and contracts for execution.

Viewed as a top expert of price curve models and his well-known creative success with structuring procurement strategies, Ron is frequently asked to contribute commentary and offer insight to media outlets within in the industry. In the past, Ron has presented to forums which include The Houston Chronicle and Energy Risk magazine.

Charles Nguyen-Phuoc
Director of Client Operations

With over ten years of energy industry experience, specifically that of operations, Charles provides Infinity Power Partners and their clients with the necessary expertise and focus required in order to be a successful energy management firm in the retail power, oil and gas markets. He has a strong knowledge base in contract negotiations, excellent customer service, and a wide range of industry contacts that help to ensure client's needs are always met.

His participation in the retail power market began with validation of client data and contract creation and execution. While at Reliant Energy, his experience with retail energy providers and ERCOT protocol has helped to maintain a high level of customer service. He holds a Bachelor of Science degree from the University of Houston. As the Director of Client Operations at Infinity Power Partners, Charles primary role is to handle and manage any customer related issue that may arise, facilitate the creation and release of customer analysis, and communicate clear and concise information to both clients and suppliers.
