STANDARD CONTRACT RIDERS - (Continued)

**RIDER NO. 1 – CONSUMER EDUCATION SURCHARGE**

(Applicable to all Rates)

The Consumer Education Surcharge ("CES") was instituted as a cost recovery mechanism to recover the costs associated with implementing the Company's Consumer Education Plan. The CES was added per Commission Order dated August 21, 2008, at Docket No. M-2008-2032278. The CES shall remain in effect to recover all expenses associated with Commission-mandated consumer education activities that are directed by the Commission to be recovered through the CES and that are not otherwise being recovered in base rates. The CES will be recomputed annually and filed, to be effective June 1 of each year, unless the new rate is such a small change as to warrant no change in rates. The CES shall be applied to all customers' bills. The CES process will reconcile actual expense with revenue billed in accordance with this Rider.

Where **CES** = Consumer Education Surcharge, a fixed charge in cents per month, to be billed to each customer served under the applicable Tariff rate class.

**CE** = Projected annual RMI education and other Commission-mandated consumer education related expenses for education activities directed by the Commission in dollars for each customer class for the filing year.

**C** = Projected average number of customers per customer class for the filing year.

**e** = The net overcollection or undercollection of the RMI education and other consumer education related expenses directed by the Commission as computed for each customer class as of the end of the reconciliation year.
