Dear Administrative Law Judge Vero:

I respectfully request that the referenced appeal be opened and the hearing on that appeal be relisted for hearing because on Thursday, August 15, 2013, I received from respondent proposed terms of settlement which are significantly different from those terms to which I understood respondent and I agreed. The respondent now demands that I pay amount it claims for "unauthorized use" and another amount (approximately \$900.00) from an unidentified origin. I did not agree to the language or that amount. In the interim, I will attempt to workout these variants with the respondent. I request a hearing as soon as practicable, should I fail.

Thank you for your favorable consideration of this request.

Sincerely,  
  
Marshall L. Williams
