Dear Mr. Chavetta,

This is an answer to the packet given to me from PECO. The income reported to the Commission was a wrong amount. They stated that we had a gross monthly income of \$6,887.00 per month.

But in fact we have a gross income of \$5,549.00.

I was told by a Commission Representative that the amount of \$1,770.00 per month may be reduced because of the difference of income stated. I have pay stubs and W2 from 2012 for proof if needed. Thank you for your consideration.
