As your records will indicate, I represent Applicant in the above captioned application proceeding. My Pennsylvania Supreme Court number is 29681.

This will confirm my telephone today with David Thompson, Compliance Specialist, Bureau of Technical Utility Services, during which I, on behalf of my client, am requesting the following: (a) permission to amend the Application to correct the identity and number of Applicant's limited liability company members; (b) permission to amend Applicant's supporting statement to correct and further clarify Applicant's proposed financial information/position, the type and amount of vehicles to be utilized, the type and amount of office equipment to be utilized, and office and driver personnel to be utilized; and (c) an additional 20 days from today (or until September 12, 2013 to supply the amending and clarifying additional information.

My client will require this additional time to secure and supply the information requested, especially as to documenting company ownership, and clarifying proposed financial, vehicle, and personnel information. Accordingly, Applicant submits there is a need for requesting the additional 20 days.
