**Philadelphia Gas Works' Objections to
Application of Subpoena of SBG Management Services, Inc.**

Pursuant to 52 Pa. Code §5.421, the Philadelphia Gas Works ("PGW") files its Objections to the SBG Management Services, Inc. ("SBG") Application for a subpoena ordering Randy Hollman, a PGW employee to appear at hearings to be held on September 11 and 12, 2013 at the Commission's Philadelphia Office at 10:00 a.m. In support of its objections, PGW hereby avers the following:

1. On August 27, 2013, SBG served upon PGW, the above mentioned subpoena, ordering Randy Hollman, a PGW employee to appear at hearings to be held on September 11 and 12, 2013 at the Commission's Philadelphia Office at 10:00 a.m. under the above referenced nine docketed matters.

2. At Paragraph 2, the subpoena states:

And bring with you and produce the following: Any and all documents related to the investigation and response of PGW to SBG's requests for information on PGW's bills for SBG related properties, including but not limited to the calculation and imposition of all rates, charges, fees, interest, late penalty charges and tariffs and of the application of any and all payments by the SBG related parties in connection with gas usage for the properties that are the subject of the attached complaints. Also produce information on those individuals who have knowledge and information on the training, evaluation, and supervision of those PGW employees whose job functions or responsibilities include billing customers, responding to and investigating customer billing questions and disputes, and with creating, implementing and evaluating the effectiveness and impact of any policies and procedures regarding the same.

3. The subpoena application document served upon PGW for the subpoena of Randy Hollman fails to conform with the prescribed form and content of the application for a subpoena under the Commission's Rules of Administrative Practice and Procedure at 52 Pa. Code §§5.421(b) and (c). The document served does not constitute an application for a subpoena as the document fails to list the facts to be proved by the requested information in sufficient detail to indicate the necessity of the information requested. The document fails to specify the general relevance, materiality and scope of the testimony and information. Further, the document failed to contain a

notice that a response or objection to the application document shall be filed with the Commission and presiding officer within 10 days of service of the application document.

4. As hearings have already been held in most of the above referenced docketed matters, SBG has completed its case in chief in the consolidated matters docketed at C-2012-2304215 (Fairmount Manor), C-2012-2304167 (Elrae Garden) and C-2012-2304303 (Marshall Square). The parties will discuss further hearing dates for the presentation of PGW's case in chief for these matters. Thus, the subpoena of Mr. Hollman in these consolidated matters is not in order.

5. According to the order of witnesses described by SBG counsel at the hearing ending August 30, 2013, all SBG witnesses, save Ms. K. Treadwell, have completed their testimony in the consolidated matters docketed at C-2012-2304183, C-2012-2334253 (Colonial Garden) and C-2012-2304324 (Simon Garden). The parties will discuss further hearing dates for the completion of Ms. Treadwell's direct testimony, cross examination and the presentation of PGW's case in chief for these matters. Thus, the subpoena of Mr. Hollman in these consolidated matters is not in order.

6. According to the presiding officer's directive concerning the matters docketed at C-2012-2308465 (Fern Rock), C-2012-2308462 (Oak Lane) and C-2012-2308462 (Marchwood) the parties will be scheduled to file written direct and rebuttal testimony with hearings for cross examination to follow. As the hearing date for that matter has not been established, the subpoena of Mr. Hollman in this consolidated matters is premature.

7. On the face of the subpoena document, Mr. Hollman is ordered to appear for a hearing on September 11 and 12, 2013. These hearing dates have been cancelled. The subpoena document is of no value, as it fails in its primary purpose to inform the person who is the subject of the subpoena to appear at a hearing on a date certain.

Wherefore, PGW respectfully requests that this Commission deny the Complaint's application document for the subpoena of Randy Hollman for the above stated reasons.

Respectfully submitted,
