PROTEST OF

BUTLER TRUCKING COMPANY

FILE

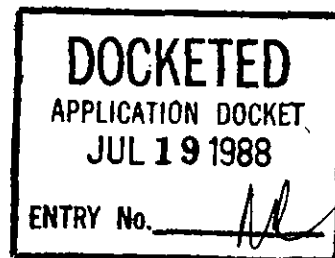

COMES NOW, BUTLER TRUCKING COMPANY, a motor common carrier holding operating authority from the Pennsylvania Public Utility Commission, and files this, its Protest to the above application. A copy of the publication of that application is attached hereto as Appendix A.

1. The name and address of Protestant are as follows:

Butler Trucking Company
P. O. Box 88
Woodland, PA 16881

2. The name, address and telephone number of Protestant's attorney are as follows:

Dwight L. Koerber, Jr., Esquire
KRINER, KOERBER AND KIRK
110 North Second Street
P. O. Box 1320
Clearfield, PA 16830
(814) 765-9611

3. Protestant is ready, willing and able to provide all or part of the services proposed herein, consistent with its operating authority and equipment.

4. Under its certificate in A-92978, Folder 1 and Amendments thereto, including Amendment Q and Amendment R, protestant is authorized to provide service in conflict with this application. In fact, protestant is currently serving the supporting shipper, McConway & Torley Corporation. Attached hereto as Appendix B is a copy of protestant's operating authority, covering its Amendment R and Amendment Q grants of authority, which are the authority upon which protestant relies in order to provide service for the supporting shipper.

5. It is Protestant's position that granting this application would be contrary to the public interest, as it would have an adverse impact upon the operations of Protestant by depriving it of traffic that would complement its present operations.

6. Protestant knows of no restrictive amendment that would satisfy its interest at this time, but would consider a restrictive amendment that would include deletion of the scope of the application that conflicts with the authority protestant holds in its Amendment R and Amendment Q certificate.

7. Protestant requests, pursuant to Section 333(c) of the Public Utility Code, that applicant furnish it with the names of supporting shippers and a summary of their testimony.

Respectfully submitted,

KRINER, KOERBER AND KIRK
