DECISION

No. MC-F-19416 TA

PITT-OHIO EXPRESS, INC. -- PURCHASE EXEMPTION --
TOSE-FOWLER, INC.

Decided: June 2, 1989

On May 26, 1989, Pitt-Ohio Express, Inc. (lessee), of Pittsburgh, PA, filed an application under 49 U.S.C. 11349 for temporary authority (TA) to lease the operating rights of Tose-Fowler, Inc. (lessor), of Scranton, PA, which are contained in (1) lessor's Interstate Commerce Commission Permit No. MC-7698 (Sub-No. 20), and (2) those portions of lessor's Pennsylvania Public Utility Commission Certificate in Docket No. A-00068623 which are indicated in the appendix to this decision, pending the final disposition of a concurrently filed petition for exemption under 49 U.S.C. 11343(e).

Applicants have demonstrated that failure to grant the TA may result in destruction of or injury to lessor's operating rights, or substantially interfere with their usefulness in providing adequate and continuous service to the public. Accordingly, the TA should be granted. See 49 U.S.C. 11349(a).

This decision will not significantly affect the quality of the human environment or the conservation of energy resources.

It is ordered:

(1) Lessee is authorized to lease the operating rights of lessor (as specified in the Appendix) for a period of 180 days. However, pursuant to 49 CFR 1163.1(a)(2), this authority shall be extended until final disposition of the related exemption petition, unless otherwise ordered by the Commission.

(2) Lessee may begin operations under the leased authority, using the lessor's docket number(s), as soon as it complies with the conditions set forth in 3(a) below.

(3) The authority granted by this decision shall terminate unless lessee shall have:

(a) complied with the appropriate statutory and regulatory provisions (i) for certificates, governing insurance, tariffs, and designation of agents (see 49 U.S.C. 10927, 10761-62, and 10330; accord, 49 CFR Parts 1043, 1312, and 1044),

and (ii) for permits, governing insurance, designation of agents, and contracts (see 49 U.S.C. 10927, 10330, and 10764; accord, 49 CFR Parts 1043, 1044, and 1053);

(b) commenced operations pursuant to the authority granted in this decision;

(c) confirmed, in writing, to the Commission, immediately upon commencement of operations, the date operations were commenced; and

(d) filed with the Commission 3 copies of the approved lease agreement, if this has not previously been done.

By the Commission, the Motor Carrier Board, Members

(SEAL)

Noreta R. McGee
Secretary.

APPENDIX

This notice authorizes, subject to the terms and conditions stated above, the temporary lease of lessor's operating rights which are contained in (1) lessor's Interstate Commerce Commission Permit No. MC-7698 (Sub-No. 20), and (2) the following portions of lessor's Pennsylvania Public Utility Commission Certificate in Docket No. A-00068623: (a) the authorization in folder 5, AM-E to transport, as a Class D carrier, property between points in and east of the Counties of Adams, Cumberland, Perry, Juniata, Mifflin, Clinton, and Tioga, PA, (b) the authorization in folder 5, AM-F, to transport property, in dump vehicles, between points in the Borough of Moosic, Lackawanna County and within an airline distance of 50 statute miles of the limits thereof, and from points in the said area to points within an airline distance of 125 statute miles of the limits of the Borough of Moosic, Lackawanna County, and vice versa, (c) the authorization in folder 3, paragraph 5, to transport, as a Class B carrier, property between points in the City of Scranton, Lackawanna County and within 3 miles of the limits of said city (limited to the transportation of household goods), and (d) the authorization in folder 15 (second paragraph) to transport, as a Class D carrier, household goods in use, from points in the City of Scranton, Lackawanna County and within 3 miles of the limits of said city to other points in Pennsylvania, and vice versa.
