Application  
Docket No.

**RECEIVED**

PA PUBLIC UTILITY COMMISSION  
SECRETARY'S BUREAU

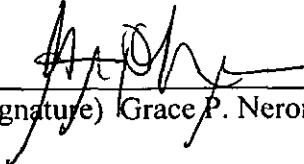

To Pennsylvania Public Utility Commission:

1. The name and address of applicant are Chevron Appalachia, LLC ("Chevron") at 1550 Coraopolis Heights Road, 3<sup>rd</sup> Floor, P.O. Box 611, Moon Township, Pa 15108.
2. Kevin D. Coleman is Counsel for Chevron and has an address at 1550 Coraopolis Heights Road, 3<sup>rd</sup> Floor, P.O. Box 611, Moon Township, Pa 15108.
3. Chevron has drilled and intends to drill multiple oil and gas wells on properties to the east of the Monongahela River in Fayette County.
4. In furtherance of its oil and gas operations in this area, Chevron proposes to install a water line at the roadway at the location where East Riverside Road (aka, "T-305") crosses below grade of the tracks of Norfolk Southern Railroad Corporation, located at approximately 39° 55' 56.0", -79° 55' 54.5", located in Luzerne Township in Fayette County ("the Crossing") as shown in the attached Exhibit A – "Young Waterline" which is a site plan prepared by Gateway Engineers.
5. The proposed line will transport water pumped from the Monongahela River to oil and gas well sites on properties. The 16" HDPE water line will require an open cut under the railroad bridge, which is more than 12 feet higher than the ground elevation. This portion of East Riverside Road right of way is un-opened and unimproved.
6. As part of this project, Chevron also proposes to upgrade East Riverside Road, including the portion of this road located at the Crossing. Luzerne Township has approved of these proposals and has granted Chevron a right of way for the waterline and has executed an agreement with Chevron pertaining to the upgrade of East Riverside Road. These agreements are attached hereto as Exhibits B and C and contain additional site plans prepared by Gateway Engineer relative to this proposal.
7. No utilities will be impacted by the above described proposals.
8. Chevron has shared these plans with Norfolk & Southern Railroad Corporation and has incorporated changes to the plans in response to comments that Chevron received from Norfolk & Southern Railroad Corporation regarding the plans.

9. Chevron will be responsible for the costs of the installation of the water line as well as its ongoing maintenance.
10. Chevron will be responsible for the costs of performing the road upgrade described in Exhibit D. However, as noted in Exhibit D, Luzerne Township will continue to own and be responsible for ongoing maintenance of East Riverside Road.
11. The installation of the water line is necessary for Chevron's oil and gas well drilling operations.

Wherefore, applicant prays your Honorable Commission to approve the application:

Date: 13<sup>th</sup> September 2013
