**COMMUNITY ACTION ASSOCIATION OF PENNSYLVANIA'S
PRE-HEARING CONFERENCE MEMORANDUM**

I. HISTORY

The Community Action Association of Pennsylvania (CAAP) intervened in this matter by Petition to Intervene electronically filed with the PUC on September 23, 2013. CAAP is a statewide association representing Pennsylvania's community action agencies that provide anti-poverty planning and community development activities for low income communities and services to individuals and families. CAAP has intervened in prior matters before the Pennsylvania Public Utility Commission for the purpose of addressing a company's universal service programs and the effects of any requested rate increases on low-income customers. CAAP intervened in this particular matter to examine the effect of the proposed rate increase and rate structure on low-income customers and to address whether the Company's universal service programs are appropriately funded and available.

II. ISSUES TO BE PRESENTED BY CAAP

1. Whether the Company's universal service programs are appropriately funded and available and whether those programs will remain appropriately funded and available if the request for a rate increase is granted?

2. The effect of any proposed rate increase or rate structure on the residential customer class and particularly low-income, residential customers.

3. Such other additional issues as may arise during the discovery process.

III. WITNESSES

CAAP will present the testimony of Susan A. Moore-Wychulis, Chief Executive Officer of CAAP, to address the issues above-described. CAAP reserves the right to supplement this list of witnesses.

IV. PROPOSED SCHEDULE

It is CAAP's understanding that the parties, including CAAP, have agreed upon a proposed schedule.

Respectfully submitted,
