Dear Sir:

On March 13, 1998, a safety fitness review was conducted by an enforcement officer of the Pennsylvania Public Utility Commission. As a result of that review, your compliance with the Commission's motor carrier safety requirements has been determined to be:

SATISFACTORY

A satisfactory review indicates that you have demonstrated at least a minimal compliance with this Commission's motor carrier safety regulations. The evaluation performed by this Commission is not a substitute for, or related in any way to, a rating issued by the Federal Highway Administration or any agency of another state.

If you have not already done so, to insure that all deficiencies identified on the Safety Fitness Review Report are corrected, please send a letter outlining the measures taken to correct those deficiencies to the district office noted on Page 5 of the safety fitness review report.

If you have any questions, please call this Commission's Motor Carrier Safety Office at (717) 772-2254.

Very truly yours,

James J. McNulty
Secretary
