RE: Idrissa Koroma v. Philadelphia Gas Works, Docket No. F – 2013 – 2343274

Dear Judge Vero:

Please find enclosed PGW Exhibit – 6, with one caveat. The document referred to at the hearing on May 20, 2013 in this matter was obtained by running the Complainant's Social Security Number through the Accurint System for a comprehensive report just prior to the hearing. Although we provided a copy to Mr. Koroma, I did not know that we did not have another at PGW. I contacted Mr. Koroma to ask him to make another copy of the document for PGW. He told me that he would look through his materials but could not get back to me until next week.

The enclosed document was also obtained by running the Complainant's Social Security Number through the Accurint System on September 18, 2013. With the passage of time the Accurint report gathered additional information resulting in 21 pages.

If you need additional information about this matter, please contact me at my direct-dial number above. Thank you.

Sincerely,

Laureto Fariñas

Important: The Public Records and commercially available data sources used on reports have errors. Data is sometimes entered poorly, processed incorrectly and is generally not free from defect. This system should not be relied upon as definitively accurate. Before relying on any data this system supplies, it should be independently verified. For Secretary of State documents, the following data is for information purposes only and is not an official record. Certified copies may be obtained from that individual state's Department of State. The criminal record data in this product or service may include records that have been expunged, sealed, or otherwise have become inaccessible to the public since the date on which the data was last updated or collected.

Accurint does not constitute a "consumer report" as that term is defined in the federal Fair Credit Reporting Act, 15 USC 1681 et seq. (FCRA). Accordingly, Accurint may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or another permissible purpose under the FCRA.
