8. The nature and character of the service to be rendered by applicant as a  common carrier or as a  contract carrier under the terms of the attached contract or agreement, are as follows: (See instructions)
  
9. (a) If applicant seeks authority as a  common carrier, state information why the proposed service is necessary or proper for the service, accommodation and convenience of the public.
  
- (b) If applicant seeks authority as a  contract carrier, applicant certifies that he is fit, willing and able properly to perform the service of a contract carrier by motor vehicle and to conform to the lawful orders and regulations of this Commission, and that the proposed service will be consistent with the public interest and will not interfere with the service and regulations of common carriers by motor vehicles and the policy declared in Section 801 of the Public Utility Law.
  
10. Applicant is not now engaged in any intrastate transportation of property for compensation in Pennsylvania (except as authorized by the certificates of public convenience or permits specified in Paragraph 5) and will not engage in the transportation for which approval is herein sought unless and until authorization for such transportation shall be received.
  
11. If the evidence presented in support of this application shows that applicant, although applying for a certificate of public convenience as a common carrier, would be entitled to

a permit as a contact carrier, or if applying for a permit, would be entitled to a certificate, as aforesaid, applicant agrees that the application may be considered by the Commission to be for the appropriate form of authority.

Wherefore, applicant prays your Honorable Commission to issue XXX a certificate of public convenience;          a permit; under the provisions of the Pennsylvania Public Utility Law, evidencing its approval of the right to operate motor vehicles for the transportation of property as described in Paragraph 8 of this application.

SUPPLEMENT TO PARAGRAPH 8

KLAPEC TRUCKING COMPANY

Scope of Authority Sought

The nature and character of the service to be rendered by applicant as a common carrier is as follows:

To transport, as a Class D carrier, iron and steel, iron and steel articles, and machinery and machinery parts, between points in the City of Oil City, Venango County, and within an airline distance of 30 statute miles of the limits of said city; and from points in said city and 30 statute mile territory to points in Pennsylvania, and vice versa.

SUPPLEMENT TO PARAGRAPH 9(a)

KLAPEC TRUCKING COMPANY

Applicant requests the proposed authority in order to provide adequate motor carrier service in the application area which is presently unavailable.

September 24, 1982
