Dear Sir/Madam:

On 03/16/2012, an enforcement officer of the Pennsylvania Public Utility Commission conducted a safety fitness review. As a result of that review, your compliance with the Commission's motor carrier safety requirements has been determined to be:

SATISFACTORY

A satisfactory review indicates that you have demonstrated at least a minimal compliance with this Commission's motor carrier safety regulations. The evaluation performed by this Commission is not a substitute for, or related in any way to, a rating issued by the Federal Motor Carrier Safety Administration or any agency of another state.

If you have not already done so, to ensure that all deficiencies identified on the Safety Fitness Review Recommendations page have been corrected, please send a letter outlining the measures taken to correct those deficiencies to the district office noted on that page. However, if no deficiencies are noted, no correspondence is required.

If you have any questions, please call this Commission's Motor Carrier Safety Office at (717) 772-2254.

Very truly yours,

Rosemary Chiavetta
