To whom it may concern I
Sherry Dixon received a letter
from Peco stating why I did
not send a letter from my job
that I'm not aloud to use my
cell at work. My job said they
do not give out such letters.
But if the Judge give me a
paper requesting to know our
policies on cell phones they will
fill it out. Peco also stated why
I didn't request a vacation day
I just had a death in my family
and do not have any vacation time.
I also have been paying on
my bill they stated I have not
been paying and have receipts. This
has only been the second time I asked
for a time change. Peco also
stated I requested more then
twice for a time change
which is not true.

Thank you

Sherry Dixon
