RE: Tiger Natural Gas, Inc., Filing/License # A-125081
Amendment to 'Customer Class' – adding Residential to our potential customer base.
Supplemental information – Bonding Letter from ColumbiaGas of Pennsylvania.

Secretary of the Commission:

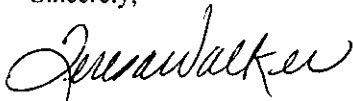

Please accept this letter, and the Bonding Letter as supplemental information to our original amended filing dated June 26, 2013.

The original amended filing was submitted as our request to add residential customers through out Pennsylvania to our customer base. On October 4, 2013, Tiger Natural Gas, Inc. submitted a correction to the original amended filing of June 26, 2013, requesting to limit residential service to customers on Columbia of Pennsylvania only. Accordingly, we have attached the Bonding letter specific to Columbia Gas of Pennsylvania.

Please do not hesitate to contact me if you have any questions or if additional information is needed.

Thank you for considering this amendment request.

Sincerely,

Teresa Walker,

Dear Tiger Natural Gas:

We are pleased that Tiger Natural Gas ("TIGER") has applied for a license to provide Natural Gas Supply Service on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, TIGER could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. We have determined at this time that TIGER has met the financial security requirement to provide Natural Gas Supply Service to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to TIGER changes in the future, Columbia Gas might deem it appropriate to require TIGER to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-6841 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Michele Caddell
Manager, Supplier Services
