Dear Mr. Sokol:

This letter serves as notification that Peoples TWP LLC does not require Plymouth Rock Energy, LLC to provide a security or credit enhancement at this time. Our decision is based on the fact that your company is not currently operating, and has no immediate plans to operate, a Non-Priority One Pool or a Priority One Pool on the Peoples TWP system. However, if in the future your company desires to establish a Non-Priority One Pool or a Priority One Pool on the Peoples TWP system, it may be required to establish a security or credit enhancement based on the terms set forth under Paragraphs 19 and 20 of the Rules and Regulations of the Peoples TWP Tariff.

If you have any questions feel free to contact me at 724-431-4935 or by email at [Andrew.Wachter@peoplestwp.com](mailto:Andrew.Wachter@peoplestwp.com).

Sincerely,
