RE: Financial Security Requirements

Dear Mr. Chan,

UGI Utilities, Inc. ("UGIU") has reviewed the applications of Planet Energy (Pennsylvania) Corp, ("PLANET ENERGY") to serve as a Choice Supplier in the service territories of UGI Penn Natural Gas, Inc. ("PNG") and UGI Central Penn Gas, Inc. ("CPG"). Based on this review and the requirement that PLANET ENERGY must post security as specified in the PNG and CPG Supplier Coordination Tariffs before it serves customers on the PNG and CPG distribution systems, UGIU has determined that PLANET ENERGY has demonstrated adequate creditworthiness to satisfy any costs PNG and/or CPG may incur in the event they operate as a supplier of last resort due to a default on the part of PLANET ENERGY.

This determination may change in the event there is a material deterioration in PLANET ENERGY's financial condition, if PLANET ENERGY's obligations to PNG and/or CPG exceed the amount of the financial security provided, if the financial security is withdrawn or is deemed to be null and void or inadequate due to the material financial deterioration of any guarantor, or if PLANET ENERGY fails to abide by the terms and conditions of the PNG and/or CPG Gas Tariffs and the PNG and/or CPG Natural Gas Supplier Coordination Tariffs.

Please feel free to contact me with any additional questions that you may have. I can be reached at (610) 796-3520

RE: Security Requirement for Planet Energy (Pennsylvania) Corp.

Dear Planet Energy (Pennsylvania) Corp:

Pursuant to 66 Pa. C. S. § 2208 (c), an applicant for a natural gas supplier license in the Commonwealth of Pennsylvania must furnish security to each utility where the supplier will do business to ensure the financial responsibility of such natural gas supplier. To this end, National Fuel Gas Distribution Corporation ("National Fuel") has performed a credit review and analysis of Planet Energy (Pennsylvania) Corp. ("PEC") and has determined that PEC must post a security deposit in cash, or a form of security acceptable to National Fuel, to operate as a supplier on National Fuel's system.

PEC's security requirement to serve Pennsylvania customers is dependent on the type of transportation service utilized by PEC. There is no Natural Gas Supplier (NGS) security requirement for customers that will be enrolled in National Fuel's Purchase of Receivable (POR) program. As such, PEC will not be required to post security for customers enrolled in the POR program. A security deposit will be required for transportation customers not enrolled in the POR program.

Should you have any questions concerning the above, please contact me at 716-857-7599.

Yours truly,

Nathan E. Barnes

If the carriage involves an ultimate destination or a stop in a country other than the country of departure, the Convention (as defined below) may apply and limit the liability of the carrier in respect of loss of, damage to or delay of cargo. "Convention" means the Convention for the Unification of Certain Rules relating to International Carriage by Air, signed at Warsaw, Poland, 12 October, 1929, or the Convention for the Unification of Certain Rules for International Carriage by Air, signed at Montreal, Canada, 28 May, 1999, or those Conventions as amended or supplemented as may be applicable to the carriage hereunder. There are no specific stopping places which are agreed to, and the carrier reserves the right to select the route and the mode of transportation that the carrier deems appropriate. The consignor warrants that the shipment is properly described on this bill of lading and on any accompanying documentation, and that the shipment is properly marked, addressed and packed to ensure safe transportation in accordance with the carrier's ordinary care in handling. Unless otherwise indicated on this bill of lading, the consignor waives its right to determine the volume or dimensions of the shipment, and to indicate same on this bill of lading. The consignor appoints the carrier as its agent for the performance of customs clearance and selecting a customs broker. ENTIRE AGREEMENT The terms and conditions contained in this bill of lading, including those incorporated herein by reference, constitute the entire agreement relating to the carriage of the shipment described in this bill of lading, and no agent, servant or representative of the carrier or consignor has the authority to alter, waive or otherwise modify any provision of this agreement. In tendering the shipment described herein for carriage, the consignor agrees to these terms and conditions on his own behalf and on behalf of the consignee and any other party claiming an interest in this shipment. Completion of the "from" field in this bill of lading is sufficient to constitute signature of this bill of lading by the consignor.
