

NOV - 6 2013

PA PUBLIC UTILITY COMMISSION  
SECRETARY'S BUREAUEXCEPTIONS

The decision of the ALJ was received on 10/28/2013 in being delivered by certified mail upon Burch contacting State Rep. S. Kinsley Office concerning this matter.

Upon reviewing the ALJ decision, she acknowledges the fact of the *CAP Program being a completely different program from the Residential estimated Budget Billing Program.*

ALJ committed errs and did not resolve this matter in PECO committing errs upon charging this household estimated residential rate each month and reviewing household every three months in PECO knowing this household to be on the Cap Program.

ALJ committed errs upon considering the arrears as being Cap arrears in the PECO Bill clearly showing in stating "Budget Billing" with the monthly amount constantly changing. Burch numerously asked in being in the dark just what the monthly cap amount is for this household. PECO never answered and the ALJ would not require PECO to give an answer as to the household monthly cap amount.

In this matter not being resolved by the ALJ, PECO still continue in committing errs upon reviewing this household every three months instead of every two years and still continue in charging this household "estimated residential rates each month" instead of a cap monthly amount pursuant to household gross monthly income in knowing this household is low-income and should be charged a cap monthly amount in being on the Cap Program and should not be charged an estimated residential rate and should not be reviewed every three months.

In this household being on other low-income programs pursuant to verified income upon these other low-income programs being notified of there being a changed in household gross monthly income these other low-income programs did make the adjustment pursuant to the change in the household gross monthly income. PECO, since June/2011 upon becoming notified of there being a change in household gross monthly income have acted contrary to the Cap Program in refusing and grossly neglecting to provide this household the cap amount pursuant to the change in the household gross monthly income and is reason why the PUC became contacted in PECO insisting and demanding this low-income household pay PECO each month an estimated residential rate instead of a cap monthly amount.

It is unclear as to why the Cap Program requires low-income household to verify their gross monthly income and to notify PECO whenever there is a change in the household monthly income upon PECO's witness testifying that PECO operates its Cap Program pursuant to household usage rather than low-income while charging the Cap Customer residential rates that are estimated pursuant to household past usage.

Household should not have to request PECO to remove household from PECO ESTIMATED RESIDENTIAL BUDGET BILLING PROGRAM upon this being errs perpetrated by PECO. Where household upon enrolling in the Cap Program did not agree to paying PECO estimated residential rates making it to be quite clear the arrears not

Because Judon is without any income made Burch to be responsible for paying Judon's PECO Bill. Burch monthly income is SSI and Burch should not be forced each month to pay PECO an estimated residential rate in this household being on the Cap Program.

ALJ, committed errs in the issue for the ALJ to determine do not concern nor has anything to do with usage as the issue before the PUC ALJ is " IN THE HOUSEHOLD BEING LOW-INCOME AND ON THE CAP PROGRAM OWES PECO ESTIMATED BUDGET BILLING RESIDENTIAL RATES ARREAR PAYMENTS AND IN THE HOUSEHOLD BEING ON THE LOW-INCOME CAP PROGRAM RESPONSIBLE AND REQUIRED TO PAY PECO EACH MONTH ESTIMATED RESIDENTIAL RATE BUDGET BILLING AMOUNTS" ? AND THIS THE PUC ALJ FAILED, OMITTED, AND NEGLECTED TO ADDRESS CONCERNING THESE ERRS BEING COMMITTED BY PECO- WITH IT BEING QUITE OBVIOUS THE FACT OF THE HOUSEHOLD NOT BEING ABLE TO BE ON THE LOW-INCOME CAP PROGRAM AND THE ESTIMATED RESIDENTIAL RATE BUDGET BILLING PROGRAM AT THE SAME TIME IN THESE TWO PECO PROGRAMS CONFLICTING WITH EACH OTHER.

CAP CUSTOMERS ARE REQUIRED TO PROVIDE PECO VERIFIED PROOF OF HOUSEHOLD GROSS MONTHLY INCOME IN THE CAP PROGRAM BEING A PROGRAM FOR LOW-INCOME HOUSEHOLD; (2) ARE TO NOTIFY PECO WHENEVER THERE IS A CHANGE IN THE HOUSEHOLD GROSS MONTHLY INCOME; (3) IS TO BE REVIEWED EVERY TWO YEARS.

THE BUDGET BILLING PROGRAM CONCERNS RESIDENTIAL RATE PECO CUSTOMERS WITH THE RESIDENTIAL RATE CUSTOMER BEING BILLED ESTIMATED RESIDENTIAL RATES PURSUANT TO THE HOUSEHOLD PAST USAGE WITH THE HOUSEHOLD BEING REVIEWED EVERY THREE-FOUR MONTHS WITHIN A YEAR PURSUANT TO HOUSEHOLD PAST USAGE AND BILLED AN ESTIMATED BILLING AMOUNT.

ALJ, IN FAILING, OMITTING, AND GROSSLY NEGLECTING TO HAVE PECO STATE FOR THE RECORD THE DISCOUNTED CAP RATE THIS HOUSEHOLD IS REQUIRED UNDER THE CAP PROGRAM TO PAY IN FULL AND ON TIME TO PECO IN THERE BEING A CHANGE IN THIS HOUSEHOLD GROSS MONTHLY INCOME LIKE THIS HOUSEHOLD IS ALSO IN THE DARK CONCERNING THE DISCOUNT CAP RATE THIS HOUSEHOLD UNDER THE CAP PROGRAM IS REQUIRED TO PAY PECO IN FULL AND ON TIME EACH MONTH TO PECO AND DO COMMIT PREJUDICIAL ERRS UPON CONSIDERING AND STATING THE ARREARS OF THIS HOUSEHOLD AS BEING CAP ARREARS AS THE PECO BILLS CLEARLY STATE AND SHOW THESE ARREARS AS BEING ESTIMATED RESIDENTIAL RATES BUDGET BILLING ARREARS AMOUNT AND NOT CAP ARREARS WITH THESE BUDGET BILLING AMOUNTS CLEARLY SHOWING THESE AMOUNTS TO CONSTANLLY CHANGE DURING THE YEAR EVEN THOUGH THERE HAS BEEN NO CHANGE IN HOUSEHOLD GROSS MONTHLY INCREASE SINCE THE INCOME DECREASED UPON JUDON'S UNEMPLOYMENT BENEFITS EXPIRING ON MAY/1/2011.

IT WAS FOR PECO AND THE ALJ TO CORRECT THE ERRS BEING COMMITTED BY PECO INSTEAD OF DISREGARDING THESE ERRS BEING COMMITTED BY PECO AS THESE ACTS OF PECO UPON ENROLLING HOUSEHOLD IN A RESIDENTIAL RATE ESTIMATED BUDGET BILLING PROGRAM CLEARLY SHOW AND DO ESTABLISH FACTS OF PECO COMMITTING HARMFUL ERRS AND OVER

BILLING THIS HOUSEHOLD AS HOUSEHOLD WAS REQUIRED TO PAY PECO EACH MONTH \$27, WHEN JUDON HAD AN INCOME.

COMMON SENSE ALERTS THE PERSON WITH LOGIC THAT IN HOUSEHOLD MONTHLY INCOME DECREASING IN HALF THAT PECO SHOULD NOT BE CHARGING THIS HOUSEHOLD AMOUNTS GREATER THAN \$27 AND THAT PECO SHOULD NOT BE BILLING THIS HOUSEHOLD: \$42, \$84, \$114, OR ANY AMOUNT GREATER THAN \$27 AND THAT THE DISCOUNT CAP RATE SHOULD BE IN AN AMOUNT LESSOR THAN \$27@ MONTH.

THIS MATTER NEVER BECAME RESOLVED BY THE PUC ALJ WITH THE PUC ALJ COMMITTING PREJUDICIAL ERR IN NEVER ADDRESSING THE ISSUE REGARDING THESE ERRS BEING COMMITTED BY PECO AGAINST THIS HOUSEHOLD, (2) IN NOT RESOLVING THIS MATTER, (3) UPON DISMISSING THIS MATTER, (4) IN FAILING, OMITTING, AND GROSSLY NEGLECTING TO PROVIDE THE APPELLANT WITH A COPY OF HER DECISION REGARDING THIS MATTER.

WHERE IT IS EVIDENCE IN BEING QUITE CLEAR FACT OF BURCH PROVING PECO EACH MONTH SINCE AUGUST/2011, IN APPROPRIATELY OVER BILLING THIS HOUSEHOLD IN CAP CUSTOMER NOT BEING SUBJECTED TO BE REVIEWED EVERY THREE-FOUR MONTHS BY PECO AND NOT SUBJECTED TO PAY PECO ANY **ESTIMATED BILLING AMOUNTS IN THIS NOT BEING INCLUDED IN THE CAP AGREEMENT CONTRACT BETWEEN THIS HOUSEHOLD AND PECO.**

**HOUSEHOLD UPON ENROLLING IN THE PECO CAP PROGRAM AND PROVIDING PECO WITH VERIFIED PROOF OF HOUSEHOLD GROSS MONTHLY INCOME DID AGREE TO PAY PECO IN FULL AND ON TIME EACH MONTH A DISCOUNT CAP RATE AND TO NOTIFY PECO WHENEVER THERE IS A CHANGE IN THE HOUSEHOLD GROSS MONTHLY INCOME.**

**THIS MATTER STILL HAS YET TO BE RESOLVED BY THE COMMONWEALTH OF PENNSYLVANIA PUBLIC UTILITY COMPANY IN PECO STILL REFUSING AND NEGLECTING TO INFORM THIS HOUSEHOLD OF THE DISCOUNT CAP RATE THIS HOUSEHOLD IS REQUIRED UNDER THE CAP PROGRAM TO PAY PECO IN FULL AND ON TIME EACH MONTH- WITH PECO STILL BILLING, INSISTING AND DEMANDING THIS CAP HOUSEHOLD PAY PECO EACH MONTH ESTIMATED RESIDENTIAL RATE PURSUANT TO HOUSEHOLD PAST USAGE WITH THESE ACTS OF PECO BEING CONTRARY TO THE LOW-INCOME CAP PROGRAM.**

## CONCLUSION

This matter should not be dismissed and instead should be remanded back to the ALJ for further hearing in PECO **not** providing the ALJ with the substantial evidence to review to make a factual determination as to the appropriateness of the billings being disputed.

PECO did not show nor factually prove to ALJ the billings in dispute as being appropriate and correct billing for the household.

PECO acknowledges the facts of errors being committed by PECO in not changing the "tier level" and was unclear as to how PECO determined the new tier level and was without proof to show the current tier level as being the appropriate tier level for the household.

- ALJ in not completing this hearing is not able to enter a fair decision in this matter and is not able to state as fact the billings in dispute as being appropriate cap billings in not being able to explain how PECO determined :
- the tier level the household is to be placed under and whether "tier E" was the appropriate tier level for household and,
- upon there being a change in the household gross monthly income whether " tier D" to be the appropriate tier for household
- the cap residential rate when the household usage each month was well below the anticipated average monthly usage and,
- how PECO determines the monthly rate whenever the household exceeds the anticipated average monthly usage.

PECO provided insert in the PECO Bill to help PECO Residential Customers to determine the monthly PECO Bill, however have not provided any information as to how the cap customer determines the cap monthly rates pursuant to the anticipated average monthly usage and how to determine the monthly bill amount whenever the household exceed the anticipated average monthly usage and without factual proof of this information renders the ALJ helpless to render a ruling such as PECO appropriately billing the household.

Household usage was well below the anticipated average monthly usage in being 389 kwh within a three- four months period with household paying \$ 27 @ month and upon review household was not billed pursuant to the past months usage but instead the bill increased to \$ 42 and continued in increasing without explanation with PECO not providing any information to enable the household to determine these increases in the PECO monthly billing.

# Conclusion F 2012 232 8890

Since PECO changed the tiers the billings decreases yet still continue in being high and on occasion have decreased as low as \$23; still, however, there is no information being provided for the cap customer to determine the accuracy and appropriateness of the bills in dispute.

in there being a hearing on record it was for PECO to provide this information for the ALJ to review and for the ALJ to make the determination based on this information that is to be provided by PECO.

Where the ALJ did commit err upon pre-maturely entering a ruling prior to completing the hearing upon the ALJ not reviewing all the evidence. There must be compliance and in the ALJ reviewing the evidence, the ALJ, is also to review for compliance and appropriate tier level and appropriate cap rate/ or non- discount rate to affirm PECO billings in dispute as being appropriate cap arrears leaving this matter to be unresolved and incomplete until PECO provides this evidence to the partipants for the ALJ to review in having this matter be resolved upon the ALJ reviewing all the evidence relevant to this matter providing substantial evidence in the record that shows and proves whether or not the bills in dispute are cap arrears and whether or not PECO is appropriately billing household each month. **Therefore because of the fact of the dispute in billing not becoming resolved in PECO withholding the relevant evidence needed to make a fair determination in regards to this matter this matter should not be dismissed and instead remanded back to the ALJ, for further hearing with PECO being required to provide to the partipants, PECO's written procedure for cap customer to determine household monthly PECO Bill in this information being an important factor -and relevant to this matter- in this factor being needed in making the determination as to " WHETHER THE BILLINGS IN DISPUTE ARE APPROPRIATE CAP MONTHLY RATE FOR THE HOUSEHOLD IN QUESTION";** with this hearing not being completed until PECO provide all the relevant factors to enable a proper determination in having this matter be rightly resolved in answer to the question regarding the bills in dispute.

ALJ, must first determine the appropriateness of the Cap Tier and monthly discounted or non-discount rate prior to determing and considering the bills in dispute as being appropriate cap billing and arrears with the ALJ not being able to do such unless/ until being provided with the appropriate information to review..

Phila., Pa. 19144

(Mrs.) Eunice Burch  
4901 Stenton Ave. H-5  
Phila Pa 19144

MEMO:

Eunice Burch v PECO Energy Company F-2012-2328890

On March 8, 2013, upon PUC Hearing Officer going on record regarding F-2012-2328890, it was for the Administrative Law Judge to determine whether CAP Household owe PECO a budget billing amount and is responsible for paying to PECO @ month an estimated Residential Service Rate R billing amount in the Household being on the CAP Program. It soon will be November/2013 and there still being no administrative decision entered regarding this matter..

PECO is to review CAP Household every two (2) years to determine continued eligibility with the Household having the responsibility of notifying PECO whenever there is a change in the household monthly income.

Upon PECO receiving verified information of the Household monthly income decreasing is for how long PECO have been billing this household estimated Residential Service Rate R billing amounts that changes every three (3) months- with PECO reviewing this household every three (3) months instead of every two (2) years even though the household income has been the same since June 2011 .

PECO since the household income decreased have been forcing the Household on the CAP Program to pay PECO the estimated Residential Rate R monthly billing amounts or be subjected to the service being shut-off.

Prior to the household monthly income decreasing the household was responsible for paying to PECO in full each month \$ 27 Common sense lets one know that the PECO monthly billing amount should be in an amount lessor than \$27 in the household monthly income changing from \$1400- \$700; PECO, however increased the billing amount to \$42 and within three (3) months increased the amount to \$82 with the amount continuing in increasing to almost \$150.

These acts of PECO are inconsistent and contrary to the CAP Program as it jeopardizes the Household ability to pay subjecting the household PECO Service being shut-off. PECO identifies its customers as : (1) Residential Service- Rate R, (2) Residential Heating Service-

10/22/2013

RECEIVED

NOV - 6 2013

PA PUBLIC UTILITY COMMISSION  
SECRETARY'S BUREAU

**Rate RH , (3) CAP-low income Resident- PECO Residential Service Rate R is billed pursuant to 500 kwh winter or summer, or 1,000 kwh winter or summer; CAP Customers are to be billed pursuant to an amount determined by the household gross monthly income.**

Therefore in constantly receiving shut-off notices from PECO and being forced to pay PECO estimated Residential Service Rate R to prevent the service from becoming shut-off- in this matter going on record on March 8, 2013, it is for the Pa. PUC Administrative Law Judge to enter an Administrative Decision as to whether or not the household owes and is obligated to pay PECO each month an estimated Residential Service -Rate R billing amount in being on the CAP Program. In other words should PECO be charging the CAP Customer each month an estimated Residential Service- Rate R budget billing amount where it should not take a competent person over seven (7) months to make a decision regarding this matter.

Budget Billing conflicts the program designed for low-income house as PECO Budget Billing jeopardizes the household from receiving the utility service in the billing cycle being estimated Rate R billing that changes every three (3) months irregardless of the household gross monthly income- while the CAP Program consider the household monthly income not to change within a two (2) year limit whereby making it to be the responsibility of the household to notify PECO whenever there is a changed in the household monthly income.

All available remedies have long been exhausted with the Pa. PUC Administrative Law Judge, Marta GUHL, grossly failing and neglecting to enter a Pa. PUC Administrative Hearing Decision in this matter.

# INFORMATION ABOUT YOUR BILL

**Reading Your Meter:** Actual Reading – Your meter is read each month by our automated meter reading system. Customer Reading – A reading you give us if we cannot read your meter: Estimated Reading – If we cannot read your meter, your monthly charges will be based on the average temperature and your past electric and gas use.

**Meter Reading Schedule:** Your monthly meter reading is scheduled through our automated system. Your scheduled meter reading date is shown on your bill.

**Employee Identification:** All PECO employees carry a special picture identification card. You may ask to see it.

**Rate Schedule:** A listing of all of our rates can be found on our website at [www.peco.com](http://www.peco.com), in our business office, or by calling 1-800-494-4000.

**Basic Charges:** Charges, based on rates approved by Pennsylvania Public Utility Commission, for the energy you used plus a monthly charge for maintaining your service.

**CAP (Customer Assistance Program):** Discounted rate for verified low-income customers. Call 1-800-774-7040 for more information.

**Late Payment Charges:** All bills are due and payable by the due date shown on the front of the bill. The due date applies to the current charges only and does not extend the due date for payment of previous charges. Past due amounts may be subject to a finance charge of 2 percent per month. (1.5 percent for rates GS and R)

**Demand Information (Commercial Customers Only)**

- Registered Peak Demand: Maximum rate for highest half hour of energy use for each billing period. It is measured in kilowatts (kW) and averaged during a 30-minute period.

**Check Clearing Notification:** When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction.

**ELECTRIC AND GAS TERMS USED IN YOUR BILL**

**Administrative Charge:** Charges to reimburse utilities for the costs associated with buying electricity for customers.

**Ancillary Charge:** Charges to reimburse utilities for the cost associated with operating the system that moves energy from generating stations to PECO's system for delivery to its customers.

**Balancing Service Charge:** Charge for fixed and variable storage costs for each Ccf of gas delivered.

**Billing Demand (kW):** The calculated or measured rate of energy usage supplied after any required adjustments such as for minimums or power factor.

**Ccf - Hundred Cubic Feet:** Unit of measure for the gas you use. One Ccf is the amount of gas used to run an average size house heater nonstop for one hour.

**Customer Charges:** Monthly basic electric and/or gas charge covering the costs of billing, meter reading, equipment, and maintenance. Customers with multiple meters will have multiple customer charges on their bill.

**Distribution Charges:** Charges to cover the costs associated with delivering electricity and natural gas to customers.

**Energy Efficiency Charge:** To reimburse utilities for the costs associated with energy efficiency and conservation programs as required by Pennsylvania's Act 129.

**Gas Cost Adjustment (GCA):** Either a credit or charge reflecting the difference between utilities projected and actual costs to purchase natural gas for customers.

**Generation Charges:** Charges to reimburse utilities for the costs to purchase electricity for customers. These charges are passed along to customers at the exact price PECO pays, with no markup. If the generation service is from an electric generation supplier, it is competitively priced and is not regulated by the Public Utility Commission.

**Kilowatt Hour (kWh):** Unit of measure for electricity. One kWh is the amount of energy used by a 100-watt bulb for 10 hours.

**Lumen:** Unit of measurement of the quantity of light.

**Natural Gas Supply Charges:** Charges to reimburse utilities for the costs to purchase natural gas for customers. These charges are passed along to customers at the exact price PECO pays, with no mark up.

**Peak Load Contribution:** A customer's contribution to PECO's peak load at the time of highest demand from the previous summer.

**PECO Smart A/C Saver – Credit:** A credit for participation in the PECO Smart A/C Saver program to reduce your energy use.

**Price to Compare (PTC):** The price used to evaluate offers from competitive suppliers.

**Power Factor:** An adjustment applied for inefficient use of power. Percentage of correction applied to the registered/measured demand (kW) to reflect the correct billing demand.

**Purchased Generation Adj.:** Either a credit or charge reflecting the difference between utilities projected and actual costs to purchase electricity for default service customers.

**Service Location Distribution Charge:** A charge to receive service at a particular Service Location, which shall comprise each lighting installation and must be separately connected to a delivery point on the Company's secondary circuit.

**State Gross Receipts Tax:** State tax on electric utilities. This is included in PECO's basic charges.

**State Tax Adjustment:** Either a credit or charge reflecting certain changes in state taxes. It may include part of the State Gross Receipts Tax.

**Transmission Charges:** Charges to move electricity from generating stations to PECO's electric delivery system. The Federal Energy Regulatory Commission regulates transmission prices and services.

**Working Capital Charge:** Charge to compensate PECO for costs incurred during the period when service was provided to its default service customers and when payment was received.

**Matching Energy Assistance Fund (MEAF) Pledge Form**

You can help needy residents in the Delaware Valley pay their energy bills by making a donation to the Matching Energy Assistance Fund (MEAF). When you do, PECO will match your contribution, dollar for dollar – to double the amount of money donated to MEAF. It's easy to make a difference in the community, just complete this form and mail it with your payment. For questions or more information, call 1-800-403-6806.

YES, I'd like to empower local families in my neighborhood with a pledge donation to MEAF. Please add the amount indicated to my monthly bill. (Minimum \$1)

\$1                      \$5                      \$10                      \$ \_\_\_\_\_

YES, I'd like to empower local families in my neighborhood with a one-time donation to MEAF.

\$ \_\_\_\_\_ One-time donation (Payable to PECO.)

**POWER PAY – Payment Authorization**

If you enroll in Power Pay, each bill will be automatically deducted from your checking or savings account on the date it is due. You'll still receive a monthly statement, but you'll no longer have to write a check. Please continue to pay as usual until you see a bank deduction noted on your bill. If you have any questions about Power Pay, please visit [www.peco.com/powerpay](http://www.peco.com/powerpay) or call our toll-free hotline number, 1-800-494-4000.

FINANCIAL INSTITUTION \_\_\_\_\_  CHECKING  
 YOUR BANK ACCOUNT NUMBER AND BANK ROUTING NUMBER \_\_\_\_\_  SAVINGS

**X**  
SIGNATURE \_\_\_\_\_

By signing this form, I authorize PECO to instruct my bank/savings institution to make my payments from the account listed above. I understand this authorization may be revoked by me at any time by providing PECO with a written notice to discontinue my automatic payment.

## Understanding Your 2012 Electric Rates And How To Calculate Your Bill.

PECO is providing you, our residential customer, some basic information on how to calculate your unbundled electric bill. The two residential rate choices that are available to you are Residential Service (Rate R) and Residential Heating Service (Rate RH). A sample calculation of each rate is enclosed in this pamphlet. In addition, information on Off-Peak Service (Rate OP) for existing customer locations is available by calling 1-800-494-4000. You can find out what type of service you currently have by looking at the **Current Period** section on your electric bill. If you have any questions concerning these rates on your bill, please contact your customer consultant at the number printed on your bill.

Winter Months are October through May. Summer Months are June through September.

### Residential Service – Rate R

This service is available to single, private homes, or, in certain cases, a building that has up to five dwelling units. Service is supplied through one meter. For more information concerning the application of this rate, please call 1-800-494-4000.

You are on the Customer Assistance Program (CAP) Rate. You are saving money by paying a CAP rate.  
Your original PPA balance was \$342.79 and is currently \$57.09.  
New charges contain estimated total state taxes of \$1.45, including \$1.31 for State Gross Receipts Tax.  
Your **Total Account Balance of \$472.29** includes your Total Amount Due and all other Arrangement/Agreement balances that are on this account.

When paying in person, please bring the entire bill.

(continued on next page)

Return only this portion with your check made payable to PECO. Please write your account number on your check.

- Check here to enroll in Power Pay automatic account debit and complete form on reverse side.
- Check here to pledge a donation to MEAF and complete form on reverse side.

To pay by phone call 1-877-432-9384.  
A convenience fee will apply.
