Application of KEVIN R. McHALE, t/d/b/a MCHALE DELIVERY SERVICE

Dear Sir:

Your attention is directed to a letter from the Commission dated May 21, 1984 together with the compliance order of the Commission, notifying you of the Commission's approval of the application for a contract carrier permit in the above entitled proceeding, limited and restricted to certain definite rights.

The letter states that the applicant would be required to file with the Commission within sixty days (60) of the date of the letter a certificate of insurance or other security and a tariff of its rates and charges that the contract carrier permit authorizing actual operations would not be issued until the compliance with these requirements.

Motor carriers operating without complying with these requirements and hence without a contract carrier permit are operating illegally and subject to the penalty provisions of the Public Utility Law.

Our records show that you have failed to comply with the insurance requirement(s). Unless the requirement(s) is complied with immediately, the Commission will rescind the action of approving the application and dismiss it without further proceeding. May 11, 1984

Very truly yours,

Jerry Rich  
 Secretary
