Dear Mr. Morrisey:

We are pleased that Keytex Energy Solutions, LLC ("KEYTEX") has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, KEYTEX could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. KEYTEX has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that KEYTEX does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to KEYTEX changes in the future, Columbia Gas might deem it appropriate to require KEYTEX to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-6841 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

RE Keytex Energy Solutions, LLC application to serve as a broker/marketer

Dear Mr. Morrissey,

Based on your assertion that Keytex Energy Solutions, LLC ("Keytex"), is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities Inc. ("UGIU") has concluded that Keytex will not need to post security with UGI-Central Penn Gas ("CPG"), UGI-Penn Natural Gas ("PNG") or UGI Utilities Gas Division ("UGI"). This is based on the declaration that Keytex will not be taking title to gas or directly serving end use customers. This also assumes that Keytex will be acting on the behalf of a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the respective UGI tariffs. If Keytex wishes to directly serve Choice customers in the service territories of UGI, PNG and/or CPG in the future as a natural gas supplier, it will have to post security as specified in the respective UGI tariffs prior to the commencement of the service.

Please feel free to contact me with any additional questions that you may have.

Sincerely,

A handwritten signature in black ink, appearing to read "David E. Lahoff". The signature is written in a cursive style with some loops and flourishes.
