Dear Sir:

Under date of July 26, 1984 the Secretary's office transmitted to you the Commission's compliance order of July 20, 1984, evidencing approval of the above carrier's application at A. 105335, which is in effect a transfer of the rights formerly held by Jay L. Fulkroad, James L. Fulkroad and Gerald E. Fulkroad, Copartners, t/d/b/a Jay Fulkroad and Sons at A. 96648. The letter transmitting the order directs attention to the requirement for the filing of a tariff.

In accordance with the provisions of PA Code, Title 52, Section 23.13(c) adoption supplements should be filed with us whereby the tariff of the former operator will become the tariff of the latter. However, in this instance the tariff is obsolete and does not reflect reasonable rates. In view of these circumstances a new tariff may be issued on one days notice under authority of the Pennsylvania Public Utility Commission Special Permission 28116 to establish new reasonable rates, rules and regulations. Symbols are not required in this instance. The tariff should be designated Freight PA PUC No. 1.

The matter should be given prompt attention as a certificate of public convenience will not be issued until full compliance with the Tariff Regulations has been met and if not completed within the time set, approval of the application is subject to rescission.

Very truly yours,
Barry L. Ernst, Director
Bureau 66 Non-Rail Transportation

Dear Mr. Graf:

Under date of July 26, 1984, the Secretary's office transmitted to you the Commission's compliance order of July 20, 1984, evidencing approval of the above carrier's application at A-105335, which is in effect a transfer of the rights formerly held by Jay L. Fulkroad, James L. Fulkroad and Gerald E. Fulkroad, t/d/b/a Jay Fulkroad and Sons at A-96648. The letter transmitting the order directs attention to the requirement for the filing of a tariff.

In accordance with the provisions of Pa. Code, Title 52, Section 23.13(c), you should immediately arrange to file adoption supplements with us whereby the tariff of the former operator will become the tariff of the latter, and no change in rates is permitted to cover the transfer of rights. To assist you in meeting this tariff requirement, we are enclosing three copies of the necessary supplement to be properly executed by you, the original and one copy of which must be returned to us for filing and the remaining one to be retained for your records. Upon the proper filing of the adoption supplements, the tariff requirements will be satisfied.

Very truly yours,
 Barry L. Ernst, Director
 Bureau of Non-Rail Transportation
