- (a) 8 Commission Orders adjudicating Bureau of Transportation and Safety instituted complaints alleging failure to pay an outstanding assessment.
- (b) The Bureau of Transportation and Safety notified Respondents that an answer to the complaint must be filed within twenty (20) days of the date of service of the complaint in accordance with 52 Pa. Respondents were advised that failure to file an answer or filing an answer which fails to deny the allegations in the complaint would result in a recommendation to the Commission that the respondent's certificate be canceled. The Respondents listed on the attachment have either failed to file an answer, or filed an answer which admitted the allegations in the complaint. The allegations are therefore deemed admitted and the complaints are sustained.

ORDER

BY THE COMMISSION:

DOCUMENT

On November 25, 2003, the Bureau of Transportation and Safety instituted a Complaint against, respondent, alleging failure to pay outstanding assessments of \$1,136 for the fiscal year 2002, a violation of the Public Utility Code at 66 Pa C.S. §510(c).

In accordance with 52 Pa. Code §5.61, the Bureau of Transportation and Safety notified the Respondent that it must file an Answer to the Complaint within twenty days of the date of service. The Notice further specified that, if respondent failed to answer the Complaint within twenty days, the Bureau of Transportation and Safety would request the Commission issue an order cancelling respondent's Certificate of Public Convenience, directing the Pennsylvania Department of Transportation to put an administrative hold on the respondent's motor vehicle registrations and notifying the Pennsylvania Department of Revenue and respondent's insurance carriers that respondent's Certificate is revoked.
