Good Morning,

I have an Application for Waypoint Logistics LLC, but I have a problem with their member's list. They have J. B. Pointdexter & Co Inc. I am supposed to have the members of that Company and their titles. I talked to Susan though and she stated other applications done the same way were approved. Please can you let me know the names of the other Companies with similar member's list that were approved by the PUC. I need to let my supervisor know that they were approved using a Company as the member's list.

Very Respectfully,  
Jon
