Re: Electric Generation Supplier Services License A-110169

Dear Mr. Behr:

On May 8, 2006, the Commission issued a permanent license at Docket No. A-110169, authorizing Energy Savers, Inc. (ESI) the right to operate as an intermediary as a consultant, broker, or marketer of electricity supply services to commercial, industrial, and governmental customers, within the Commonwealth of Pennsylvania.

On February 26, 2007, ESI filed a request that the Commission amend its license to authorize it to provide electricity supply services in the additional service territory of Pennsylvania Power Company, within the Commonwealth of Pennsylvania. ESI has provided proper documentation as required by the Commission.

Therefore, the Commission approves, by this Secretarial Letter, the modification of Energy Savers, Inc.'s license to authorize it to provide electricity supply services, as a consultant, broker or marketer, to commercial, industrial, and governmental customers, in the additional service territory of Pennsylvania Power Company, within the Commonwealth of Pennsylvania.

Sincerely,

James J. McNulty
Secretary
