

Dear Rosemary,

Thank you for your help on the phone on Wed 11/20/13. Hopefully now we will get all the mail to stop.

As I previously mentioned to you on the phone, the Company called Adventure Limousine which I owned, has been out of business since September 2nd 2013. We sold the car to an individual in New York (Hubbys Limos).

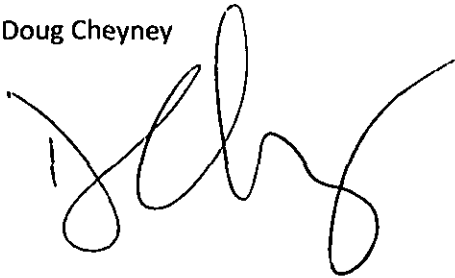

I have contacted the PUC numerous times and have filled out "which I thought was" the proper paperwork to cancel the PUC license. Some of the people that I contacted about this matter and have forwarded me the information about canceling was; Robert Bingaman, David Loucks, Wendy, Joshua Kwiatkowski and yourself. Please note, we are out of Business. Reason for dissolving, was because we were too busy in other businesses that we own and had no time to invest in this type of operation. We only owned one car while we were in business.

Please accept my request to dismiss the complaint forwarded to me on 11/6/13 DOCKET # C-2013-2390201.

Thanks again for all your help on this matter. You may contact me at 717-571-7122

Respectfully,

Doug Cheyney
