LINE
CONSTRUCTION**

PPL Electric Utilities Corp. (PPL EU) plans to build two short single circuit 230,000 volt transmission lines near its Harwood Substation. The new transmission lines will be built on property of PPL EU and are located in Hazle Township in Luzerne County.

These new transmission lines are being built to enable the two existing power transformers to be supplied by multiple 230 kV lines at the Harwood 230-69 kV Substation in order to eliminate low voltage concerns and potential interruption of electrical service to customers. This work is being done to ensure compliance with the North American Electric Reliability Council, Reliability First, and PPL EU Reliability Criteria.

On January 9, 2007, PPL EU filed a Letter of Notification with the Pennsylvania Public Utility Commission (PUC), which must approve the project before work can begin. A copy of this Letter of Notification is available for public inspection on weekdays during business hours at the following location:

Hazle Township Municipal Building
27th and North Church Street
Hazleton, Pennsylvania 18201

If you wish to participate in the process before the PUC, you should contact within 15 days:
