APPLICATION OF
PPL ELECTRIC UTILITIES CORPORATION PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

PPL Electric Utilities Corporation (hereafter "PPL Electric"), by its attorney, hereby makes application pursuant to 66 Pa. C.S. § 1102(a)(3) for the approval of a transfer by sale of certain facilities, and in support thereof states:

1. Applicant is PPL Electric Utilities Corporation, Two North Ninth Street, Allentown, Pennsylvania 18101, a public utility incorporated in Pennsylvania for the purpose of supplying light, heat and power to the public by means of electricity in all or portions of twenty-nine counties in eastern-central Pennsylvania.

2. The name and address of PPL Electric's attorney is Paul E. Russell, Two North Ninth Street, Allentown, Pennsylvania 18101.

3. Alliance Landfill (hereafter "Alliance"), a Pennsylvania corporation located in Lackawanna County, Pennsylvania, is not affiliated with PPL Electric.

DOCUMENT

SEP 13 2007

4. Alliance desires to purchase all of PPL Electric's rights, title and interest in certain electric facilities located in the Borough of Taylor as detailed in Exhibit A of the Agreement. The purchase of these facilities will result in a reduction in Alliance's annual electric bill payments to PPL Electric of approximately \$13,000.

5. PPL Electric will recover somewhat less than the present day depreciated cost of these facilities and will no longer be responsible for maintenance thereof.

6. PPL Electric agreed to sell and Alliance agreed to purchase the facilities for \$43,950. As a result of this sale, PPL Electric will save the cost of relocating, servicing and maintaining these underground facilities as well as benefiting from an electric revenue increase from 3000 kW of new load.

Attachment 1, which is attached hereto and made a part hereof, contains the Agreement of Sale and a description of facilities.

7. The facilities' original cost, original depreciated cost, present day cost, and present day depreciated cost are as follows:

	<u>Other Facilities</u>	<u>Transformers</u>	<u>Total</u>
Original Cost Undepreciated	\$39,932	\$12,108	\$52,040
Original Cost Depreciated	27,174	7,831	35,005
Present Day Cost Undepreciated	57,241	25,645	82,886
Present Day Cost	35,995	16,455	52,450

Depreciated

8. The sales price is the result of arms-length negotiations.

9. PPL Electric's engineering and operating representatives have reviewed the proposed sale of facilities and their relation to PPL Electric's operations. PPL Electric is satisfied as to the adequacy, continuity, safety of service, and other relevant factors concerning electrical supply to Alliance.

10. Approval of this application is necessary and proper for Alliance to take service in a manner which does not: result in uneconomic removal expenditures to PPL Electric, cause duplication of facilities, or render PPL Electric's existing facilities less valuable. The application also recognizes Alliance's right to service on the most favorable and economic basis under PPL Electric's retail tariff.

11. Attachment 2, which is attached hereto and made a part hereof, contains PPL Electric's responses to the Commission's Interrogatories concerning applications filed pursuant to 66 Pa. C.S. § 1102.

WHEREFORE, in view of the foregoing, PPL Electric respectfully requests that the Pennsylvania Public Utility Commission approve the above-captioned application for transfer of facilities by sale.

Respectfully submitted,

PPL Electric Utilities Corporation

Response:

1. See Exhibit A of Application Attachment 1.

Response:

4. Alliance requested the transfer to decrease electric power costs.

Question:

5. State the alternatives that PPL Electric has considered to the prospective sale, lease or transfer.

5. PPL Electric did not consider any alternatives to the proposed sale because it is most efficient and in the public interest for the customer to receive service under the most advantageous applicable tariff provisions.

Question:

6. State whether or not the sale, lease or transfer of this property will result in an interruption or curtailment of existing services to the public. Explain.

Response:

6. The proposed sale will not result in an interruption or curtailment of existing services to the public.
