**APPLICATION OF  
PPL ELECTRIC UTILITIES CORPORATION**

PPL Electric Utilities Corporation (hereafter "PPL Electric"), by its attorney, hereby makes application pursuant to 66 Pa. C.S. § 1102(a)(3) for the approval of a transfer by sale of certain facilities, and in support thereof states:

1. 2. The name and address of PPL Electric's attorney is Paul E. Russell, Two North Ninth Street, Allentown, Pennsylvania 18101.

3. Ames Reese, Inc. (hereafter "Ames Reese"), a Pennsylvania corporation located in Lancaster County, Pennsylvania, is not affiliated with PPL Electric.

4. Ames Reese desires to purchase all of PPL Electric's rights, title and interest in certain facilities located at Ames Reese as detailed in Exhibit A of the Agreement.

5. PPL Electric will recover the present day depreciated cost of these facilities and will no longer be responsible for maintenance thereof.

6. PPL Electric agreed to sell and Ames Reese agreed to purchase the facilities for \$11,574, representing the present day depreciated cost of the facilities. Attachment 1, which is attached hereto and made a part hereof, contains the Agreement of Sale and a description of facilities.

7. The facilities' original cost, original depreciated cost, present day cost, and present day depreciated cost are as follows:

	<u>Other Facilities</u>	<u>Transformers</u>	<u>Total</u>
Original Cost Undepreciated	\$9,764	\$7,322	\$17,086
Original Cost Depreciated	7,513	3,092	10,605
Present Day Cost Undepreciated	13,738	7,533	21,271

PPL Electric is satisfied as to the adequacy, continuity, safety of service, and other relevant factors concerning electrical supply to Ames Reese.

10. Approval of this application is necessary and proper for Ames Reese to take service in a manner which does not: result in uneconomic removal expenditures to PPL Electric, cause duplication of facilities, or render PPL Electric's existing facilities less valuable. The application also recognizes Ames Reese's right to service on the most favorable and economic basis under PPL Electric's retail tariff.

11. Attachment 2, which is attached hereto and made a part hereof, contains PPL Electric's responses to the Commission's Interrogatories concerning applications filed pursuant to 66 Pa. C.S. § 1102.

WHEREFORE, in view of the foregoing, PPL Electric respectfully requests that the Pennsylvania Public Utility Commission approve the above-captioned application for transfer of facilities by sale.

Respectfully submitted,

4. Ames Reese requested the transfer to decrease electric power costs.

Question:

5. State the alternatives that PPL Electric has considered to the prospective sale, lease or transfer.

Response:

5. PPL Electric did not consider any alternatives to the proposed sale because it is most efficient and in the public interest for the customer to receive service under the most advantageous applicable tariff provisions.

Question:

6. State whether or not the sale, lease or transfer of this property will result in an interruption or curtailment of existing services to the public. Explain.

Response:

6. The proposed sale will not result in an interruption or curtailment of existing services to the public.

Question:

7. State whether or not the sale, lease or transfer of this property will result in either a staff reduction or a termination of some portion of PPL Electric's operation. Explain.

Response:

7. The sale involves a minor portion of PPL Electric's assets and will not cause a staff reduction or a termination of any of PPL Electric's operations.

Question:

Response:

review appraisal with the three appraisals being performed by qualified independent real estate appraisers; if the property is stock, indicate the book value and current market value of the shares involved.

Response:
