RE: PP&L Electric Utilities Corp:
South Lebanon – Berks 230k
Transmission Line Reconstruction

Dear Mr. McNulty,

Staff has received and reviewed the above Pennsylvania Public Utility Commission application from PPL Electric Utilities Corporation. The following, Policy #8 within the Future Growth/Designated Growth Areas section of the Vision 2020 Comprehensive Plan, has bearing on this proposal:

Public infrastructure services ... must be properly maintained to provide an adequate level of service to existing and immediate development.

The Berks County Planning Commission supports this proposed transmission line replacement and upgrade.

If we can be of further assistance or if you have any questions please feel free to contact Michael A. Leventry at mleventry@countyofberks.com or by telephone at (610) 478-6300.

Sincerely,

James L. Mason, Chairman

DOCKETED
JAN 18 2007

James M. Lillis, 2640 Westview Drive, P.O. Box 6286, Wyomissing, PA 19610, jllillis@kozloffstoudt.com, 610-670-9053 (fax), 610-670-2552 (phone).

2. The Township of Spring is not presently apprised adequately of certain matters as set forth and relevant to support Applicant's burden of proof as set forth at 52 PA Code § 57.71, et seq., in order to assess possible settlement of the case.

3. Intervenor, Township of Spring, proposes to complete written interrogatories and to identify witnesses to be deposed within ninety (90) days of the date of the pretrial hearing.

4. Intervenor, Township of Spring, requests the presiding Administrative Law Judge to direct Applicant to identify each and every person who has had any contact with the Township of Spring relevant to the matters set forth in its Application, each and every person who submitted or assisted in the submission of earth disturbance, stormwater, wetlands identification or other land use and environmental reports and findings related to the analysis of its "Alternative 1" and "Alternative 2."

5. James I. Moll, Great Valley Consultants, 75 Commerce Drive, Wyomissing, PA 19610.

6. Kenneth Fulmer, Great Valley Consultants, 75 Commerce Drive, Wyomissing, PA 19610.

7. Jay W. Vaughan, Township of Spring 2800 Shillington Road Sinking Spring, PA 19608.

8. John Ravert, Director, Berks County Soil Conservation District, 1238 County Welfare Road, P.O. Box 520, Leesport, PA 19533-0520, or his designated representatives.

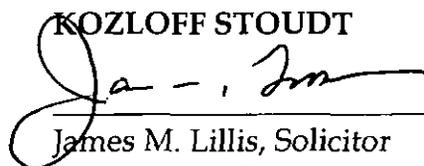

9. Any and all other property owners or other representatives as set forth at Appendix "F" of the Application, representatives of governmental agencies, municipalities and other public entities as set forth at Appendix "J" of the Application, or other witnesses whose testimony may be determined to be relevant through the course of the within proceedings.

10. Proposed measures to mitigate earth disturbance and sedimentation, stormwater impact and proposed measures to mitigate such impact; Compliance with relevant stormwater watershed Ordinances and other related Township of Spring, municipal, regional, county and Commonwealth stormwater mitigation regulations; Required road closings or other impact upon Township of Spring or Pennsylvania Department of Transportation road systems; Comparative analysis of environmental impact and land use impact, depending upon specific environmental or land use feature.

11. Intervenor intends to present evidence, as may be determined to be relevant depending upon evidence presented during Applicant's case-in-chief, as to the proximity to the proposed transmission line, structures and construction to known or possible wetland areas, streams, roads, excessively steep slopes, and other environmentally sensitive areas.

Respectfully submitted:
