**Cargo insurance complaint - Date of Service: November 13, 2013 C-2013-2387176**

**September 24, 2013** we received Notice of Suspension of our PUC due to failure of proof of our cargo insurance.

At that time I contacted our insurance agent, he then responded to PUC with proof of our cargo coverage.

**October** we were informed of Notice to Lift Suspension.

**November 15, 2013** we received a complaint filed against us.

Again I contacted our insurance agent, was informed that they resent our proof of cargo insurance November 18, 2013.

I am hoping that this letter will be satisfactory to our complaint. Could you please confirm that the insurance company is indeed doing their job?

Thank you in advance for your help.
