Dear Graig M. Schultz, Esquire:

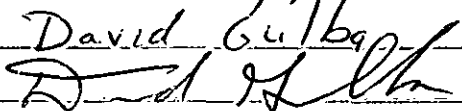

I only object on the grounds of concern for the terms with PPL Electric Utilitie Co. In no way am I trying to be difficult or uncooperative, they have been Considerate/understanding.

But I have to object in looking out for Myself. My mediation for My work injury was canceled back on Sept. 22, '13." they sent Me to an IME instead of pursuing the settlement. The Judge is giving them until ~~September~~ November 22, '13" to make a decision. I am awaiting 1 years worth of back pay. PPL is going to wait to bill me then but if the work place plays games in this litigation and I don't have the money to make that payment for December and the payment for the month is like \$400.00 some dollars plus the extra \$23.00 I will be out of luck. In case it takes a little longer I must object here in writing about what was agreed. I get My

1 years worth of back pay, and
I will be more than happy
to wipe out the entire balance
owed to PPL!

This could take until
the end of December '2012" or
early January '2013", if I'm unable
to make payment it will hurt
me.

I just needed time to
think after the phone hearing
and being put on the spot at
the time. With a bad injury
and financial nightmare I have
to look out for Myself Sir.

Sincerely,
David Gulba
