NOTICE OF PROPOSED RATE CHANGES

To Our Customers:

Duquesne Light Company ("Duquesne Light") is filing a request with the Pennsylvania Public Utility Commission (PUC) to increase your electric distribution service rates as of October 1, 2013. This notice describes the company's rate request, the PUC's role and what actions you can take.

Duquesne Light has requested an overall rate increase of \$76.3 million per year. If the company's entire request is approved, the total bill for an average residential customer using 600 kilowatt-hours would increase from \$77.77 to \$86.00 per month or by 10.58%. The total bill for an average commercial customer using 10,000 kilowatt-hours would increase from \$853.07 to \$900.39 per month or by 5.55%. The total bill for an average industrial customer using 200,000 kilowatt-hours would increase from \$16,179.63 to \$16,680.30 per month or by 3.09%. These proposed increases and percentages represent total Duquesne Light rates, which include rates for distribution, transmission and generation. These calculations are based upon current rates in effect as of July 1, 2013.

To find out your customer class or how the requested increase may affect your electric bill, contact Duquesne Light at 1-888-393-7100. The rates requested by the company may be found in Supplement No. 81 to Tariff Number 24. You may examine the material filed with the PUC which explains the requested increase and the reasons for it. A copy of this material is kept at Duquesne Light's office at 411 Seventh Avenue, Pittsburgh, PA 15219. Upon request, the company will send you the Statement of Reasons for Supplement No. 81 to Tariff Number 24, explaining why the rate increase has been requested.

The state agency which approves rates for public utilities is the PUC. The PUC will examine the requested rate increase and can prevent existing rates from changing until it investigates and/or holds hearings on the request. The company must prove that the requested rates are reasonable. After examining the evidence, the PUC may grant all, some, or none of the request or may reduce existing rates.

The PUC may change the amount of the rate increase or decrease requested by the utility for each customer class. As a result, the rate charged to you may be different than the rate requested by the company and shown above.

There are three ways to challenge a company's request to change its rates:

1. You can file a formal complaint. If you want a hearing before a judge, you must file a formal complaint. By filing a formal complaint, you assure yourself the opportunity to take part in hearings about the rate increase request. All complaints should be filed with the PUC before October 1, 2013. If no formal complaints are filed, the Commission may grant all, some or none of the request without holding a hearing before a judge.
2. You can send us (PUC) a letter telling why you object to the requested rate increase. Sometimes there is information in these letters that makes us aware of problems with the company's service or management. This information can be helpful when we investigate the rate request. Send your letter or request for a formal complaint form to the Pennsylvania Public Utility Commission, Post Office Box 3265, Harrisburg, PA 17105-3265.
3. You can be a witness at a public input hearing. Public input hearings are held if the Commission opens an investigation of the company's rate increase request and if there is a large number of customers interested in the case. At these hearings you have the opportunity to present your views in person to the PUC judge hearing the case and the company representatives. All testimony given "under oath" becomes part of the official rate case record. These hearings are held in the service area of the company.

PUBLIC HEARING ON ELECTRIC RATE INCREASE REQUEST

Duquesne Light Company ("Duquesne Light" or the "Company") filed on August 2, 2013 with the Pennsylvania Public Utility Commission ("PUC") a proposed increase in its distribution rates of approximately \$76.3 million, which equates to an increase in total rates (distribution, transmission and generation charges) of approximately 10.6% for a typical residential default service customer. The PUC has suspended the proposed increase and instituted a further review of the proposed increase.

If the Company's entire request is approved, the total bill for an average residential default service customer using 600 kilowatt-hours per month would increase, approximately \$8, resulting in an average monthly bill of \$86.00. The total bill for an average commercial customer using 10,000 kilowatt-hours per month who purchases power from Duquesne Light would increase by approximately \$47, resulting in an average monthly bill of \$900.39 if the total proposed increase were to be adopted. Finally, the total bill for an average industrial customer using 200,000 kilowatt-hours per month who purchases power from Duquesne Light would increase by approximately \$500, resulting in an average monthly bill of \$16,680.30.

This Notice informs the public of a public input hearing to be held in Duquesne Light's service territory at the following location:

Date: Monday, October 28, 2013
 Time: 6:30 pm
 Location: Borough of Green Tree Municipal Center, Sycamore Memorial Rooms, 10 West Marilla Avenue, Pittsburgh PA 15220

The purpose of this hearing is to solicit public input and you can be a witness. At this hearing you will have the opportunity to present your views in person to the PUC Administrative Law Judge hearing the case. Statutory advocates and Duquesne Light repre-

Duquesne Light Company ("Duquesne Light" or the "Company") filed on August 2, 2013 with the Pennsylvania Public Utility Commission ("PUC") a proposed increase in its distribution rates of approximately \$76.3 million, which equates to an increase in total rates (distribution, transmission and generation charges) of approximately 10.6% for a typical residential default service customer. The PUC has suspended the proposed increase and instituted a further review of the proposed increase.

If the Company's entire request is approved, the total bill for an average residential default service customer using 600 kilowatt-hours per month would increase approximately \$8, resulting in an average monthly bill of \$86.00. The total bill for an average commercial customer using 10,000 kilowatt-hours per month who purchases power from Duquesne Light would increase by approximately \$47, resulting in an average monthly bill of \$900.39 if the total proposed increase were to be adopted. Finally, the total bill for an average industrial customer using 200,000 kilowatt-hours per month who purchases power from Duquesne Light would increase by approximately \$500, resulting in an average monthly bill of \$16,680.30.

This Notice informs the public of a public input hearing to be held in Duquesne Light's service territory at the following location:

Date: Monday, October 28, 2013
Time: 6:30 pm
Location: Borough of Green Tree Municipal Center
Sycamore Hemlock Rooms
10 West Manilla Avenue
Pittsburgh PA 15220

The purpose of this hearing is to solicit public input and you can be a witness. At this hearing you will have the opportunity to present your views in person to the PUC Administrative Law Judge hearing the case, statutory advocates and Duquesne Light representatives. All testimony is given "under oath" and will become part of the official rate case record.

Duquesne Light, the PUC and the Office of Consumer Advocate offer the following tips if you plan to testify:

- Prepare what you are going to say beforehand. Even though it is not required, you may want to write out your statement, which can be read.
- If you have a written statement you would like to give to the judge as evidence, please bring two copies for the court reporter and several copies for the other participants.
- Sometimes one of the parties in the case may want to ask you a question to clarify something you have said. Listen carefully to the question and answer it to the best of your ability. You may ask for the question to be repeated. It is OK if you do not know the answer.

Should you wish to contact the Office of Consumer Advocate, call toll-free at 800-684-6560.

If you are a person with a disability or require an interpreter, and you wish to attend the hearing, the PUC may be able to make arrangements for your special needs or to have an interpreter present. Please call the scheduling office at the PUC prior to the hearing at the following phone numbers:

- Scheduling Office: 717-787-1399

PUBLIC HEARING ON ELECTRIC RATE INCREASE REQUEST
Duquesne Light Company ("Duquesne Light" or the "Company") filed on August 2, 2013 with the Pennsylvania Public Utility Commission ("PUC") a proposed increase in its distribution rates of approximately \$76.3 million, which equates to an increase in total rates (distribution, transmission and generation charges) of approximately 10.6% for a typical residential default service customer. The PUC has suspended the proposed increase and instituted a further review of the proposed increase.

If the Company's entire request is approved, the total bill for an average residential default service customer would be 600 kilowatt-hours per month would increase approximately \$8, resulting in an average monthly bill of \$86.00. The total bill for an average commercial customer using 10,000 kilowatt-hours per month who purchases power from Duquesne Light would increase by approximately \$47, resulting in an average monthly bill of \$90.39 if the total proposed increase were to be adopted. Finally, the total bill for an average industrial customer using 200,000 kilowatt-hours per month who purchases power from Duquesne Light would increase by approximately \$60, resulting in an average monthly bill of \$16,680.30.

This Notice informs the public of a public input hearing to be held in Duquesne Light's service territory at the following location:

Date: Monday, October 28, 2013
Time: 6:30 p.m.
Location: Borough of Green Tree Municipal Center Sycamore Hemlock Rooms 10 West Manilla Avenue Pittsburgh, PA 15220

The purpose of this hearing is to solicit public input and you can be a witness. At this hearing you will have the opportunity to present your views in person to the PUC Administrative Law Judge hearing the case, statutory advocates and Duquesne Light representatives. All testimony is given "under oath" and will become part of the official rate case record.
