Dear Mr. DeCarlo:

On October 24, 2013, we received your Application and filing fee of Energy Initiatives, Inc. for approval to supply natural gas services to the public in the Commonwealth of Pennsylvania as a broker/marketer.

Pursuant to the Commission's Final Order entered July 16, 1999 at M-00991249F0002, notice of filing of this Application must be published in newspapers of general circulation covering each county in which you intend to provide service.

Attached is a list of newspapers which covers the publication requirements for Natural Gas Suppliers looking to do business in Pennsylvania. If you are not requesting service in all of Pennsylvania, please choose the newspapers that best cover your service area needs; otherwise, service throughout Pennsylvania requires you to publish in all six newspapers.

Please file with us the Certification of Publication, along with a photostatic copy of the notice to complete the notice requirements.

Should you have any questions pertaining to your application, please contact our Bureau of Technical Utility Services at 717-783-5242.

Sincerely,

Rosemary Chiavetta
