I Kisha Dorsey am appealing the decision to
 over turned based on past payment history
 I can guarantee a one time monthly payment
 I Kisha Dorsey have been sick for the past 2 yrs
 and been so worried about my health more than
 anything else Yes I am below poverty living I
 need my Gas bill to stay on due to my health
 I will show you starting this month I will
 pay ten percent of my income which is 32.00
 plus another 32. every 2 weeks its possibly
 my income will change due to my health issues
 I think its very unfair to not
 give me this chance I'm poor I have nothing
 no assets or anything or I would have paid off
 the C.A.P. I would like to pay 10% of what
 I would be paying of 316.00 dollars I believe
 it could have been 32.00 since Oct 2012
 which would mean for 13 months I owe you 32.
 X13 thirteen (PGW.) months which adds up to be
 four hundred and 26 dollars in which was paid
 with 1, heap grants prior to that 2011 I would have
 owed eight hundred & forty dollars which also
 was paid thru programs if you do the

with this is what I owe \$ 7.22.00. Seven hundred
22 dollars but I might be wrong since my income
was 248.00 since 2011-2012 2012-to the present
all bills are paid in full this is a mistake that
P.G.W. forgot to inform the P.U.C Commissioner

I am requesting a phone call or a new
Case regarding the over payment
the P.G.W. is saying I owe
based on Cap Rate I owe nothing besides 7.22
unless they can show me other proof besides
the faulty high Gas bill I was given ^{K.O} when
the utility was shut off. in 2011 my income
was 248.50 and the rate would have been fifty a
month for ~~2011~~ ^{K.O} 2011-2012 can someone here
and ask pgw about this I need a new case
or an appeal and this is my appeal thank you
