RE: Edward J. Leonard v. PPL Electric Utilities Corporation
Docket No. C-2013-2359971

Dear Sir or Madam:

This address has been provided by PPL in the above referenced matter, for direct contact regarding Discovery, including Depositions of at least the following Asplundh employees:

- Mr. Keith Carrier
- Mr. John Stonelake
- Mr. Jeffery Compton
- Mr. Randy Bilyew

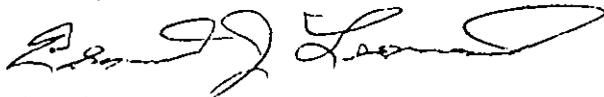

They should bring with them any material they usually have with them in the field when they are engaged in pruning operations for PPL Electric Utilities (PPL), including especially any information related to estimating the growth of tree branches, plus qualification related information for their position in the company and their job related to the property involved in this matter.

If you would like to suggest a location within the Bethlehem or Allentown area for Depositions, I will be happy to accommodate your preference for that location. Otherwise, the pruning work property location on Weil Street in Bethlehem will be the deposition address to appear on any subpoenas. Also, if you would like to suggest dates during the week of December 16-20, 2013, and a starting time around 9:00-10:00 am, I would also find that amenable.

Please also provide a name, email address and telephone number for the contact person in this matter, and the address for subpoena service for each of the above individuals. My contact information is:
