RE: Berkshire Energy Partners application to serve as a broker/marketer

Dear Mr. LeSage,

Based on your assertion that Berkshire Energy Partners, is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities Inc. ("UGIU") has concluded that Berkshire Energy Partners will not need to post security with UGI-Central Penn Gas ("CPG"), UGI-Penn Natural Gas ("PNG") or UGI Utilities Gas Division ("UGI"). This is based on the declaration that Berkshire Energy Partners will not be taking title to gas or directly serving end use customers. This conclusion is also contingent on the requirement that Berkshire Energy Partners will be acting in conjunction with a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the respective UGI tariffs. If Berkshire Energy Partners wishes to directly serve Choice customers in the service territories of UGI, PNG and/or CPG in the future as a natural gas supplier, it will have to post security as specified in the respective UGI tariffs prior to the commencement of the service.

Please feel free to contact me with any additional questions that you may have.

Sincerely,

A handwritten signature in black ink, appearing to read "David E. Lahoff". The signature is fluid and cursive, with the first name "David" being the most prominent.
