Elite EMS, Inc. is an active BLS and ALS ambulance service licensed within the Commonwealth of Pennsylvania pursuing Public Utilities Commission licensure as a common carrier for operation within Mercer County, Pennsylvania. Many of our clients, both existing and potential contracted agencies such as hospitals and nursing home facilities, have a demonstrated need for paratransit services, specifically wheelchair van/ambulette transport. The majority of the service's proposed wheelchair van services will be utilized for transport of non-ambulatory patients from nursing homes to physician appointments, dialysis treatments and cancer care therapy; or transport of non-ambulatory/wheelchair

bound patients from hospitals to residences upon discharge, and associated return transports. The co-existence of wheelchair van transport with ambulance is a common and necessary complementary service.

Examples:

- To transport people whose personal convictions prevent them from owning or operating motor vehicles from points in Lancaster County to points in PA, and return.
- To transport people from the city and county of Philadelphia to correctional facilities in PA, and return.
- To transport people in wheelchair and stretcher vans from points in the city of Pittsburgh to points in Allegheny County, and return.

10. Certification:

Applicant certifies that it is not now engaged in unauthorized intrastate transportation for compensation between points in Pennsylvania and will not engage in said transportation unless and until authorization is received from the Pennsylvania Public Utility Commission.

Applicant further certifies that it understands the requirements of the Pennsylvania Public Utility Commission, especially as they relate to safety and insurance and that it may be subject to civil penalties, suspension or cancellation of the Certificate for failure to comply with Commission requirements.

Applicant further certifies that it understands that it is subject to an annual assessment based upon its reported gross Pennsylvania intrastate revenues; said assessment to help defray expenses incurred in regulating Motor Common Carriers of Persons in Paratransit Service; and acknowledges that failure to report revenue and pay its annual assessment may result in civil penalties, suspension or cancellation of the certificate.
