Dear Avi:

We understand that IDT Energy, Inc. has applied with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania including our company's service area.

Because IDT Energy, Inc. intends to only provide natural gas aggregating, brokering and consulting services at this time, we have determined that IDT Energy, Inc. will not be required to post a bond or other form of financial security instrument to provide these services in our service area. However, if the services provided or failure to meet our requirements for credit worthiness changes in the future, we reserve the right to require security from IDT Energy, Inc. as deemed appropriate.

Re: Security Requirement Bond for IDT Energy, Inc.

To Whom It May Concern:

Philadelphia Gas Works ("PGW") is aware that IDT Energy, Inc. has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, IDT Energy, Inc. must furnish acceptable security to each utility where IDT Energy, Inc. will do business. As such, under its tariff, Philadelphia Gas Works could require IDT Energy, Inc. to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

However, since you are just beginning the process with the PAPUC and the Philadelphia Gas Works to become a supplier, the Philadelphia Gas Works at this time will not require any type of bond or security.

If circumstances should change during the vetting of the application, Philadelphia Gas Works reserves the right to require security from IDT Energy, Inc. as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at (215) 684-6405.

Sincerely,
