Docket No. C-2013-2359971 Edward J. Leonard v. PPL Electric Utilities Corporation

Dear Judge Salapa:

Recently two rulings have gone against me at least in part because of my failure to follow proper procedures, in accordance with the code and your orders. Review of the rules and orders leads me to believe that other requests and plans for the Hearing may also be, in one respect or another, deficient. Therefore, I am requesting a postponement of the Hearing until September or October of 2014. This is in part because I need to be out of the country most of the first half of the year, and then I will need some time to retry the processes that I did not properly execute.

PPL Services Corporation does not agree to this postponement request.

Respectfully,

  
Edward J. Leonard

cc Jessica R. Rogers, Esq.

Paul E. Russell, Esq.

**CERTIFICATE OF SERVICE**

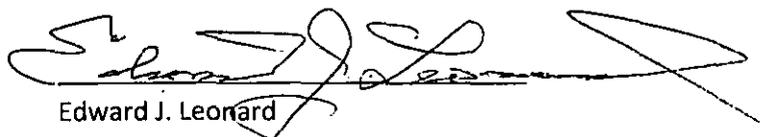

I hereby certify that a true and correct copy of a letter regarding postponement of the Hearing has been served in accordance with the requirements of 52 PA Code S. 1.54 (relating to service by participant).
