Directory Listings

1. DIRECTORY LISTINGS

1. The rules and rates in this section apply only to an alphabetically arranged list of customers that is furnished by the Telephone Company to aid the public in determining the telephone number of the party they wish to call.
2. The form, length and content of all listings will be prescribed by the Telephone Company, including the use of abbreviations where the identification of the customer will not be impaired.
3. Each primary listing will include the name, address and telephone number of the individual, partnership, corporation, association or governmental agency for whom service has been contracted.
4. A Joint User is permitted the same listing privileges as the regular customer whose service he shares.
5. Listings will be accepted for other than individual, partnership, corporation, association or governmental agency names when the customer is actually conducting business under the listings requested as evidenced by billing forms, letterheads, etc. However, listings that in the judgment of the Telephone Company are misleading, deceiving or designed to achieve a special prominence will not be accepted. Listings are not provided in connection with services that do not require a listing for normal operation, such as public paystation service, toll terminals, outward-WATS, nonexchange connection services, auxiliary service lines and any exchange line arranged only for outward service.
6. A name may be repeated in the same alphabetical list only when a different address or a different telephone number is listed.
7. All customers are entitled to one listing in the official directory published by the Telephone Company.

2. ADDITIONAL LISTINGS, FOREIGN LISTINGS, CROSS REFERENCE AND DUPLICATE LISTINGS

1. a. Additional listings are provided at \$.50 per month from the day that the listing is posted to the directory assistance files of the Telephone Company. This charge to continue while the directory containing such listings is in effect. The charge will be terminated: if the main access telephone service is terminated; upon death of listed party; if listed party applies for service in his own name; or moves to a location where he is not accessible to the customer's access service.
b. Business additional listings are not available in connection with the residence service.
2. A customer or an additionally listed party may be listed in an exchange area list other than that in which the customer is regularly listed. If the listings appears in an intracompany directory, the monthly charge is \$.50 for each listing. If the listing is in the directory of another company, the listing is subject to the rates and regulations of that company.
3. Cross reference of listings with two logical finding names and duplicate listings of names commonly spelled in more than one way are permitted when, in the judgment of the Telephone Company, they are required for proper identification and to facilitate finding the telephone number of a listed party. Listings of this type are considered to be additional listings when requested by the customer.
