RE: Request to Revise Approved Natural Gas Supplier (NGS) License  
Approved November 14, 2013 (Docket No..A-2013-2388468)

To Whom It May Concern:

ARM Energy Management, LLC (AEM) received its natural gas supplier (NGS) license on November 14, 2013. The original license was approved to provide services to the following customer classes: (1) Industrial Customers and (2) Commercial Customers – (6,000 MCF or more annually). Please see our original application, page 7 of 39 (Section 11) attached.

AEM is requesting this license to be revised to include another class of customers: Commercial Customers – (Less than 6,000 MCF Annually). AEM does not intend to provide services to any customers with less than 300 MCF of natural gas consumption annually. Please see our revised application, page 7 of 39 (Section 11) attached.

Also attached is a Certificate of Service showing the offices and list of NGDCs who will receive a copy of this request to revise our NGS license.

Please contact us in the event you have questions or need any clarifications on this request.

Thank you for your consideration.

Sincerely,

Larry F. Derrett

CFO
