Ms. Cheavetta,

This is to respond to PECO's Preliminary Objection. I deny their objections to the complaint I filed.

Docket No; F-2013-2396386

I would like my complaint to be heard by the Commission. I infer by their response that they don't believe what "foreign wiring" that their technician found. I still do not believe that I should be held responsible for a "shut off" balance of \$4577.98.

Thank you
